OPENING PRAYER.

The Opening Ode was sung and the Grand Chaplain offered prayer as follows:

Most glorious God, the heaven is thy throne and the earth is thy footstool; yet we, the children of men, design to come to Thee at this time, for Thou has taught us to know Thee as Our Father.

Therefore, blessed Father, in the gathering of this the Grand Lodge of the Independent Order of Odd Fellows, we come asking Thy blessing, Thy guidance, and Thy wisdom.

In all of our deliberations wilt Thou be the inspiration, that wisdom may be heard within our portals, and heeded within our every acts.

Wilt Thou be pleased to guide us in all our goings out, and our comings in, that we may be in the ways of righteousness and that our paths may be beaten toward the goal of peace.

We do thank, we thank Thee, for Thou art the Giver of every good and perfect gift. Out of Thy love and wisdom has come the inspiration to brotherhood. From Thy great heart of love has come the birth of love within our own hearts. Thy great love thus born within us has been the great motive power of our order, in caring for the widow and orphan, the aged and the infirm. Thy love has called our strength into action, in Friendship, Love and Truth.

Dear Father, we do appreciate Thee in the great revelation of Thy will concerning us, in the mighty leadings of Thy love.

We thank Thee and pray that in every session we may have the great motivation, Thy love, directing our every word and deed.

May peace and harmony thus prevail in the counsels of our order, and may no selfish or unbrotherly aim find place among us.

We thank Thee for the work of the order this year, for the unselfish, brotherly activity of our Grand Master. God bless him in the directing of this our Grand Lodge, with all his associates in office. God bless those who shall lead us in the coming year; may wisdom be the light of their ways and Friendship, Love and Truth inspire their acts.

Please, dear Father, add Thy benediction and blessing in the answer of our petitions. We ask it in the Name and for the sake of Him who taught us to say when we pray,

Our Father who art in Heaven, Hallowed be Thy name; Thy kingdom come, Thy will be done on earth as it is in heaven. Give us this day our daily bread and forgive us our trespasses as we forgive those that trespass against us, and lead us not into temptation, but deliver us from evil, for Thine is the kingdom, the Power and the Glory forever. Amen.

The Deputy Grand Master, by order of the Grand Master, then proclaimed the Grand Lodge open for the transaction of business.

The Grand Master ordered the flag to be displayed, whereupon the Grand Warden placed the colors to the right of the Grand Master. Opening ode was sung and all saluted the flag.

GRAND OFFICERS' REPORTS

GRAND MASTER'S REPORT.

To the Grand Lodge of the State of Illinois of the Independent Order of Odd Fellows—Greetings:

Since the last session of the Grand Lodge, held in the beautiful capital city of our State, another term of the Grand Lodge has been numbered with the past. Eleven months, which have comprised this term of the Grand Master, laden with the joy that comes with victorious achievements; with the sorrow of grievous disappointments; with hopes and fears; with fond anticipations destined, in most instances, to a speedy and satisfactory accomplishment of success, have gone forever.

Glancing at the progress of our Order, during this cycle, when considering that veil of depression which has hung so heavily over our country the past year, all lovers of our institution cannot but feel surprised and gratified at that grand array of figures which discloses the splendid accession of members to our ranks; the enlarged contributions laid on our altars, dedicated to the work of benevolence and charity, and that universal exemplification of the beautiful sentiment of friendship, which speaks for a closer relation of brotherly love among our members, and for a more substantial basis upon which to plan our work for generations yet unborn. Certainly, it must cause our hearts to swell with thankfulness to the great Ruler of the Universe, the Author of all good, for the continuance of His mercy, by preserving our Order and for increasing its usefulness and enabling us to look forward to far greater achievements in years to come. We cannot lift that shadow of mystery which hides from our vision the events of the future, but we can, without indulging in the flimsy fabric of a dream, imagine the magnificence and splendor of the glorious Order in years to come when its work of love and charity shall be intrusted to those who come upon the stage of active life in after years. Who can doubt, though no oracle of the future is here to tell us, that the same labor, wisdom, and fidelity that have distinguished the devotees of our Order since the beginning of its existence, will make Odd Fellowship grander and more glorious as the years roll on, and that its career will continue on its upward pathway, scattering with

generous hands the rich blessings of love and mercy, the choicest flowers of our fraternity.

In submitting for your consideration my official actions as Grand Master for the term just drawing to a close, I feel that, perhaps, I have left undone much that ought to have been done, and it may be that I have also done some things that ought not to have been done. Nevertheless, I feel that our beloved Order has not suffered because of any omissions or errors of judgment on my part, but, on the contrary, has advanced onward and upward, moving proudly forward, conquering every obstacle in its path, and fulfilling grandly its high mission on earth. At this time I desire to tender my sincere thanks to the Brotherhood at large for the fraternal courtesies and kind hospitality extended to me on every occasion whenever and wherever it has been my pleasure to be among them. To my distinguished associate Grand Officers I also extend my most sincere thanks for their hearty co-operation and wise counsel, and for their kind and generous spirit of indulgence which they have ever extended to me, the memory of which I shall long cherish and remember. Especially do I feel deeply indebted to my esteemed friends, Sister Fern Webster and Brothers John F. Sikyta, P. G. P., J. Walter North, Ransom Walker, and M. A. Sherman, who, through their timely assistance, aided me so splendidly in solving the problem of the use of foreign languages in some of the Subordinate and Rebekah Lodges. Through the exercise of their kindly dispositions and sagacious executive ability, that much-mooted question, which at first foreboded such dire consequences to our Lodge, was settled without any serious injury to our Order or membership. I am exceedingly grateful for the splendid assistance extended to me by them.

OFFICIAL COMMUNICATIONS.

I herewith submit for your consideration the communications sent out from my office during the year, which I deem properly classed as official communications, together with a list of the officers, elective and appointive, and a roster of the committees appointed to serve through the term just drawing to a close.

SALUTATORY.

DIXON, ILL., November 21, 1920.

To the Subordinate and Rebekah Lodges, I. O. O. F., of the State of Illinois—Greeting:

DEAR BROTHERS AND SISTERS—In assuming the duties of the office of Grand Master, I do so fully realizing the great responsibility that rests upon me. I also realize that the assistance of every member of our Order will be needed in order to place our Fraternity upon that high plane of efficiency and prosperity that we so much desire it shall be placed.

The past year has been a wonderful year of prosperity for our Order. The war being over; the great mental depression that hung so heavily upon the minds of our people being lifted; our boys having returned to their homes from the war; the Government having ceased calling upon our people for money with which to defray the expenses of that horrible conflict; laboring men, everywhere, being fully employed, and at a scale of wages higher than ever before received by men performing the same kind of labor; farm products selling for a higher price than ever before received in the history of that industry; factories running at full capacity, and all business enjoying a most extraordinary season of prosperity, made it possible for all fraternal societies to prosper as never before in all their history. But today a different situation confronts us. The pendulum of prosperity is swinging back to a lower level; business is undergoing a state of readjustment and the tendency of that readjustment is downward; farm products have been reduced in selling price more than fifty per cent; factories, in some instances, have been closed, and in others the number of the employed has been greatly reduced; working men find it much more difficult to obtain employment, and, when they do, in many cases it is at a lower scale of wages. This condition has a tendency to work against the best interest and prosperity of our Fraternity. Greater effort, therefore, must be put forth by our membership in order to measure up to that degree of prosperity enjoyed by our Fraternity for the year just drawing to a close. We must not forget that progress depends largely upon individual effort, but it is greater where united with others in collective action. We, therefore, must be

brought to the realization that the progress of our Order depends greatly upon the individual work of our members, and to them we will look for prosperity the coming year.

District Deputies.

In taking up the work of administering the affairs of the office of Grand Master, one of the first duties to devolve upon me will be the appointment of District Deputies. As it is my desire that harmony shall exist between Lodges and District Deputies, I request that Lodges of Districts will immediately, upon receipt of this communication, convene in special session and there select a Brother to be recommended for the appointment of District Deputy. If it so happens that your District is organized into District Association, let the President of your District call the meeting. As harmony is the motor force of all progress, let harmony be the watchword to guide you in all works.

Lodge Deputies.

In compliance with the provisions of the action of the session of the Grand Lodge of Illinois, just ended, you will, immediately upon receipt of this letter, proceed to select, by a vote of your Lodge, a Past Grand member of your Lodge in good standing who is proficient in the work of the Order, or who will promise to become proficient, and forward his name to John H. Sikes, Grand Secretary, Springfield, Illinois, to be appointed Lodge Deputy of your Lodge during my term of office.

Meetings.

It will be my aim this year to have as many meetings held throughout the State as possible. Therefore, all requests for meetings, whether coming from Lodges, Districts, or District Deputies, will receive my immediate attention, and every assistance that it is in my power to render will be given in order to make each meeting a success.

As it will be the duty of the Grand Instructor to keep a record of all meetings held, it is my desire that all requests for meetings be made directly to him. I have appointed Brother J. Paul Kuhn, of Batavia, as Grand Instructor during my term of office.

Open Meetings.

Fully believing in the power and efficiency of advertising, I earnestly urge every Lodge in the District to arrange for at least one open meeting some time during the year. Plan for a meeting at which the

citizens of your community can be invited to attend. Arrange a suitable program, consisting of music, readings, and an address upon the work and mission of Odd Fellowship. Apply to this office, or to the Grand Secretary, for a speaker if you do not have in mind some local speaker whom you prefer, and a speaker suitable for the occasion will be supplied.

Schools of Instruction.

The strength and perpetuity of our Order depend upon the character and personnel of our membership, and the knowledge our members have of the ritualistic teachings of our Fraternity. Let the altars of our Subordinate Lodges be surrounded by men whose lives are governed by the principles we inculcate, and nothing can hinder our Order's onward progress. With this thought in mind, it will be my aim to have a meeting held in each county or District, presided over by some competent Brother well versed in the lessons of the Degrees and qualified to analyze the charges and lectures of the ritual, so that the real lessons of life and humanity contained therein may be pointed out, that they may be learned and practiced by the members of our Fraternity.

Special Session of the Grand Lodge.

In a great many instances where Special Sessions of the Grand Lodge have been held, there has not been, in my judgment, a sufficient number of Past Grands present to receive the Degree to warrant the expenditure of the money necessary to pay the expenses of holding the Special Session. Accordingly, it will be my policy not to grant requests for Special Sessions of the Grand Lodge, except in those cases where a sufficient number of duly accredited Past Grands petition for the same to warrant the expenditure of the necessary funds to hold the session.

Building for the Future.

It has long been rumored, and is greatly believed, that a noted divine of a certain religious denomination one time said: "Give me the child until he is ten years of age, and you may have him the rest of his life. He will still remain a member of my faith." If this is good doctrine for a religious organization, it is good doctrine for our Fraternity. It is not an uncommon thing to see parents, members of our lodges, raise a large family to manhood and womanhood and not one of the family become a member of our Fraternity. This is a regrettable condition and can be overcome only by educating the children in the beauties, benefits, and pleasures of Odd Fellowship. I, therefore,

recommend and strongly urge that each lodge hold at least two meetings some time during the year devoted wholly to the entertainment of children.

Visitations of Grand Lodge Officers.

For a number of years it has been the custom of Lodges and Districts to arrange for meetings which several officers of the Grand Lodge are invited to attend and participate in the program of the meeting. For two or more Grand Officers to attend a meeting of this nature at a time is, in my judgment, an unwarranted expenditure of time, talent, and money, and should be discouraged. If the presence of a Grand Lodge Officer is desired, the presence of one ought to be sufficient, and I most respectfully request that Lodges and Districts, when planning meetings at which they desire the presence of a Grand Lodge Officer, confine their invitation to but one officer, except in those cases where a Special Session of the Grand Lodge is to be held. By closely observing this request, a much larger number of Lodges and Districts can be visited at much less expense than otherwise can be, and any beneficial results that may be had by visitations from Grand Lodge Officers will be greatly extended.

Conservation of time, talent, and money will be one of the policies of this administration.

Prompt and Efficient Installation of Officers.

It is my desire that officers of lodges be installed into their respective offices at the first regular meeting of their term, or as soon thereafter as possible. To deprive a Brother of the privilege of assuming the duties of his office at the first meeting of his term is to deprive him not only of the rights guaranteed by the Constitution of our fraternity, but serves also to prevent him from giving to his lodge and to our Order the service he pledges himself to give when being installed into office.

Each Brother who has been favored by being selected as an officer of his lodge should be so deeply interested in the welfare of our Order, and so proud of the position to which he has been elevated, as to prompt him to put forth his best efforts to become fully proficient in the requirements of his office, and he should therefore prepare himself in such manner as to be ready to be installed at the first meeting of the term, in conformity with the laws of our Order.

Loss of Membership From Suspensions.

A careful investigation has revealed the fact that more than ninety per cent of all the members who permit themselves to be dropped from

membership in our Fraternity know but little, if anything, of the obligations of the Degrees, the lessons of life and humanity taught in the charges and lectures of the ritual, or the value of the Unwritten Work of our Order. To stem this outward tide, I suggest that lodges observe more closely the provisions of Paragraph 424, of Article VI, of our Code of 1920. Appoint some Brother of your lodge who is posted in the work and competent to teach and let him be the official poster of candidates. See to it that, before a candidate is permitted to advance in the Degrees, he has a clear understanding of the work he has already received.

A man, having been a member of the Order and dropped out of it, can do the Order more harm than a thousand men who have never entered it and know nothing about it.

Weak Lodges.

It is a fundamental principle of nature that a mother always gives her tenderest attention to her weakest child, and the farmer special shelter to the weaker ones of his flock. I, therefore, in the execution of my duties as Grand Master, will be guided by this Divine provision of nature, and will give special attention and every assistance possible to the weaker lodges of our State. Hence, I most respectfully request the weak lodges of this jurisdiction to write me as soon as possible after receiving this communication, setting forth fully their condition and the cause of their weakness, that they may be assisted in devising plans to remove their unpleasant situation. Let me be your counselor, your comrade, your advisor, and your friend.

In drawing this, my first message to you as Grand Master, to a close, let me deeply impress upon your minds the importance of observing those beautiful sentiments of our Order of which the Three Links are emblematic. This emblem represents the three great principles of our Fraternity, forming the leading motto, Friendship, Love, and Truth. They constitute a chain which binds our membership together in unity and strength. They form a triple cord that cannot well be broken, reminding us that we are linked together for each other's good, and, if this motto is adhered to, will lighten the burdens of life and sweep all obstacles to our advancement like chaff before us.

Sincerely and fraternally yours,

DR. C. A. ROBBINS,

Grand Master.

DEPUTIES OF REBEKAH LODGES APPOINTED BY THE PRESIDENT OF REBEKAH ASSEMBLY.

Being fully convinced of the fact that the management of the Rebekah branch of the Order should be placed, as far as possible, under the control of the officers of the Rebekah State Assembly, accordingly, on Nov. 21, 1920, I caused to be circulated to the Rebekah lodges of this jurisdiction the following letter, delegating to the President of the Rebekah State Assembly the privilege of appointing and commissioning Deputies of Rebekah lodges, and directed Secretaries of Rebekah lodges to send recommendations for Deputies direct to the Secretary of the Rebekah State Assembly.

LETTER TO REBEKAH LODGES.

DIXON, ILL., November 21, 1920.

To Rebekah Lodges, I. O. O. F. of Illinois—Greeting:

DEAR SISTERS—Fully believing that the President of the Rebekah Assembly is competent and qualified to perform any duties that may devolve upon her that may reflect upon the prosperity and welfare of Rebekah lodges, and desiring to obviate any conflictions which may arise in performing the duties as Deputies for Rebekah lodges and those of the District Deputy Grand Masters for Subordinate lodges, I, C. A. Robbins, Grand Master of the Independent Order of Odd Fellows of Illinois, by the power in me vested by the Grand Lodge Constitution, viz.: Article V, Section 1, Code of 1920. Section 64, delegate to the President of the Rebekah State Assembly of Illinois the privilege of appointing and commissioning the Deputies for the Rebekah Lodges in this jurisdiction.

Recommendation for Deputy.

I am inclosing herewith a blank upon which to recommend a Past Noble Grand to be commissioned as Lodge Deputy. I therefore request that Secretaries of Rebekah Lodges, when sending the name of the Sister whom the lodge has recommended for the Lodge Deputy, will kindly forward the name of said Sister to the Secretary of the Rebekah State Assambly, Sister Mae E. Crowell, 1028 Ferguson Street, Rockford, Illinois.

Fraternally yours,

DR. C. A. ROBBINS,

Grand Master.

The soundness of judgment in promulgating the above official act is substantiated in the reports of the President and Secretary of the

Rebekah State Assembly for the present term. In these reports the value of having the affairs of Rebekah lodges more fully under the control of the Officers of the Rebekah State Assembly, thereby giving the Assembly Officers a clearer knowledge of the standing and actual condition of the Rebekah lodges, is clearly set forth, and I recommend that whatever legislation is necessary to make the provisions of this letter a law of the Order will be enacted by this Grand Lodge.

SICK AND WOUNDED SOLDIER MEMBERS.

In conformity with the requirements of a resolution adopted by the Grand Lodge at its last session, calling the attention of the Grand Lodge to a report that "certain of our wounded soldier members are not receiving the highest care in various hospitals, homes, and sanitariums," and in which resolution the Grand Master was directed to appoint a committee to investigate the report, and to administer such relief as the Committee found necessary, I caused to be circulated among the lodges of the State the following communication.

CARE OF SOLDIER MEMBERS.

DIXON, ILL., December 3, 1920.

To the officers and Members of Subordinate Lodges, I. O. O. F. of Illinois:

DEAR BROTHERS—One of the matters brought to my attention at the last session of the Grand Lodge, and which was referred to me by that body for investigation, is the question of the care and attention to our wounded and sick soldier brethren in hospitals, homes, almshouses, and sanitariums. I, C. A. Robbins, Grand Master of the Grand Lodge of Illinois, therefore request that lodges located in the vicinity of hospitals, homes, almshouses, sanitariums, and charitable institutions will immediately upon receipt of this communication appoint a committee to visit the aforesaid institutions, ascertain if there are any sick or wounded soldier members quartered there, and immediately report their condition and names to me that the proper attention and necessary care can be given them.

Very respectfully requested,

DR. C. A. ROBBINS,
Grand Master.

In reply to this communication, many lodges reported, but I am pleased to state that no lodge reported finding any wounded or sick soldier members who were in need of special assistance or attention from the Grand Lodge.

DIPLOMA EXTRAORDINARY.

Having a keen desire to induce officers of Subordinate lodges to qualify themselves in conformity with the laws governing the qualifications of Subordinate lodge officers, I therefore, on December 16, 1920, issued the following letter to lodges, calling attention to the Diploma Extraordinary and the qualifications necessary to obtain it.

DIPLOMA EXTRAORDINARY.

DIXON, ILL., December 16, 1920.

To the Noble and Vice-Grands of Subordinate Lodges, I. O. O. F. of Illinois:

DEAR BROTHERS—I desire to call your attention at this time to the *Diploma Extraordinary*. This diploma is given by the Grand Lodge to Noble Grands and Vice-Grands who qualify themselves in the duties of their respective offices, as a recognition of efficiency and good service, and in conformity with the requirements of the laws of our Order.

In every human heart there dwells a certain degree of pride and self-esteem. It is the love of duty and the interest we take in fulfilling our obligations that prompt us to do good work. The man that loves his work never shirks and never slights his work. The man that has a keen sense of duty will do his utmost to fulfill the requirements of his obligations. This is true of every phase of our existence. Study the annals of history and you will find revealed on every page the truthfulness of this statement. Read the lives of great men and you will find that the biography of the man whom the author loved is always well written. The statue of the man whom the sculptor loved is always well carved. Not a single line of light is omitted and not a single good deed left unrecorded. The literature that remains with us the longest is that which has in it a strong sense of duty and a record of labor well performed. The scientist's, the philosopher's, the historian's work soon pass into the realms of forgetfulness, but the poet, telling his simple tale of love and duty, sings a song that echoes around the world.

This rule holds good with reference to the officers of our Subordinate lodges. They are loved, remembered, and respected in proportion to their efficiency and to their faithfulness to the high duty entrusted to their keeping. If they rule justly, preside efficiently, and fully qualify themselves for the duties they have obligated themselves to perform, they will be remembered, and revered for all time as noble characters of our beloved institution, and their names will be recorded with those who have been specially honored in the history of our great Fraternity.

The *Diploma Extraordinary* is a reproduction of a piece of beautifully engraved art work, 18 by 23 inches in size, given by the Grand Lodge to Brothers as a recognition of their proficiency in the opening and closing ceremonies appertaining to their respective offices, the unwritten work of Subordinate lodges, the Noble Grand's charges in the Initiatory Degree, and their general fitness to preside as Noble Grand over any Subordinate lodge that sees fit to elect them to that important position.

Brothers, what are you going to do about this Diploma? Are you going to avail yourselves of the opportunity of procuring one of these beautiful emblems of proficiency which will cost you nothing, except effort, and which will place your name forever upon the scroll with those who receive honorable mention in the records of our Order, or are you going to let the opportunity pass by unheeded and then slip back into that great sea of oblivion, where all is forgotten, as soon as your term of office expires? It remains for you to decide.

Certificate of Proficiency.

I am enclosing with this letter a Certificate of Proficiency, setting forth the conditions required to obtain the Diploma Extraordinary. The receipt of this Certificate properly filled and attested by the Noble Grand, the Secretary, and the Lodge Deputy, together with the seal of the lodge, will entitle the Noble Grand to a Diploma. This Certificate should be mailed to Grand Secretary John H. Sikes, Springfield, Ill.

Anxiously awaiting the opportunity to sign a diploma for the Noble Grand of every Subordinate Lodge in this jurisdiction, I am,

Sincerely and fraternally yours,

DR. C. A. ROBBINS,
Grand Master.

I believe the issuance of the Diploma by the Grand Lodge is highly beneficial, as any proposition intended to stimulate more efficiency and better work among the officers of Subordinate lodges is a move in the right direction and should be encouraged.

ORPHANS' HOME BAND FUND.

On assuming the duties of the office of Grand Master, one of the first things I determined to do was to bring the Band of the Orphans' Home up to the highest point of efficiency obtainable, with the means at our disposal with which to do it. Knowing that there were no available funds of the Grand Lodge, any part of which could be appropriated to special instruction and equipment of the Band, I issued the following letter of appeal to our members throughout this jurisdiction.

Sister Trees, President of the Rebekah State Assembly, issued a similar letter to the members of the Rebekah Lodges.

LETTER OF APPEAL.

DIXON, ILL., December 16, 1920.

To the Officers and Members of Subordinate Lodges, I. O. O. F., of Illinois:

Orphans' Home Band.

DEAR BROTHER—There is nothing in connection with the work of Odd Fellowship that will thrill the heart of every good Odd Fellow and Rebekah as the consciousness of having done something special for the Orphan's Home Band. And there is no other feature in connection with the work of our Fraternity that will attract the attention and excite the admiration of the general public as the presence in any community of this band. For it is a recorded fact that wherever the Band has appeared in public the people of that vicinity have congregated with hearts and minds filled with admiration to do it honor and to extend homage and hospitality to it.

As a means to an end, it is one of the most potent factors in the growth of our great fraternity, for, indeed, the records shows that, wherever the Band has appeared in public, immediately thereafter every branch of our Order has enjoyed a period of wonderful growth and activity. And we believe that this jurisdiction can do nothing at the present time that will more forcefully place Illinois in the front rank of Odd Fellowship at the next session of the Sovereign Grand Lodge than to take the Orphans' Home Band to Toronto. Therefore, we feel that every member of our Fraternity should be deeply interested in the welfare of the Band and should be ready at all times to support any project intended to elevate its standard and improve the quality of it.

We realize only too vividly that the Band, at the present time, is not up to the standard and does not measure up to our ideas of what the Band ought to be, nor what the Band can be made to be. This condition is not due to a lack of interest on the part of those who manage the Home and Band, nor to an inferior musical talent of the children, but to lack of necessary funds with which to give the children of the Home the necessary musical training and education. No part of the Grand Lodge funds appropriated for the care and maintenance of the Home has been set apart for the benefit of the Band.

With this thought in mind, I most respectfully solicit a voluntary contribution, the proceeds of which are to be used for the purpose of giving the children of the Band proper instruction and to take them to Toronto at the next session of the Sovereign Grand Lodge.

The amount solicited from our membership is, indeed, very small. We have estimated that if each member of our Order in Illinois will contribute ONE CENT, the amount thus collected will be sufficient to train the Band and to take them to Toronto at the next Sovereign Grand Lodge Session.

I therefore request that each lodge place a box in a conspicuous place in the lodge room, in which voluntary contributions can be deposited, and that the box remain in place from January 1 to June 30, 1921; the box then to be opened and the contents contained therein sent to the Grand Secretary, John H. Sikes, Odd Fellows' Building, Springfield, Ill. I also request that the Noble Grand at each meeting call the attention of his lodge members to this box and to the purpose for which the money collected is to be used.

Hoping that this appeal will meet with a responsive chord in the heart of every member of our Order, I am,

Sincerely and fraternally yours,

DR. C. A. ROBBINS,

Grand Master.

While this proposition met with some opposition in certain quarters, yet the wave of approval that greeted it in every section of the State prompted our membership to contribute so liberally that a fund of such proportions was provided as to permit of the employment of the best Band instructor that could be secured anywhere; to provide new uniforms for the Band; to put the Band instruments in first class condition, and to provide a trip to the Sovereign Grand Lodge at Toronto, Canada, and return. So wonderful has been the improvement of the Band that it has become a feature of admiration wherever it has appeared, and so great has been the applause that it has caused the hearts of the contributors to this fund to swell with rejoicing because of having been a party to this splendid work.

THE SUBJECT OF THE USE OF FOREIGN LANGUAGES IN LODGE WORK.

Through complaints coming from various sources, my attention having been called to the use of FOREIGN LANGUAGES in lodge work by some of the lodges in this jurisdiction, I was prompted to issue the following warning:

LETTER OF WARNING.

DIXON, ILL., January 19, 1921.

Change of Language.

DEAR SISTERS AND BROTHERS—This communication is for the purpose of giving you formal notice that the time limit in which lodges

should conduct lodge business in foreign languages expired December 31, 1920.

Any lodge conducting any part of lodge business on the continent of North America after said date, in a foreign language, does so in violation of the law of the Sovereign Grand Lodge.

As Grand Master of the Grand Lodge of Illinois, it becomes my duty to see that this law is enforced.

A large number of the lodges which formerly conducted the business of the lodge in foreign language have ceased doing so and are cheerfully complying with the law. These lodges have my deepest sympathy; my most profound respect and admiration for their fidelity to the principles of Odd Fellowship, and I desire to assure them that I am ready at all times to assist them in the work of our Fraternity.

But there are some lodges and some members who have openly and wilfully violated this law and have even challenged the Grand Lodge and the Sovereign Grand Lodge to undertake to enforce it. To these lodges and members I desire to say that the law must and will be enforced, and that any lodge or member violating this law after this date, upon sufficient evidence being submitted, will be dealt with to the fullest extent of our law as prescribed by the regulations of our Order for such violations.

I most sincerely hope that the hearts of our beloved members of lodges of foreign languages will have been so touched with the love of home; the love of country; the love of obedience and fidelity to their obligations, and of obedience to law and order, that they will cheerfully join with us in obeying this law, however distasteful and unjust it may seem to be. But the law must and will be enforced.

With best wishes to all, I am,

Sincerely and fraternally yours,

DR. C. A. ROBBINS,

Grand Mas'ter.

The warning set forth in this letter having not been heeded by some of the Foreign Language lodges, I issued the following document, in blank form, a copy of which was sent to each lodge violating the law, together with the following letter:

DOCUMENT, FORM OF SUSPENSION.

DIXON, ILL., March 11, 1921.

WHEREAS, As the Sovereign Grand Lodge of the Independent Order of Odd Fellows at its Annual Session, held at St. Louis, Mo., in the month of September, 1918, adopted the following amendment to the laws of the Sovereign Grand Lodge, to-wit:

Mr C. A. Robbins

Grand Representative,
Dixon, Ill.

Amendment.

"Section 373A. The language in which Subordinate Bodies may work. No Grand Body shall hereafter authorize any Subordinate or Rebekah lodge or any Subordinate Encampment on the Continent of North America to work in any other than the English Language."

"On or before June 30, 1919, all Subordinate and Rebekah lodges and all Subordinate Encampments on the Continent of North America, working in any other than the English language, shall surrender their rituals in exchange for rituals printed in the English language (which shall be furnished by the Sovereign Grand Lodge without charge), and after December 31, 1920, all the work and business of such lodges and Encampments shall be conducted in the English language."

AND, WHEREAS, As the Grand Sire, pursuant to a recommendation of the Committee on the State of the Order, presented at the regular session of the Sovereign Grand Lodge held at Baltimore, Maryland, in September, A. D., 1919, would extend the time for fulfillment of the requirements of said Section 373A, to January 1st, 1920; and under certain conditions, where lodges had endeavored to comply with said conditions in said Section 373A, the time might be extended to January 1st, 1921.

AND, WHEREAS, As Lodge No. now located in the City of, County of and State of Illinois, said Lodge being in the Grand Jurisdiction of Illinois, has continuously, persistently, wilfully, and intentionally violated the provisions of the said Section 373A of the laws of the Sovereign Grand Lodge;

AND, WHEREAS, As said Lodge No. I. O. O. F., after having been given due notice by the Grand Master in writing, to refrain from the use of a foreign language in the transaction of lodge business and ritualistic ceremonies, did continue the use of foreign language in lodge work;

AND, WHEREAS, As said Lodge No., after having been notified by a Special Deputy of the Grand Master, said notice having been delivered in person by the Special Deputy, to desist from the use of a foreign language in the transaction of lodge business, did persist in the use of said language in all lodge work and ritualistic instructions and ceremonies;

AND, WHEREAS, As said Lodge No. has continued to refuse and still refuses to obey the requirements and provisions of the said Section 373A, of the laws of the Sovereign Grand Lodge, and, also, the mandates of the Grand Master;

Now, Therefore, I, Dr. C. A. Robbins, Grand Master of the Grand Lodge of the Jurisdiction of Illinois, do hereby, by virtue of the power and authority in me vested, proclaim and declare the said Lodge No., located in the Grand Jurisdiction of Illinois, and each and every member thereof, suspended from membership in the

Independent Order of Odd Fellows, and enjoin them from participating in the privileges and benefits of the Order, as provided for and stipulated in Section 590, Merrill's Code of I. O. O. F. laws of the year 1906.

DR. C. A. ROBBINS,

Grand Master.

LETTER ACCOMPANYING DOCUMENT OF SUSPENSION.

Office of
DR. C. A. ROBBINS,
Grand Master.

DIXON, ILL., March 12, 1921.

Officers and Members of Lodge No., I. O. O. F.:

DEAR BROTHERS—At some future time, the date not decided on, I will either make a personal visit to your lodge, or will send a Special Deputy to visit the lodge for me, and, if your lodge is not then obeying the law governing the use of a foreign language in lodge work, the provisions of the accompanying document will be rigidly enforced.

Hoping that you will take due consideration of the contents of this letter and govern yourselves accordingly, I am,

Sincerely and fraternally yours,

DR. C. A. ROBBINS,

Grand Master.

TERMINATION OF OFFICE OF DISTRICT DEPUTY.

Because District Deputy Grand Masters of some Districts refused to abide by the action of a majority of the lodges in their district, refusing to surrender their office to their successor selected by a vote of a majority of the lodges in the district, I found it necessary to issue the following letter:

DIXON, ILL., January 22, 1921.

To the Officers and Members of Subordinate Lodges I. O. O. F. of Illinois:

District Deputies.

DEAR BROTHERS—In my letter to lodges, dated November 21, 1920, I requested lodges of districts, immediately upon receipt of that letter, to select by vote of the lodges of the district some Brother to be recommended to me to be appointed as District Deputy Grand Master of his respective district. Quite a number of lodges have responded to that request. Some have not, and I most earnestly request that they do so without further delay.

There seems to be some misunderstanding on the part of some Brothers holding commissions as District Deputy Grand Masters as to the length of the term of office and when their commission expires. They seem to think that their term of office is indeterminate and that their commission holds in force until revoked. Such is an erroneous understanding of the intention of the laws of our Order.

The term of office of a District Deputy Grand Master expires one year from December first succeeding his appointment.

The Grand Master, at his discretion, may at any time remove any District Deputy or revoke his commission. In order that there may be no further misunderstanding as to the length of term of office, or when the commission of any District Deputy expires, I now declare vacant the office of every District Deputy Grand Master except that office of those District Deputies who have been recommended by the majority of the lodges of their district and have been commissioned by me since my term of office as Grand Master.

District Deputy Grand Masters will be appointed only upon the recommendation of the majority of the lodges of their district.

I desire now to have it understood that I have no preference as to who shall serve as District Deputies. My aim and object is to have the lodges satisfied with the Deputy of their district. This condition can be brought about by having lodges select their own District Deputy Grand Masters.

District Organization.

I believe most sincerely in the efficiency of district organization. No great business enterprise ever reached ultimate success until it had been thoroughly organized in every department. Our Order can never fulfill, and never will fulfill that high mission its founders designed for it, until it shall have been fully organized so that a unity of feeling and a concert of action shall have been obtained. There is no other factor in connection with the work of our Order, which will more effectively assist in bringing about a unity of feeling among our membership than district organization.

Individual effort, combined with universal action, is the motor force in the ultimate success in every enterprise, and in order that we may bring to our fraternity the success for which we crave I sincerely hope and urge that the brotherhood of every district will resolve itself into a district organization.

I have no special plan to submit for your consideration by which your district shall be organized. I take it for granted that the membership of each community is sufficiently intelligent to formulate a plan of organization best suited to their own special needs. If you

desire to adopt plans of organization already formulated, I have no objections. Also, if you desire to organize on plans of your own invention, well and good, and you can rest assured that the Grand Lodge is ready at all times to lend you any assistance which in its power it is possible to give in order to make your organization a success.

It brings to me at this time unbounded pleasure to be able to report that several districts have recently completed their organization in which all previous efforts to organize had failed of success. This, indeed, is gratifying and should serve as an incentive to other districts impelling them to push forward with greater efforts to better work.

From one district recently organized, reports are coming in from various sources telling of the splendid work being done by the lodges of this newly formed district. Less than ten days old, its first meeting will be held on January 26th, at which time a large class of Brothers will gather from every part of the district and be instructed in the mysteries of the first degree. This has been accomplished only by district organization and has served to awaken the interest for our Order slumbering in the minds of our Brothers, and has fanned it into a burning flame of enthusiasm for Odd Fellowship, and we expect to see great things accomplished in that district before the year is over.

I hope that the splendid report of the work done by this newly organized district will be an incentive which will impel all unorganized districts to immediate action.

Sincerely and fraternally yours,

DR. C. A. ROBBINS,

Grand Master.

SPURIOUS RITUALS.

In every age there have been unprincipled men and organizations of unprincipled men whose obnoxious work has made it necessary for honest and legitimate institutions to inaugurate vigorous proceedings against the nefarious machinations of the unprincipled combines, that their rights and interests might be protected. Our Order, like all other fraternities, has, from time to time, been the prey of these unprincipled bodies of men.

Early in my term of office as Grand Master, there appeared in circulation certain pamphlets, bearing the name of Charles Simcoe & Co., of Cincinnati, Ohio, advertising for sale a book claimed to be a true copy of the Ritual of our Order. So profuse became the distribution of these circulars among our members that I felt impelled to issue the following letter of warning as a protection of the good name and best interests of our fraternity:

LETTER OF WARNING.

DIXON, ILL., February 11, 1921.

DEAR BROTHERS—My attention has just been called to a circular which is being sent out to lodges, published by a firm bearing the name of Charles Simcoe & Co., of Cincinnati, Ohio, advertising for sale a book purporting to be a true copy of the ritual of our Order.

To have one of these books in one's possession, or to offer it for sale, is a direct violation of the principles of our Order as well as of its laws, and any Brother, so having one, lays himself liable to prosecution and expulsion for such violation.

But I believe that it will not be necessary to resort to law enforcement in order to stop the distribution of this book. I feel that the high sense of honor dwelling in the bosom of our entire membership is so clean in character that all it will be necessary to do in order to stop its circulation will be to call the attention of our brethren to the baseness of the contemptible scamps who will so stultify their characters, for a dollar, as to be guilty of an act of this nature.

I cannot condemn too vigorously the persons who would stoop so low, and be so devoid of principle, and value their allegiance to our Fraternity so little, as to permit themselves to be a party to a crime against our Order of so grave a nature as to assist in the distribution of these books.

Without honor, Odd Fellowship is but a mockery, "For we can be Odd Fellows only while we act like honest men."

Having full confidence in the honor and integrity of the members of our Fraternity, I am,

Sincerely and fraternally yours,

DR. C. A. ROBBINS,
Grand Master.

It seems to me that it is about time that secret fraternal organizations should combine in circulating propaganda intended to make the offer of sale of purported true copies of Rituals of secret fraternities so unpopular that the nefarious practice would soon cease.

MIDWINTER LETTER.

DIXON, ILL., February 21, 1921.

To the Officers and Members of Subordinate Lodges, I. O. O. F.:

DEAR BROTHERS—We are now entering upon another period of this year's work of our Order, and let us make it the best period in all its history.

This can be accomplished only by bringing into action our most energetic efforts in the interest of our Fraternity, and in making our

lodge work and degree work just a little better than it has ever been before. In order to do this, it will be necessary for lodges to hold meetings either in their own lodge rooms or in conjunction with other lodges, at which time the beautiful lessons of humanity, taught in the ritualistic instructions of our Order, can be considered and explained. I, therefore, request lodges to immediately make arrangements for holding such meetings, and on such dates as will best suit their own convenience.

Now, Brothers, let us enter into this work with a zeal that knows no abatement. Let us weary not by the wayside in our labors until every home in all the land shall have been penetrated and blessed by the beautiful teachings of our Order. Let us pause, for a moment, in our mad rush for the possession of worldly things and consider what a grand old world this would be to live in if every man was an Odd Fellow and every woman was a Rebekah in spirit and in truth, as well as in membership. What a change would be wrought, and how amazing it would be if, by the wielding of some magic wand, the whole world would be suddenly imbued by the principles we inculcate. First of all, wars and rumors of wars would cease and ships of destruction now ploughing the seas would then become transformed into messengers of mercy to other lands. Heartstrings now twanging with pangs of suffering would then tremble with songs of love and charity, bringing to every cheek a flood of sunshine to cheer the world. Wrong and sin would die, and hearts now cold and dead with selfishness would throb with a bubbling spirit of good cheer for the suffering and distressed.

To make this picture a reality is the mission of our Fraternity. To fulfill this mission is the object of our labor. I, therefore, as Grand Master, appeal to the finer sentiments of brotherhood, dwelling in the hearts of our entire membership, to exercise every laudable effort to promulgate the interest of our Order. Talk about it, sing about it, in the lodge room and out of it; in the home, on the street, everywhere. Then, like the shepherd lad who played the harp among the hills, and set in motion a wave of melody that encircled the globe with a song of friendship, may we set in motion a wave of enthusiasm in the interest of our Order, which will sweep on and on, like the shepherd lad's song, until one law, one interest, and one sympathy will bring the whole world into one universal brotherhood, for the welfare of all mankind.

I hope our entire membership will catch the spirit of this letter and go to work for the interest of Odd Fellowship.

Sincerely and fraternally yours,

DR. C. A. ROBBINS,

Grand Master.

ANNIVERSARY PROCLAMATION.

Following a precedent long since established by our Order, and desiring to call the attention of our membership once more to that glorious day when Odd Fellowship had its birth, I issued the following Anniversary Proclamation:

1819—Anniversary Proclamation—1921.

DIXON, ILL., March 14, 1921.

Officers and Members of Subordinate and Rebekah Lodges of Illinois:

DEAR SISTERS AND BROTHERS—One hundred and two years ago this coming April 26th, the founders of our Order brought to this country a new Fraternity, conceived in friendship and dedicated to the principles of charity, love, and peace. Little did those noble patriarchs of our Order know how well they were building nor how long their institution would continue to endure. Little did they realize that the trembling heart-strings of man when once tuned aright would find a responsive chord vibrating in the bosoms of other men for the good of all mankind. Yet they struggled on, having an abiding faith in Him from whom all our strength is derived, faltering not in their labors until ultimate success to them seemed secure. Humble men as they were in the affairs of life they drew their inspiration from the great soul of goodness that breathes into all the spirit of the Fatherhood of God and the Brotherhood of man.

Fortified by these great principles of humanity, they laid the foundation of this Brotherhood upon the solid rock of universal justice and gave to it as the guiding hand the teachings of the Golden Rule. They felt that in each trying hour man needed the consolation of his fellowman. They knew that wealth, pomp, and glory was not what man wanted when in the agonies of death he stretched out his hand for the touch of a brother's love, but sympathy, warm human sympathy is what he wanted in all his trying hours. They knew that misfortune might strip him of his hands; that wind, storm, and drought might destroy his harvest; that devouring flames might consume his home; yet, if love remained, if that warm sympathy which breathes into the soul of every good man a desire to share the burdens of his fellow pilgrims on earth remained, he could defy misfortune. They felt the sweetness of men's lives. They heard the moans of the suffering and the cry of the heartbroken. They knew the joys and the sorrows of the child, saw through his tears bigger and brighter hopes of life and, out of all this, they moulded our great Fraternity. Then as these noble patriarchs of our Order drifted down the stream of life which flows from the cradle to the grave, they gathered from its shores the precious jewels of Friendship, Love, and Truth, and out

of that great sea of trouble, across which every soul must pass to worlds unknown, they gathered those beautiful gems, Faith, Hope, and Charity, and bound them all together with the chain of three links as the emblem of our Order. Thus in order that we may not become unmindful of the good work accomplished by this great institution, the object of which is to relieve the wants of the needy, to soothe and comfort the distressed and the afflicted, to instill into the minds of all those who may be associated with us in this work of ours the principles of virtue and sound morality, and in order that we may rejoice with thanksgiving because of the rich blessings that have come to us through our membership in this great Fraternity, it is indeed fitting that we should celebrate with rejoicing this one hundred and second anniversary of the Order of Odd Fellowship.

Therefore, I, Dr. C. A. Robbins, Grand Master of the Jurisdiction of Illinois, by the power and authority in me vested and pursuant to a proclamation issued by the Grand Sire November 8, 1920, do hereby request that all Subordinate and Rebekah Lodges of this Jurisdiction set apart April 26, 1921, or some time near this date convenient to their own membership, upon which to observe with suitable exercises this natal day of our Fraternity.

And, in our celebration, let us bear in mind the great tragedies of earth, the needs of the orphan and the aged, the sick, the suffering, the afflicted and those in distress, and also let us pause long enough to return thanks to Him from whom all our blessings are derived and to whom we must look for strength to accomplish our missions on earth.

In issuing this proclamation, I hereby grant to all Subordinate and Rebekah Lodges a dispensation to wear in public the regalia of our Order during the ceremonies of the celebration.

Done at Dixon, Illinois, this tenth day of March, One Thousand Nine Hundred and Twenty-one, and in the One Hundred and Second year of our Fraternity.

Sincerely and fraternally yours,

DR. C. A. ROBBINS,

Grand Master.

ANNIVERSARY LETTER.

Being desirous of again calling the attention of our Brethren to those beautiful and sacred sentiments of friendship, which are the basic principles of Odd Fellowship, and which were designed by Him who is the author of that infinite love which set our hearts throbbing with a longing for those rich blessings which come to us with Fraternity, and to that harmony which is everywhere manifested in all those created things which the Hand of Divinity has so bounteously placed

everywhere about us for comfort, edification, and enjoyment, I saw fit to issue the following anniversary letter:

DIXON, ILL., April 26, 1921.

Officers and Members of Subordinate Lodges of Illinois. I. O. O. F.:

DEAR BROTHERS—The one hundred and second year of our Order has passed into history and the time has arrived when it behooves us to consecrate ourselves anew in the work of Odd Fellowship.

Fitting, indeed, it is, that the birth of this Order should be in this season of the year when all nature seems aglow with beauty, and when the world everywhere seems mantled in a blaze of new light and glory. The budding trees, the blooming flowers, and pastures freshly grown with grasses green, tell us of a new life, new activities which, as a lesson, we may apply to ourselves in the work of our Order, as members of this great Fraternity.

How beautiful is this season of the year and what useful lessons of light, love, and harmony it brings to our minds. We look about us and first of all we see manifested everywhere that harmony which should be the harmony exemplified and practiced daily among our members.

Go with me, if you will, into the forest where can be seen the plum and crab trees growing side by side in perfect peace, teeming full with millions upon millions of blossoms. The scientist tells us that no two blossoms on these trees are alike, yet there is no discord here, each blossom sends out its own beauty to please the eye; pours out its own fragrance to perfume the air, and splits the bud from which it comes that fruit may be borne therefrom. What a beautiful lesson of peace and harmony we see manifested here, and what a blessing it would be if we could learn to practice it in all our relations in life. No one ever saw the wild crab hurl its sour fruitage at the sweet plum. No one ever saw the plum tree shake down its sweet blossoms to smother the violets that grew underneath it. Instead, it shelters and protects them from burning sunbeams and withering winds. What an inspiring scene is this! There is no discord here. All is perfect harmony. This, my Brothers, is the fraternity of the natural world. Now, go with me to the lodge room on any lodge night. Behold the scene depicted there. Here comes our membership from every walk of life: the farmer from the sowing and reaping; the blacksmith from his anvil and forge; the educator from his hall of learning; the minister from his house of consolation; the lawyer and the judge from the hall of justice, and men from every walk and station of life, harmoniously mingling as one happy family, with but one thought in mind, one object in view, with but one purpose to accomplish. But do we find prevailing here at all times that harmony which is so beautifully ex-

emplified everywhere, and which is so vividly manifested to us as we learn to understand the workings of the natural laws by which we are surrounded? It is well that we should seriously ponder over this thought as we consecrate ourselves anew in the work of our Order for the coming year. True it is, that discord may sometimes come within our ranks, but, if it does, it will not be because of the teachings of our Fraternity or because of the principles upon which this Order is founded. Selfishness is the great disturbing power in the hearts of inconsiderate men. Cleanse the heart of selfishness and the principles of brotherhood will shimmer down through the shadows of life like sunbeams gleaming through the shades of night and will light up the whole world with the beneficent influence of love and fraternity.

We love the principles of our Order. We love them because they were designed by Him who is the creator of all things; because they were taught by Him who gave up His life that men might be free and see the hidden spring of things, and because Nature, everywhere, in her marvelous work presents them to our view.

Hoping that this message will lead you into a more thoughtful investigation of the principles of Odd Fellowship, and stir you into a more energetic participation in the work of our Order, I am,

Sincerely and fraternally yours,

DR. C. A. ROBBINS,

Grand Master.

MEMORIAL PROCLAMATION.

Have not all past human being parted, and must not all the present, some day, part?

To leave this life is as natural as to come into it. Why not rejoice on one occasion as much as on the other? It is because men see only their bodies, that they love life and hate death. Man, through his association with living things, has been enabled to foretell in the bud the ripened fruits in store for him when harvest time sets in, but no man, gifted as he may be in this life, can look beyond the mysteries of the grave and foretell what treasures are in store for him after death. Because of this inability to foretell the future, man's mind is filled with doubt and he is caused to mourn when loved ones are taken from him. And, until this great mystery of life and death can be solved, it, indeed, will be fitting for men to set aside one day of the year to pay homage to their honored dead. Therefore, in accordance with this thought, and in conformity with a long established custom of this Order, I issued the following Memorial Proclamation:

Memorial Proclamation.

DIXON, ILL., May 16, 1921.

Officers and Members of Subordinate and Rebekah Lodges, I. O. O. F.:

DEAR SISTERS AND BROTHERS—Another epoch in the history of our Order has arrived when it fittingly becomes us to pay homage to those of our Sisters and Brothers who have crossed the silent river of death and are now reposing in their eternal sleep; to live again in memory the associations of those who, in life, were so near and dear to our hearts; to feel again, in memory, the warm hand grasps that thrilled us with emotion; to hear again, in memory, those voices of sympathy that cheered us and soothed us in the hours of despair and desperation. Old memories! How sweet is the faculty thereof! Through its process the soul grows rich in sympathy and friendship because man, in his passing through the sepulchral gate, takes not with him his garnished treasures of love and kindness, but leaves his golden sheaves behind.

Looking backward to the early dawning of history, we come to a period when man stood forth as a wilderness savage. His house was a hollow log or a cave in the rock. His clothes were the skins of wild animals. His food consisted of roots and berries. But today, through the process of memory, he is surrounded by palatial homes, books and pictures, by spinning wheels, flying ships, and countless things of beauty. Now, yesterday's generation was the friend that gave man his rich treasures of today. Tomorrow's generation will rejoice in the things we shall leave behind when we shall have passed away. But man is prone to grieve when those he loves are taken from him and placed beyond his reach. Unconsciously he stands on the threshold of that gateway that leads to the dark mystery of the grave and dreams of the loved ones who have silently passed through the gate to worlds unknown. There he stands and watches and waits for the time to come when the Divine mind will illumine that pathway with the light of friendship and love so that he may safely cross to dwell with those who have gone before. But, happy is the man who can stand at the open gate of eternity and recall the associations of his departed brethren as the sleeper recalls the dreams of his childhood, when he dreamed he was wandering along some beautiful stream, beset on either side with shrubs and flowers, that led him directly into his youthful paradise. Happy, too, is the man who can see in each faded flower, each drooping rose, each faded leaf, each withered stem, some beauty that will lead him into a better understanding of Divine law and will fill his soul with the rejoicing of nature's goodness. Thrice happy is the man who can feel that his departed brethren are the almoners of that Infinite love which sets his heart throbbing with a surging tide, and fills his soul with a longing for that Kingdom of eternal happiness from which

we know of no departing. To recall the names of our departed brethren serves to recall some hallway thickly hung with noble pictures of the past, some kindly deed, some sympathetic word, the touch of some helping hand that acted like balms of medicine to the sick or words of consolation to the aching heart.

Perhaps some of the things most precious in life do perish and pass away. Thus the melody, trembling on the string long after the song has been sung, sinks away into silence. The light, lingering in the clouds long after the day is done, dies out into darkness, and the sunny smile and cheerful glee of youth fades away into the wrinkled brow and tottering steps of old age, but memory, unconsciously immortal, gathers up the rich treasures, stores them away in nature's granary and carries them forward as music for tomorrow's melody; as color for tomorrow's painting; as food for tomorrow's thought; and, in order that we may rejoice in the rich blessings that come to us from those of our brethren who have passed away, it is indeed fitting that we should gather each year on some stated occasion and pay homage to our illustrious dead and go forth with garlands to cover their graves with sweet and lasting tokens of our love and esteem.

Therefore, I, Dr. C. A. Robbins, Grand Master of the Grand Lodge of the Jurisdiction of Illinois, pursuant to a proclamation issued by the Grand Sire, April 5, 1921, by virtue of the power and authority in me vested and in memory of our departed Brothers and Sisters, do hereby proclaim June 14, 1921, as the Memorial Day of our Order, and sincerely urge all Subordinate and Rebekah Lodges to meet on that date, or on some other date most convenient to their membership, and participate in suitable exercises in honor of our dead.

This proclamation embraces a dispensation to wear the regalia of our Order during all Memorial ceremonies.

Done at Dixon, Ill., this 14th day of May, in the year of our Lord Nineteen Hundred Twenty-one, and in the One Hundred and Third year of our Order.

Sincerely and fraternally yours,

DR. C. A. ROBBINS,

Grand Master.

P. S.—I suggest that this proclamation be read at your Memorial services.

A LETTER OF APPEAL TO WEAK LODGES.

A chain is no stronger than its weakest link, is an axiom old and true. Likewise, an institution is no stronger than the weakest feature in connection with it. With this thought in mind, and having a burning desire to strengthen our Order in this Jurisdiction as much as possible, and hoping that by some means our entire membership might be

stimulated into a more vigorous action for the good of our Fraternity, I sent out the following letter of appeal with the hope that the dormant fires of interest in some of our weak lodges might be fanned into burning flames of enthusiasm that would fire our entire Order and stimulate it into doing better work.

Weak Lodges.

DIXON, ILL., July 12, 1921.

To the Officers and Members of Subordinate Lodges of Illinois:

DEAR BROTHERS—What do we understand by the term, "Weak Lodges?" If we refer to the dictionary for the meaning of the term, "weak," we will find that word defined as being without energy or vigor; inactive or wanting in force. A lodge, therefore, to be weak must be inactive, must be without energy, must be wanting in force.

The size of a lodge, or the number of members it may have, does not determine its strength. It may have three or four hundred members, or maybe more, yet if it is inactive or wanting in energy it must be classed as a weak lodge. On the other hand, a lodge may have but fifty or a hundred members, or even a less number, yet it may be classed as a strong lodge because of its energy and activity. To which of these classes does your lodge belong? You can determine this by referring to the last year's record of your lodge.

It may be of interest to you to know that the records of the Grand Lodge for the year 1920 reveal the fact that twenty per cent, or thereabout, of all the lodges of the State show a net loss in membership for that year. It is my desire that this condition shall not exist for the year 1921. This can be avoided only by the hearty and zealous cooperation of every lodge and of every good Brother in the State in the work of rejuvenation which lies before us.

We must not forget that one of the fundamental elements of Odd Fellowship is based upon the principle that "the strong shall support the weak." Therefore, my brethren, if your lodge is weak, inactive, and without energy, inform the Grand Master of the fact, that he may assist you in doing better work. On the other hand, if your lodge is strong and full of energy, and there is a weak lodge near you, remember the solemn admonition you have received to support the weak, and get busy and assist that struggling lodge to obtain a vigorous action.

The Grand Master and every Grand Lodge Officer will support you in whatever action you may take along this line.

Social entertainment is a very prominent characteristic of the present day American citizen. This is a fact that cannot be ignored and must be considered when dealing with the proposition of weak lodges. Men feel that they must be entertained and they are willing to

seek that entertainment wherever it may be found, and, if our Order will not supply the entertainment that men want, they will drift into those channels that will supply it. We must, therefore, supply a certain amount of the right kind of entertainment for our members if we would have our lodges prosper and flourish.

A very important feature is revealed in the records of our Order for the year 1920, which may have some bearing on the question of weak lodges, in the fact that quite a large proportion of those lodges which show a loss of membership for last year do not have a Rebekah Lodge working in conjunction with them.

As social entertainment is one of the special features of the work of the Rebekah branch of our Order, I suggest that all Subordinate lodges that do not have a Rebekah lodge as an adjunct to them will immediately proceed to have one instituted to assist them in the great work of love and charity in which our Order is now engaged. One of the best assets that any Subordinate lodge can have, which will assist in assuring its prosperity, is a good live Rebekah lodge working in harmony with it. Support your Rebekah lodge, my brothers, by your membership and good will and thus support one of the strongest features of our Fraternity and thus assist in building up weak lodges.

With best wishes for your prosperity and success, I am,

Sincerely and fraternally yours,

DR. C. A. ROBBINS,

Grand Master.

LETTER OF INFORMATION.

Because of a large number of inquiries having come to me, asking for information pertaining to special train service to Toronto, Canada, to attend this year's session of the Sovereign Grand Lodge, I decided to issue the following letter of information:

VISITATION TO THE SOVEREIGN GRAND LODGE,

Toronto, Canada.

September 19-25, 1921.

To the Officers and Members of Subordinate and Rebekah Lodges, I. O. O. F. of Illinois:

DEAR SISTERS AND BROTHERS—It has been definitely settled that the special train which will convey the Orphans' Home Band to Toronto to attend the Sovereign Grand Lodge this year will leave the Chicago Station of the Michigan Central-Canadian Pacific Railroads at 5:20 P. M., Federal time, September 16, 1921.

It is our desire to make this journey to the "Queen City" of our neighbor nation the most delightful and pleasant of any journey ever made in attendance of any session of the Sovereign Grand Lodge.

Your generosity has made it possible for the Orphans' Home Band, the pride of every member of our Order in Illinois, to attend the Sovereign Grand Lodge this year, and we hope that your interest in the Band will prompt you to support it by your presence on this journey to the "Queen" Canadian city.

It is requested that all those who desire to take advantage of the special train service to Toronto on September 16th will report immediately to Brother A. B. Chadwick, 104 Wesley Avenue, Oak Park, Illinois, in order that the railroad company may have time to provide sufficient transportation service and that ample Pullman accommodations may be supplied. The fare, for the round trip from Chicago, will be \$30.00 plus Pullman service.

As the value of American money exceeds that of Canadian money, sometimes to the extent of 20 per cent, I suggest that members of our Order, intending to make this trip, purchase a sufficient amount of Canadian exchange to last them while in the Canadian domain, as the difference in value of the money of the two countries will make quite a saving in the money expended. Your banker will secure the exchange for you or tell you how you can obtain it.

Hoping that I may have the pleasure of meeting the largest delegation that ever attended the Sovereign Grand Lodge from Illinois, I am,

Sincerely and fraternally yours,

DR. C. A. ROBBINS,

Grand Master.

REBEKAH ANNIVERSARY PROCLAMATION.

How beautiful and great is the character of woman and how tender is her sentiment!

Man, through his handiwork, may harness the turbulent waters of the seas for doing his bidding. He may level barren mountains and turn them into fertile fields. He may shake his fist at the night, and out of the darkness bring creatures of steel for doing his bidding. But, while the hand of man is great to do these things, the hand of woman is greater, because it is trained to comfort and to heal. If the hand of man, through its masterful genius, is magical with accomplishment, the small, lily-white hand of woman hath even greater magic, because it soothes and blesses ever. With one stroke of her palm she dries the tears of the child and gives smiles for sobs. And with one touch of her hand she transforms the hard bed of sickness

into flossy down and changes the moans of suffering into pleasant dreams.

If man, through his strength, procures the food, it is woman, through her tenderness, who leads the babe along a pathway strewn with roses and it is she who makes shining and beautiful the gate through which the soul must pass to worlds unknown. If it is man who makes the world big, it is woman who makes it beautiful. If man, through his prowess, makes the nation, it is woman, through her gentleness, who does more, for it is she who makes the home.

Recognizing these noble faculties in the nature of woman, the Odd Fellows' Fraternity decided to embody them in the works of Odd Fellowship and, accordingly, in the year 1851 instituted the Rebekah Degree. Therefore, in order that this very important event in the history of our Order may be kept bright in the minds of our membership, it behooves us to celebrate the natal day of the Rebekah Degree, hence, this Anniversary Proclamation.

DIXON, ILL., August 26, 1921.

1851—Rebekah Anniversary Proclamation—1921

To the Officers and Members of Rebekah Lodges, I. O. O. F. of Illinois:

DEAR SISTERS—Nearly three-quarters of a century ago the Odd Fellows' Fraternity recognized the fact that woman should have a place in the fraternal work of society, where she might exercise, unhampered, the noble and tender sentiments of her nature. Accordingly, on September 21, 1851, the great Order of Odd Fellows emancipated woman from the shackles of prejudice with which, for centuries, she had been bound, and, by proper legislation, made the Rebekah Degree a possibility, thus placing woman in that sphere of active life in which she rightfully belonged. From that time on until the present day she has been a very important factor in the charitable and benevolent work of the world, and society, everywhere, has been benefited, purified, and elevated by her work and by the full and free exercise of those beautiful and sacred sentiments of virtue, charity, tenderness, and love which are a manifested part of her nature.

In order that we may appropriately commemorate this very important event—an event not only important in the history of Odd Fellowship, but in the world's history also—it behooves us to set aside one day of the year upon which we may meet and fittingly celebrate with rejoicing the natal day of the Rebekah Degree of Odd Fellowship.

Now, therefore, I, Dr. C. A. Robbins, Grand Master of the Grand Lodge of Odd Fellows, Jurisdiction of Illinois, by virtue of the power and authority in me vested, and pursuant to a proclamation issued by the Grand Sire, do hereby send forth this proclamation, proclaiming

the twentieth day of September, 1921, as Anniversary Day of the Rebekah Degree, and call upon all members of the Order to observe this day, or some other day near this most suitable to their convenience, with suitable exercises in commemoration of the birth of this most beautiful degree of Rebekah Odd Fellowship, which, by its work, has been of such inestimable value to society and to the world.

This proclamation bears with it the privilege of wearing the regalia of the Order during all Anniversary exercises.

Done at Dixon, Illinois, this 26th day of August, 1921, and the seventieth year of the Rebekah Degree.

Sincerely and fraternally yours,

DR. C. A. ROBBINS,

Grand Master.

MIDSUMMER LETTER.

Being desirous of stimulating the lagging spirit of our membership into a more vigorous action in the interest of Odd Fellowship, I issued the following midsummer letter:

Let Us Press On.

DIXON, ILL., August 31, 1921.

To the Officers and Members of Subordinate Lodges. I. O. O. F. of Illinois:

DEAR BROTHERS—"In the Time of Peace Prepare for War" is the slogan of the hour. This slogan, rightly interpreted when applied to our Order, means that during the hot, sluggish hours of summer we should make ready for a strenuous campaign in the interest of Odd Fellowship when the cool and refreshing days of fall set in.

With this thought in mind, I desire to call your attention to the fact that the torrid season is about over: that the cool days of fall will soon be here, and that it is sincerely hoped that you will lay aside that torpid feeling, which came with the hot hours of summer, and apply the spirit of the fall season to your work in the interest of our Fraternity, so that you may bring in a rich harvest of members for the good of your lodge and for the benefit of our Order, as we feel there has never been a time in the history of the world when the principles of Odd Fellowship were needed in society and the affairs of life as they are needed now. With six millions of our people out of employment; with the industrial enterprises of our country completely paralyzed or operating at low ebb of business tide; with the product of farm and field selling for less than the cost of production, and with living expenses running at high tide and ever increasing, it makes it imperative that the warp and woof of every branch of society should not only

be penetrated with the principles of Odd Fellowship, but that we should practice more fully than ever before those sentiments of friendship manifested in the lives of Jonathan and David, and live more closely to the fulfillment of those principles of brotherly love taught by the good Samaritan in that famous drama enacted on that Jericho road so long ago. And in order that poor, frail humanity may be relieved from the pangs of suffering and distress incident to human life, it is necessary that the hearts of men, the world over, be imbued with the principles of Brotherhood.

Therefore, my Brethren, it is to our interest and to the interest of the world at large that the millions upon millions of good men who are not members of our Fraternity should receive the great lesson of humanity, friendship, and love taught at the altars of Odd Fellowship. Every man needs the principles of Odd Fellowship in his own heart to refine his grossness and to transmute his selfishness into brotherly love. Every community needs the principles of Odd Fellowship as a basic principle of its government in order to make it a better and safer place in which to live. The whole world needs Odd Fellowship to end the cause of wars and rumors of wars, and to cleanse men's hearts of selfishness, avarice, greed, and lust. And, my Brothers, we cannot truthfully say that we have performed our full duty to our God, to ourselves, to our country, or to our fellowmen until we have utilized, to the best of our ability to do things, every laudable means at our command to spread the teachings of our Fraternity throughout the world. Therefore, my Brethren, let our work for the interest of Odd Fellowship be vigorous, but clean, energetic, and forceful, at all times, for we journey along that pathway of life that leads from the cradle to the grave but once.

Hoping to hear of the cheerful news of a booming spirit in your lodge, I am,

Sincerely and fraternally yours,

DR. C. A. ROBBINS;

Grand Master.

LETTER OF INFORMATION.

The Grand Lodge, as recorded in Document No. 41, Proceedings of 1920, having directed the Grand Master to issue a general letter of information to be sent to lodges, in conjunction with Document No. 14, giving information as to the feasibility of the Grand Lodge publishing a monthly periodical to be sent free to the membership of our Order, I, accordingly, circulated the following letter of information:

Official Publication.

DIXON, ILL., September 8, 1921.

To the Subordinate Lodges, I. O. O. F. of Illinois:

DEAR BROTHERS—In compliance with the recommendations of the Committee on the State of the Order, at the last session of the Grand Lodge, with reference to the subject-matter of Document No. 14, page 311, Journal of Proceedings of the Grand Lodge, year 1920, I herewith submit for your consideration the said Document No. 14, together with such information as I have been able to gain by counseling publishers of more than 150 periodicals of kind and nature such as proposed in Document No. 14.

Document No. 14.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

- Believing that it is now time that the Grand Lodge should spend some money to prevent "Dropped for Non-payment of Dues," and keep what members we have in addition to our effort to get new members, and believing that the most effectual way to accomplish this is a regular publication sent to every member in the State, keeping them informed as to our aims, objects, and accomplishments.

Believing it to be a fact that not over 50 per cent of the men initiated into our Order ever attend their lodge enough to know anything of the value of the Order in Illinois, forming their opinion only from the work of their own local lodge.

Every other Order that is making great progress has an official organ to keep their members informed.

The W. O. W., with almost a million members, sends every member a monthly magazine and even receives a profit financially from it.

Practically all labor organizations see that the members receive a regular publication to keep up the interest of their members.

Even successful industrial plants find it a profitable investment to keep their employes informed of their aims, objects, and accomplishments through house organs.

While it is true that we have publications privately published that are doing a valuable work for the Order, they are only read by the enthusiastic workers, and the members that should be reached will not subscribe for them, even if they know of their existence.

This is a reading age and Illinois Odd Fellows are doing too many good things to depend upon "word of mouth" publicity, and need a publication to bring it into the homes in a proper light; therefore, be it

Resolved, That the Grand Master be instructed to appoint a committee to devise ways and means to issue an Official Organ to be sent to every member of the Order in Illinois.

Respectfully submitted,

GEO. A. KINNEY, Cheltenham Lodge No. 113;

D. H. CHAPMAN, No. 782;

W. H. PEASE, No. 80;

RANSOM WALKER,

S. D. WHITNEY,

C. A. YOUNG, No. 751;

H. A. BEEBE, No. 817.

On careful investigation I find that the maximum estimated cost for publishing and circulating 150,000 copies of a 4-column, 16-page monthly magazine, 11 by 15 inches in dimensions, will be 25 cents per member per year, for the first year. The above estimated price covers the cost of special editorial service, composition, printing, binding, postage, mailing, paper stock, ink, making up and correcting a complete aluminum mailing list, furnishing and addressing wrappers, and also a reasonable number of illustrations. This, you will notice, covers every possible expense of publishing and circulating a monthly paper, with the exception of the salary of a special editor, if a special editor is desired.

The revenue to be derived from advertising space, I have been reliably informed, will, however, pay the salary of a special editor and, conservatively estimated, may be somewhere between three and seven thousand dollars per year.

It is my desire that you take this matter up in open lodge, discuss it carefully and consider it well, so that your representative, at the next session of the Grand Lodge, will be able to vote intelligently and in harmony with your wishes, should the question come up for action, with the proposition that our membership be taxed 20 or 25 cents a year to pay for circulating the paper.

Some of the magazines, the editor or publisher of which I have interviewed in order to obtain the information I have submitted for your consideration, are the following:

The Three Link News,

The Mystic Worker,

The Railroad Trainmen,

The Tulsa Triple Link,

The Rhode Island Anchor,

Massachusetts Workman,

Temple Topics,

New Hope News,

The Du Gard,

The Beaver,

The Maple Leaf,

Masonic News,

North Dakota Workman,
Summit County Odd Fellow,
Oriental Consistory Magazine,
The Odd Fellow Review,

The Kiwanis Magazine,
The Michigan Pythian,
And many others.

Sincerely and fraternally yours,

DR. C. A. ROBBINS,

Grand Master.

LETTER TO DISTRICT DEPUTY GRAND MASTERS.

Being desirous of having credit given to those to whom credit is due for work accomplished by them, so far as it can possibly be done, I addressed the following letter to District Deputy Grand Masters, requesting them to report in full and in detail all work performed by them, for the good of the Order, during the past year.

. DIXON, ILL., September 14, 1921.

To District Deputy Grand Masters, I. O. O. F. of Illinois:

DEAR BROTHERS—It is my desire that a full report of the work accomplished by the District Deputy Grand Masters this year shall appear in the Grand Lodge Journal of Proceedings for the term now drawing to a close. Therefore, kindly send in your report with as little delay as possible, giving in detailed account the number of visits you have made, the approximate distance traveled and the expense incurred in performing your official duties, deducting from your expense account the money received as a refund for money expended in making your official visits.

Assuring you of my gratitude for the assistance you have rendered me in the performance of my duties as Grand Master, and wishing you a fullness of that happiness which comes only by faithfulness to service and good work, I am,

Sincerely and fraternally yours,

DR. C. A. ROBBINS,

Grand Master.

FINAL LETTER AS GRAND MASTER TO LODGES.

DIXON, ILL., September 25, 1921.

DEAR SISTERS AND BROTHERS—I take this opportunity of thanking you for the unstinted support you have given me in the performance of my duties as Grand Master for the term just drawing to a close. I also desire, at this time, to express the profound and sincere gratitude I hold for you and the appreciation I have for the splendid hospitality, fraternal greetings, and good fellowship which has been mine at your giving, the memory of which I shall ever cherish as one of the most precious treasures of life.

In sending you this communication, the last you will receive from me as Grand Master, I feel that it will not be amiss to again call your attention to some of the fundamental principles upon which Odd Fellowship is founded, and on the observance of which depends the strength and perpetuity of our Order.

In Odd Fellowship there is no distinction of nations, sects, creeds, or tribes. This Order recognizes no distinction between the rich and the poor, the great and the small; between faiths, creeds, or nationalities. It teaches that all men must stand on one common level. To be a true Odd Fellow is to recognize and put into practice those principles. We should not forget that a poor man, with a single rosebud in his hand, will frequently carry more sunshine into the sick room than will the rich man, statesman, or sage with millions of this world's goods at his command.

Dollars and sympathy do not always grow on the same tree.

One of the fundamental principles of Odd Fellowship, and to the fulfillment of which we must look for the continued existence of our Fraternity, is the doctrine that we should maintain in our hearts, at all times, a compassionate interest in the welfare of all mankind. Cold, indeed, is the heart in which this principle does not dwell. The man who does not feel an interest in the welfare of his fellow man is dead at heart and does not deserve to be called a man. We must also constantly bear in mind, as being one of the principles of the Order, that a good man will not revile or vilify his brother man. Envy and hatred do not dwell in the heart of a good man, is a teaching of Odd Fellowship.

Should a Brother speak evil of another in your presence, you should hold a deaf ear to those who speak the evil, and should be blind to their imperfections.

As surely as the wheel will follow the man who draws the cart, just so surely will suffering follow him who speaks and acts towards a Brother with evil thoughts.

To live for humanity, is the heart of man; to do justice to all, is the duty of man; to be pure in thought, mind, and heart, is the virtue of man; and to do all these things in your own life, is to be a true Odd Fellow.

In drawing this communication to a close, let me admonish you, my Brothers, to live at all times the principles of Odd Fellowship. Be just in all things, forgetting not that a man's true worth in this world is measured, not by the things of this world's goods he may possess, but by the good deeds performed by him in relieving the suffering of poor frail humanity.

Let the teaching of the Golden Rule, which is a fundamental principle of Odd Fellowship, guide you in all your relations of life, remem-

bering that justice is so dear to the human heart that he only who rules justly in all his relations with his fellow beings on earth will receive the rich blessings of life, which come as a recompense to those only who conform their actions to the teaching of the Golden Rule.

Be charitable. Not only charitable in giving alms to the poor, the needy and destitute, but charitable in thought, speech, and actions, constantly bearing in mind that selfishness is the poisoned fang that strikes deep into the very vitals of peaceful union, and with its deadly venom kills the cherished sentiments of fraternity and brotherly love.

Be zealous and energetic in the promulgation of the principles of the Order, for success, in any enterprise, comes only through a steadfast adherence to the principles involved and to the vigorous performance of the work in connection with it, remembering that he who indulges in slothful sleep is never permitted to taste the rich and luscious fruit of full success.

I close this communication with a feeling of reluctance, fully realizing that, when the last word is written, the opportunity for frequent and congenial association with you, such as I have had the pleasure of enjoying through the past, will have ended, never to return.

Hoping that, through your work, our Order in the future will prosper as it has never prospered before, I am,

Sincerely and fraternally yours,

DR. C. A. ROBBINS,

Grand Master.

CORRESPONDENCE.

The correspondence this year it seems has been extremely heavy. This has been caused mostly by petty grievances which Brothers and Sisters have had against their respective lodges and in some instances by misunderstandings between members and factions in lodges. Questions pertaining to the interpretations of law, and claims for sick benefits, sometimes just but in most instances unjust ones, have been the causes of a great deal of correspondence this year.

It has been my policy to answer every communication which has come to my desk, especially those in which the contents of the letter seem to require an answer, fully believing that one member of the Order was entitled to as much consideration as any other member.

TROUBLE IN LODGES.

Every now and then we find in this world a man whose sole object in life is to make trouble for others. Occasionally these men get into our Order and trouble is the result as long as they are members of it.

Under the laws of our Order, as they now exist, the Grand Master has no power to deal with these Brothers without jeopardizing the entire membership of the lodge of which they are members. The trouble of enforcing the law governing the use of Foreign Languages in lodge work was not due to the rank and file of the members of those lodges, for most of the Brothers are good, true, and loyal Odd Fellows more than willing to obey the law, but due to the belligerent actions and malicious conduct of a few willful Brothers who knew of the limited power of the Grand Master and who took this opportunity to glory in their disturbing work. Had the Grand Master been clothed with power with which to deal with these Brothers directly without being compelled to deal with them through their Subordinate Lodges, the trouble would have been easily and quickly settled and the work and membership of many a good Brother would have been saved to the Order which is now irretrievably lost.

In order that the professional trouble maker may be dealt with swiftly and efficiently and in a manner which will not cause disturbance among the other members of his lodge, I recommend that such legislation be enacted, if possible, as will give the Grand Master power to summarily suspend or expel any member who sufficient evidence will show has been constantly and continually creating trouble in his lodge.

BROTHERS IN POORHOUSE.

Case of Brother William B. McIntyre.

On assuming the duties of the office of Grand Master, I found Brother William B. McIntyre, of Monmouth Lodge, No. 577, in the Poorhouse of Mercer County. I immediately appointed Brother Charles S. Harris, P. G. M., and member of the Old Folks' Home Board, as a Special Deputy to look after the case of Brother McIntyre, giving him full authority to deal with the matter as conditions demanded, directed him to get Brother McIntyre out of the Poorhouse, let the cost be what it would.

Brother Harris worked long, hard, and faithfully on the case, but Brother McIntyre is still in the Poorhouse. We will let Brother Harris tell his own story about the Brother, as related to me in a letter which I received from him, August 27th, 1921.

Brother Harris' Letter.

GALESBURG, ILL., August 26, 1921.

Dr. C. A. Robbins, Grand Master, I. O. O. F., Dixon, Illinois.

MY DEAR GRAND MASTER—In the matter of the case of Brother William B. McIntyre, of Monmouth Lodge, No. 577, if you will refer

to my letter of March 31, 1921, in which I made a report in this matter as Special Deputy, and your letter to me of April 5, 1921, you will be reminded that this case has never been disposed of.

When you were in Galesburg last, we mentioned this matter and I then told you that I was trying to find a place for Brother McIntyre to board. I have been unable to find a place for him.

On Wednesday of this week, I went to the County Farm, five (5) miles south of Monmouth, to visit him and learn his present condition.

The County Farm of Warren County is a fine institution and is well kept. Brother McIntyre is well cared for and has a good home at that place, but it is not the place for an Odd Fellow.

I called to see the Secretary of Monmouth Lodge, No. 577. His name is Fred A. Ahlstrand. He was working inside of a building as a carpenter. I asked him if Brother McIntyre is in good standing in the lodge. He said, yes. I asked him if he and the lodge know that Brother McIntyre is in the Poorhouse. He said that they all knew it. I asked him whether his lodge intended doing anything towards taking him out of it. He said they would not do anything towards taking him out of it. He further said that the condition of Brother McIntyre is such that he requires constant care and that it would cost from eight (\$8.00) to ten dollars (\$10.00) per week to have him cared for and the lodge would not stand the expense. I told him that I was acting as Special Deputy in the matter. This he knew for he had received several letters from me in this matter. I told him that I had instructions from the Grand Master to get him out of the Poorhouse. He said the lodge would object to having him removed from the Poorhouse. I asked him whether the lodge would pay one-half ($\frac{1}{2}$) or any part of the expense of keeping him if the Grand Master would pay the other part from the funds of the Grand Lodge. He said his lodge would not. He then told me that Brother McIntyre's wife was the proper person to take care of him and that she would take care of him if she could be paid for doing so. I told him that I had talked with her about it and that she refused to consider taking care of him at any price. I asked him whether he would be willing to see her and make an arrangement with her for taking care of him if I would see that the bills were paid. He said that he would not. He said that he would not give any time to the matter. He then objected that I was taking his time from his work and that he could not talk with me any longer about it. That ended our conversation.

At the County Farm I learned that Brother McIntyre's condition is such that he must have an attendant. The Superintendent of the Farm employs one of the inmates and gives him two dollars (\$2.00) per week to wait upon Brother McIntyre. The lodge pays Brother McIntyre two dollars (\$2.00) per week for benefits and this money is used for paying the extra help to take care of him. The Superintendent and Matron told me that he has had three (3) fits since he came there. He was taken into that institution some time in April of this year. One arm is entirely helpless. He is in such condition that, if he were otherwise eligible to membership in the Old Folks' Home, he could not be accepted under the rules because he would be classed as a hospital patient. His mind is weak and he is almost in condition to be sent to an asylum, although he is yet able to converse upon common topics.

I have been unable to find someone to take him and care for him even without consideration of price. I do not know what more I can do in this direction. He is almost in condition to be adjudged insane and sent to the hospital. I do not believe that he can live a great while longer. His system is syphilitic.

I will act upon any suggestion or instruction you may give me. I will try to do whatever you may request me to do in the matter but I do not know what more I can do than I have done.

In these investigations since I reported to Brother Birney and since you asked me to act in the matter, I made a trip to Aledo when Brother McIntyre was in the County House in that county. I went over to Joy in an automobile to see his daughter. Back to Aledo and from Aledo to Monmouth to see his wife. I was not able to see her on that trip and I made another trip to Monmouth to see her. On Wednesday of this week I made the trip to Monmouth to the County Farm to see him and the Secretary of his lodge. I have paid out, for expenses on these trips, the total sum of twelve and 30/100 dollars (\$12.30).

I await your further instructions, but my personal opinion is that it will do no good to continue me as Special Deputy in the matter.

Fraternally and sincerely yours,

CHAS. S. HARRIS.

Brother McIntyre, because of his disability and the fact that he has not been a member of the Order for more than ten years, cannot be taken into the Home.

CASE OF BROTHER WILLIAM LANGE.

On July 2d, 1921, I received the following letter from Brother I. Archer Levin, Secretary of Universal Peace Lodge No. 1035:

Letter from Brother Levin.

I. ARCHER LEVIN,

Recording Secretary,

1418 N. Talman Ave., Chicago.

July 1, 1921.

*Dr. C. A. Robbins, Grand Master, Grand Lodge of Illinois, I. O. O. F.,
Dixon, Illinois.*

DEAR SIR AND BROTHER—Your attention is respectfully and fraternally called to the following case:

We have in our lodge an old Brother over eighty years of age who has been a member of the Order for over forty years, is a Past Grand, and has held other offices in old Northwestern Lodge, with which the present Universal Peace Lodge was consolidated.

This Brother has some fifteen years ago practically lost both hands and is entirely incapable of taking care of himself. For the past forty-eight or forty-nine weeks Brother Lange has been ill and confined to his home almost continuously. Up to about two months ago this Brother lived with his wife, who was indispensable to him on account of his crippled condition, and the lodge has done practically every-

thing within its means to provide for the support of this Brother, both by sick benefits and relief contributions.

About a month ago Brother Lange's wife died and he was left entirely helpless. He has several children in this city, but they are unable and have not the means to take care of him. Immediately after the death of his wife, Brother Lange was taken, without the knowledge of the lodge, to the State institution at Oak Forest, Illinois, where he has been confined to date.

Several weeks ago, two members of this lodge visited Brother Lange at Oak Forest and found him in a deplorable condition. He is confined in the ward for incurables and those awaiting immediate death; practically no attention is given him by the attendants of the institution, and, as he stated, he will not be able to live longer should he be left in this institution for any length of time.

Considering the long membership of Brother Lange in our Order, we believe that we should not permit him to spend his last days in this institution. In our opinion his illness is nothing more than old age, and we have taken up Brother Lange's case with the Superintendent of the Odd Fellows' Home at Mattoon, Illinois, but were informed that the institution, under present conditions, could not take in Brother Lange. However, the Superintendent suggested that we communicate with you directly to see whether or not something can be done.

As I have stated above, this lodge has done and is willing to do in the future everything within our means to alleviate Brother Lange's condition. However, as you know, a lodge's funds are limited.

We therefore appeal to you as Grand Master to give this case your personal attention and inform us at your early convenience what could be done to remove this Brother from the State institution. We are certain that, if left to remain in this institution for any length of time, Brother Lange's days will be numbered.

Fraternally and sincerely yours,

(Signed) I. ARCHER LEVIN,

Recording Secretary.

To the letter of Brother Levin, I addressed the following reply:

Copy of Letter to Brother Levin.

GRAND LODGE OF ILLINOIS.

Office of
DR. C. A. ROBBINS,
Grand Master.

DIXON, ILL., July 2, 1921.

Mr. I. Archer Levin, Chicago, Ill.

DEAR SIR AND BROTHER—I have read your letter of July first very carefully concerning the condition of Brother Lange. I sometimes feel grieved because of the rules governing the admission of members to the Old Folks' Home. The very members that ought to be taken there cannot get there. But this condition cannot be changed now.

Now, Brother Levin, see some of his children and find out what they will charge per week to take Brother Lange and care for him. Make the best arrangements you can, and let me know what they are

as soon as you can. The Brother must be gotten away from where he is.

Hoping that you will act on this matter without delay, I am,
Sincerely and fraternally yours,

DR. C. A. ROBBINS,
Grand Master.

I heard nothing more concerning the condition of Brother Lange until I received the following letter from Brother David C. Bangs, Secretary of Universal Peace Lodge No. 1035, successor to I. Archer Levin:

Letter in Substance of David C. Bangs.

1165 So. Clinton Ave., Oak Park, Ill.

September 1, 1921.

Dr. C. A. Robbins, Grand Master, Grand Lodge of Illinois, Dixon, Ill.

DEAR SIR AND BROTHER—I can add nothing to the foregoing letter of I. Archer Levin, except to say that immediate action should be taken to remove Brother Lange from the Cook County Poorhouse; and, further, that U. P. L. appreciates the interest expressed in your letter and would like to know exactly the extent of financial aid the Grand Lodge will grant to remedy the present deplorable condition of our Brother Odd Fellow.

Brother Lange has two daughters living in Oak Park, both in good circumstances, either one of whom is amply able to maintain and minister to their father in the closing hours of his life. He is 81 years old, an Odd Fellow in good standing for nearly 50 years.

* * * * *
I am awaiting with interest your prompt reply in this matter. Immediate action must be taken if we would avoid a lasting disgrace to the I. O. O. F. Shall Brother Lange pass away in the Poorhouse while his Brothers of the Order delay until it is too late?

Fraternally yours,

DAVID C. BANGS,
Recording Secretary.

To the foregoing letter I immediately replied as follows:

GRAND LODGE OF ILLINOIS.

Office of
DR. C. A. ROBBINS,
Grand Master.

DIXON, ILL., September 2, 1921.

Mr. David C. Bangs, Oak Park, Ill.

DEAR SIR AND BROTHER—Get Brother Lange out of the Poorhouse and get him where he can be given all the comforts of life that can be extended to him, and send the bill to me, but do the best you can to protect the funds and best interest of the Grand Lodge. Should Brother Lange pass away in the near future, see to it that his children do not get a single dollar of the funds of the Lodge.

Hoping that you will act in this matter promptly, I am,
Sincerely and fraternally yours,

DR. C. A. ROBBINS,
Grand Master.

Receiving no reply to the above letter, on Sept. 27th, I addressed the following letter of inquiry pertaining to the condition of Brother Lange:

Letter of Inquiry.

GRAND LODGE OF ILLINOIS.

Office of
DR. C. A. ROBBINS,
Grand Master.

DIXON, ILL., September 27, 1921.

Mr. David C. Bangs, Oak Park, Ill.

DEAR SIR AND BROTHER—On Sept. 2d, in reply to a letter from you, I directed your lodge to look after Brother William Lange, and get him out of the Poorhouse. I have heard nothing from you since that time and am wondering what you have done in the matter.

Please let me know without delay.

Sincerely and fraternally yours,

DR. C. A. ROBBINS,
Grand Master.

Because of the disability of Brother Lange, caused by the loss of both hands, rendering him unable to care for himself, thus being classed as a hospital patient, he is not eligible to admission to the Home.

CASE OF BROTHER HOONER.

On December 30th, 1920, I received the following letter from Brother J. W. Mitchell, Secretary of Barry Lodge No. 336, with reference to the condition of Brother Thomas Hooner:

Letter from Brother Mitchell.

Office of
J. W. MITCHELL.

BARRY, ILL., December 30, 1920.

Dr. C. A. Robbins, Grand Master, Dixon, Ill.

DEAR SIR AND BROTHER—I am directed by Barry Lodge, No. 336, to call your attention to the case of Brother Thomas Hooner, of El Dara Lodge, No. 367, El Dara, Ill. The Brother has been a charge for the past three years, and is now receiving aid from the County Poor Fund, and it will only be a short time before he will be in the Poorhouse, where Brother Morey found him when he was District Deputy. There is no one looking after this Brother, and El Dara Lodge is not meeting, and has not met for the last year more than two or three times. Brother Butler, now District Deputy, has done nothing, and Brother Hooner has been helped by the District Association at all the meetings

except the last one, then it was neglected. We ask that this matter be attended to immediately, as it is urgent.

Fraternally in F., L., & T.,

J. W. MITCHELL,
Secretary.

To this letter I sent the following reply:

Letter to Brother J. W. Mitchell.

GRAND LODGE OF ILLINOIS.

Office of
DR. C. A. ROBBINS,
Grand Master.

DIXON, ILL., January 2, 1921.

Mr. J. W. Mitchell, Barry, Ill.

DEAR SIR AND BROTHER—I have directed the Grand Secretary to draw an order on the Grand Lodge fund for \$25.00 per month to be used for Brother Thomas Hooner, of El Dara Lodge No. 367.

I hope that will tide him over until such time that final arrangements can be made to take care of him.

Sincerely and fraternally yours,

DR. C. A. ROBBINS,
Grand Master.

I immediately directed a letter to the Grand Secretary, Brother Sikes, requesting him to draw orders as referred to in the foregoing letter, in favor of Barry Lodge No. 336, for the care of Brother Hooner.

As I understand the case of Brother Hooner, his right side is partially paralyzed, but he is able to walk around and, in a measure, can take care of himself, but, because he has not been a member of the Order for ten consecutive years, he is not eligible to the Old Folks' Home.

CASE OF BROTHER ARNEY.

On receiving a letter for the Grand Secretary of the Jurisdiction of Indiana, informing me that a Brother of the Jurisdiction of Illinois, and a member of Martinsville Lodge No. 134, was in the Poorhouse in Indiana, I immediately took the matter up with Martinsville Lodge, with the result that Brother Arney was removed from the Poorhouse in Indiana, and brought to Martinsville, where he was placed in a hotel and cared for at the rate of seven dollars per week.

Martinsville Lodge is entitled to the highest praise that it is possible for a Grand Lodge to give to a Subordinate, for their prompt and efficient action in hastening to the relief of a Brother who became destitute and distressed.

CASE OF CHARLES A. SEDEKUM.

On April 27, 1921, I received a very intelligent and well written letter from Brother Charles A. Sedekum, member of Gridley Lodge No. 819, stating that he was in the Poorhouse of McLean County, and requesting me to make an investigation of his case and see what could be done to have him removed from the Poorhouse and placed in the Odd Fellows' Old Folks' Home at Mattoon. On receiving the letter from Brother Sedekum, I immediately appointed Brother A. E. Crowell, member of the Board of Trustees of the Old Folks' Home, as a Special Deputy, to investigate conditions surrounding Brother Sedekum's presence in the Poorhouse and to see what could be done to have him removed from the Poorhouse and placed in the Home, provided the rules governing admissions to the Home would permit, but, if they would not permit, to see what could be done in the way of finding a place outside of the Home where he could be taken and cared for, if possible, at the expense of the Grand Lodge.

Brother Crowell has made a very careful and complete investigation of the case of Brother Sedekum, making one visit of investigation to the Poorhouse of McLean County and one to Gridley, the home of Brother Sedekum.

I herewith submit the report of Brother Crowell for your consideration:

Report of Brother A. E. Crowell on the Case of Brother Sedekum.

ROCNFORD, ILL., September 30, 1921.

Dr. C. A. Robbins, Grand Master, Grand Lodge, I. O. O. F., Dixon, Ill.:

DEAR BROTHER—In the matter of the investigation of the conditions concerning Brother Charles A. Sedekum, a member of Gridley Lodge No. 819 at Gridley, Illinois.

As your Deputy I find the following: this Brother became a member of our Order December 16, 1910; about three years after he became disabled and has continued so ever since. He is a helpless invalid, physically, in the use of his legs; his mentality is splendid; he will average up easily in this regard to mankind in general, which makes this case the more pathetic; he is uncomplaining and states that his lodge has done all it can for him.

I found him, on my visit in company with Brother John Birney, P. G. M., who took me there in his auto, in the McLean County Home for Dependents, which is located about four miles out of Bloomington. Brother Sedekum's room was on the third floor of the building and as comfortable as could be expected, but he longs to get into the Odd Fellows' Home at Mattoon; the only complaining utterance he made was "Oh, any place would be better than this."

On questioning him I found he has no near relative or friends who could or would take him to care for. "No one," he said; this I verified on my visit to Gridley. While in Gridley I met several members of his lodge, a brother by blood relative and the Noble and Vice-Grand

of his lodge; all expressed the kindest sympathy and affection for Brother Sedekum. I talked with Dr. Adams, a close friend of his, and found that this afflicted Brother of ours is suffering from locomotor ataxia.

There is really no place nor no one to take care of this Brother even for a partial or a whole monetary consideration, and so he is an inmate of a Poorhouse. It is indeed a pity and calls for the deepest regret that there is no home provided by our Order for this and other like cases.

Brother Sedekum is evidently a hospital patient; his mind is normal, but we cannot take him in our Home at Mattoon under the laws of our Order. It is deplorable and, as an Odd Fellow, I long for the time when cases like this can be cared for in the fold of and shielded by Odd Fellowship.

With mingled feelings of both regret and pleasure I herewith make this report, as your Deputy, of the matter you have intrusted me with and honored me by.

Yours in F., L., & T.,

ALVIN E. CROWELL.

Brother Sedekum, as I understand his condition, is paralyzed from his hips down, causing him to be what is termed a hospital patient, thus making him ineligible to admission to the Home.

The question may be asked, why are these Brothers in the Poorhouse and why are they not in the Old Folks' Home? The reasons why they are in the Poorhouse may be summed up as follows:

First—Because, through life, they have not laid away enough of this world's goods to keep them now, and because they are not able to earn a living at the present time.

Second—Because their Subordinate Lodges do not feel able to provide places for them where they can be cared for, and neither the Grand Master nor his Special Deputies have been able to find places, outside of the Poorhouse, where they could be cared for, even at the expense of the Grand Lodge.

Third—Because they have no relatives nor friends who are willing to find places for them and for their keeping.

WHY ARE NOT THE BROTHERS IN THE OLD FOLKS' HOME?

Some of them are not in the Home because they are what the Board of Trustees term as "hospital patients". Others are not in the Home because they have not been in continuous good standing in our Order for more than ten years.

But I can find no place in the rules governing the admission of members to the Home which says that what is termed a "hospital patient" cannot be admitted to the Home.

Article I, of the rules governing the admission of members into the Home, reads, in part, as follows:

J. R. Phillips

Deputy Grand Master,
Green Valley, Ill.

Article I.—“This Home is not founded as a hospital for the care of persons temporarily disabled by sickness or accident. It is established for the care and maintenance of members of the Order who are in good standing therein and who are unable to earn a livelihood by reason of infirmities of age and chronic affliction, and wives of such persons, and are in indigent circumstances, without means of support, and for members of Rebekah Lodges who are in like circumstances, and also for widows of Odd Fellows whose husbands died in good standing”.

I can find nowhere in this article any place where it states that a “hospital patient” cannot be admitted to the Home. I therefore recommend that Article I be amended to read as follows:

ADMISSION TO THE OLD FOLKS’ HOME.

Article I.—This Home is not founded as a hospital for the care of persons temporarily disabled by sickness or accident. It is established for the care and maintenance of members of the Order who are in good standing therein and who are unable to earn a livelihood by reason of infirmities of age or chronic affliction, and the wives of such persons, and are in indigent circumstances, without means of support, and all such members who are now or who may hereafter become inmates of Poorhouses, Almshouses, or subjects of public charity, irrespective of physical disabilities or length of membership in the Order, and for members of Rebekah Lodges who are in like circumstances, and also for widows of Odd Fellows whose husbands died in good standing; and all such persons, upon being admitted to the Home, will be cared for while they are members thereof, and will be required to relinquish all claims upon their respective lodges for sick and attentive benefits, as a condition of their admission to and support while in the Home.

I further recommend that the Board of Trustees and Superintendent of the Old Folks’ Home make immediate provisions for the care and admission to the Home of members now in Poorhouses and Almshouses, and who are subjects of public charity.

Article II should remain as it is, except that it should be made sufficiently elastic to permit the Board of Trustees of the Home to admit members in good standing who became inmates of Poorhouses, Almshouses, or subjects of public charity, who have not been members in good standing for more than ten years.

SPECIAL RELIEF EXTENDED TO BROTHERS.

The following Brothers, being in destitute circumstances, but not eligible to the Old Folks’ Home because of the rules governing admission to the Home, and who have no means of support, thus becoming

subjects of public charity, were placed on the list of members receiving special relief:

BROTHERS RECEIVING SPECIAL RELIEF.

Name of Brother.	Location—City.	Name of Lodge.	No.	Dollars received per month.
C. J. Greer	Lovington	Lovington	593	Twenty dollars.
Wright N. Comins	Rankin	Rankin	565	Fifteen dollars
Thomas Hooper	El Dara	El Dara	367	Twenty-five dollars.

APPOINTMENT OF DISTRICT DEPUTY GRAND MASTERS.

Desiring that complete harmony should exist, as near as possible, between lodges and District Deputy Grand Master, and realizing that members of lodges in districts, being better acquainted with the ability and qualifications of their Brothers than I, were best qualified to select the best man for District Deputy, I conceived the idea of appointing District Deputy Grand Masters only on the recommendation of a majority of the lodges in each district. I have adhered strictly to this rule, and the districts, herein listed, having recommended the following Brothers for their District Deputy, they were commissioned as such by me:

The prevailing harmony which has existed almost universally between lodges and District Deputies, this year, proves the soundness of this method of selecting District Deputy Grand Masters.

REIMBURSEMENT OF DISTRICT DEPUTY GRAND MASTERS.

Believing fully in the injunction that "The Workman is Worthy of His Hire," and also believing that, if the District Deputy system is worth anything to the Order, it is at least worth the actual amount expended by the Deputy in the performance of the duties of his office, I therefore requested District Deputies to file with me a statement of their expenses and have directed warrants to be drawn, according to the statements rendered, in favor of the Deputies, to reimburse them for the money they actually expended in performing their official duties.

OUR HOMES.

Since the time when man first arrived at that stage of mental development which enabled him to record his existence, he has longed for some place on earth which he could love and cherish and call his home. It is as natural for man to love his home as it is to love life itself. Poets, through all the ages, have sung in sweetest melody the plaintive lullabies of the home and historians have written of its grandeur. It is there where the child, kneeling at its mother's knee, first learns those lessons of tenderness and sympathy which grow into fraternity and brotherly love. Take the love of home out of the hearts of men and you have nothing left but empty shells. Home is the dearest place on all the earth and, "be it ever so humble," man loves it the best.

To protect the home and its sanctity, to lift from the home those dark shadows of suffering and distress that sometimes fall so heavily across its threshold, is the mission of Odd Fellowship. To see that the aged shall have a place in which to spend their declining days in comfort, happiness, and peace; to provide a home for the orphaned, a place where they can be educated and cared for, and where they can be taught to become good men, good women, and useful citizens,

is the work of our Order. And how happy we are today and how we rejoice in the fact that our ritualistic instruction has so filled the hearts of our membership with that greater love of home, that our Brotherhood has been prompted to build those splendid temples at Lincoln and Mattoon, dedicated to the work of charity and love.

During the year it has been my pleasure and privilege, on various occasions, to visit the Homes. On these visitations, I have been deeply impressed with the earnestness and solicitude with which the members of the Boards have given themselves to the fullness of service, without recompense, to the management and care of the Homes. It is, indeed, inspiring to see men so deeply devoted to a cause as to prompt them to sacrifice their own time and interests, as the members of the Boards must do and have done, in order to perform the duties of the positions which they are now so ably filling.

As Grand Master, I believe it my duty to report on the condition of the Home and the residents thereof as I have found them on the occasions of my various visitations.

OLD FOLKS' HOME.

Health Condition of Residents.

The health condition of the residents of the Home is splendid, far better than one would expect to find among the same number of people of the same age in domestic life. This is due to the care and attention given to the welfare of the members of the Home by Brother Sayler.

Cleanliness and Sanitation.

The rooms and beds are kept clean and orderly and the buildings are kept as sanitary as it is possible to keep them, under the existing conditions.

Food.

The supply of food is wholesome, plentiful, and of a variety best suited to people of the age and condition of those now residents of the Home.

Clothing.

The clothing furnished for the Home is clean, warm, and comfortable, and is much better than that worn by a great number of people in domestic life in good financial circumstances.

Internal Condition of Rooms and Corridors.

The rooms and corridors, as a rule, are clean and in good condition, but some rooms and places in the corridors have been stained by water through leaky walls and roof, and would be greatly improved in appearance if cleaned and redecorated,

External Condition of Buildings.

Walls.

In the external surfaces of the walls, there are a number of places where the mortar between the bricks has fallen out to such an extent that during heavy rains the water beats through, damaging the inner wall of the building. Some of these places have received the attention of the Board and have been repointed. But there are other places in a bad state of repair and needing immediate attention.

Woodwork.

Time and the ravages of the elements wait for no one. On close inspection I found many places in the woodwork of the window casings, porches, porch floors and posts, window stiles and cornices of the buildings, where the elements had gnawed deep into the solid wood and left marks of decay and destruction. Paint is the only means at our command to combat the destructive work of the elements, and by all means should be used liberally on the woodwork of the buildings of our Home. I do not know how long it has been since the buildings were painted, but, judging from appearances, it has been many, many years.

Sewerage and Sanitation.

The present sewer system of the Home is inadequate and exceedingly unsanitary. Built of eight inch common field drain tile, with open joints, it becomes a prolific source of infection, of poisonous bacteria, impregnating the soil wherever seepage will go, for many feet around, contaminating wells and water supplies, rendering the water unwholesome, unhealthful, and dangerous to use. The sewer, too, I have been reliably informed, frequently becomes overcharged and the sewage backs up and overflows into the buildings, covering the floors with a nasty, slimy mess with an unpleasant odor for days after the mess has been cleared away.

To overcome this inadequate and unsanitary sewer condition, the Old Folks' Home Board has proposed the laying of a new 14-inch sewer of vitrified sewer tile with cemented joints, to take the place of the present sewer to the buildings.

No one is to be censured because of the faulty condition of the present sewer at the Home, for the sewer was laid at a time when but little was known of sanitation and sewer construction.

The condition of the buildings, as I have reported them, I want it understood, is not due in any way to negligence or inefficiency on the part of the Superintendent; nor is it due, in any way, to a lack of interest or ability on the part of the members of the Board, for every man on that Board is a painstaking man, deeply and vitally

interested in the work he is doing, and capable of looking after the affairs of the Home in a businesslike manner; but it is due to the fact that insufficient means have been placed at the disposal of the Board with which to make the necessary repairs to the buildings when needed. I, therefore, recommend that this Grand Lodge direct the members of the Old Folks' Home Board to proceed at once with the construction of the proposed sewer; to point up the buildings wherever needed; to paint, with two coats, all external woodwork, and to do whatever is necessary to put the buildings and everything pertaining to the buildings in a firstclass, neat, and wholesome condition. I further recommend that the Board be permitted to draw, from time to time, on the general fund of the Grand Lodge, for such funds as will be necessary to complete the work.

DEATH OF SISTER SAYLER.

On the morning of May 19, 1921, I received a telegram from the Grand Secretary, Brother Sikes, informing me of the death of Sister Rhoda Sayler, wife of Brother Sayler and matron of the Old Folks' Home. I immediately made plans to attend the funeral, but a sudden attack of an old ailment, which I contracted while in the army, prevented me from leaving home at that time. Not being able to attend the funeral of Sister Sayler, I addressed the following letter of sympathy to Brother Sayler:

Letter of Sympathy to Brother Sayler.

GRAND LODGE OF ILLINOIS

Office of
DR. C. A. ROBBINS,
Grand Master.

DIXON, ILL., May 20, 1921.

Mr. E. R. Sayler, P. G. M., Mattoon, Illinois.

DEAR SIR AND BROTHER—I have recently learned of the death of your wife, Mrs. Rhoda Sayler. In her passing, you have lost a dear companion and I believe I have lost a faithful friend. I keenly appreciate the sorrow that comes to you in the passing of your wife to the great beyond, for only last Sabbath Day it was my lot to witness the last rites that man can pay to man in service to the dead, as the best friend I had on earth was laid to rest.

I know you will feel keenly the loneliness that will come with the bodily absence of the one who has been your life companion through these many, many years, yet this consoling fact remains for your enjoyment—while she may be absent in body, memory will keep her constantly, at your side.

Mrs. Sayler was a good woman, a faithful wife, a true friend, a congenial companion, a zealous worker in the field of love and charity, and was highly esteemed by all who knew her. She will be missed in

every circle of which she selected to be a part, as her good cheer and generosity was felt and appreciated by every one with whom she came in contact. But, while we may miss her earthly presence, yet, through memory, her beaming countenance, her sunny smile, her words of comfort and consolation remain forever in our keeping. What a great flood of comfort it brings to our troubled hearts, and how the pangs of bereavement are softened when we look about us, and, by the manifestations of the Divine Mind, we are constrained to the thought that all things move in circles; that objects disappear only to return; that things counted lost are but hidden. Thus the sun that sinks away into the evening twilight reappears the following morning, and the stars that glitter in the darkness of the night are shrouded from our view when morning comes only because of the brightness of the approaching sun. The rose bud, growing in the garden, that drops its petals when the hot sun burns them, hides another rose in every stem, and Nature secretes a tender plant in every seed that falls but wraps them in a thick shell for protection. Thus it is, Brother Sayler, with us today. Our loved ones who have passed out of our lives, touched by the hand of death, as the lily vanished at the coming of winter's deadly blast, are not lost to us, for memory, through the process of recollection, brings them back as joys and comforts for our declining days as the morning brings back the sunlight, as the dew brings back the freshness of the flowers, as the seasons bring another rose.

With deepest sympathy for you in the hours of your bereavement, I am,

(Signed) DR. C. A. ROBBINS,
Grand Master.

THE ORPHANS' HOME.

The Orphans' Home is like the spring season of the year, full of budding promises. It is a home in reality, not merely a place where the children can be cared for until they can be turned out into the world, but a place where all the love and tenderness and watchful care of more than two hundred thousand good men and women is thrown about them, protecting them and guiding them in the path of virtue and righteousness.

Think how splendid it is to have a family of nearly two hundred children living under one roof, not separated and living at a distance from each other, but reared together where they may grow up and know and love one another, and where they may learn to foster those family relations so essential to us all.

The Home.

The Home is clean and well kept in every particular. The health condition of the children is exceedingly good. This is due to careful attention to every detail surrounding their lives, given by Brother and Sister Lucas.

External Appearance and Condition of Buildings.

The external appearance and condition of the buildings is good, except the woodwork, which, on most buildings, is very much in need

of paint. I recommend that all woodwork in connection with the buildings of the Home be painted as soon as conditions and finances will permit.

Graduation Exercises of the Home.

A privilege, which I highly appreciated, was given me this year to address the children of the Home at the graduating exercises. This, I feel, was one of the most touching events of my career as Grand Master. I was deeply moved when I saw sitting before me that vast number of children who I knew were being succored by the benevolent hand of Odd Fellowship.

It has indeed, been a pleasure to visit the Homes and to meet with the Boards, the Auxiliary Boards, and Superintendents of the Homes this year.

"Hospitality to the traveler, the noblest of human actions," seems to be the greatest stock in trade of the Superintendents and Matrons of both Homes, and on the occasion of each of my visits there a goodly supply has been uncorked by both Brother Sayler and Brother Lucas.

Gifted with the hospitality, the sweets that earth can afford, whose graciousness and charm are indescribable, the moment you enter their homes an atmosphere of good cheer is unfolded, and a feeling of comfortableness pervades the soul as though you had come in out of a cold, cheerless world and had found a flood of warmth, a supply of food and shelter awaiting you.

Friendships formed under such conditions are not doomed to be broken by the going out of this life, but are destined to live on through those mysterious shadows of the grave and to endure until time shall be no more.

SPECIAL SESSIONS OF THE GRAND LODGE.

Guided by impressions received during many years of attendance at Special Sessions of the Grand Lodge, I was prompted to adopt the policy of granting requests for Special Sessions only on presentation of petitions signed by not less than fifty Past Grands in good standing.

COPY OF LETTER OF CALL FOR SPECIAL SESSION OF THE GRAND LODGE.

DIXON, ILL., June 6, 1921.

To the Officers and Members of the Grand Lodge, I. O. O. F., of Illinois:

Special Session Grand Lodge of Illinois, Durand, June 18th,
8:00 O'Clock P. M.

DEAR BROTHERS—Whereas, more than seventy (70) Past Grands in good standing in the vicinity of Durand, in Winnebago County, have

petitioned for a Special Session of the Grand Lodge for the purpose of receiving the Grand Lodge Degree,

Therefore, I, Dr. C. A. Robbins, Grand Master of the Grand Lodge of the State of Illinois of the Independent Order of Odd Fellows, by virtue of the power and authority in me vested, do hereby issue this proclamation calling a Special Session of the Grand Lodge to convene at Durand, Winnebago County, on June 18th, at eight o'clock p. m., for the purpose aforesaid.

Past Grands desiring to receive the Grand Lodge Degree at this time will report to either Brother Ralph Hoyt, at Durand, Brother Frank A. Lind, Rockford, or Brother Arthur Gallaway at Freeport, any time before the convening of the Grand Lodge in Special Session.

Those officers required by law to attend Special Sessions of the Grand Lodge will please take notice and govern themselves accordingly.

Done at Dixon, Illinois, this 6th day of June, 1921, and in the 103d year of our Order.

Sincerely and fraternally yours,

DR. C. A. ROBBINS,

Grand Master.

Attest:

JNO. H. SIKES,

Grand Secretary.

The policy adopted in granting requests for Special Sessions of the Grand Lodge is fully sustained in the fact that the smallest number of Past Grands receiving the Grand Lodge Degree at any Special Session held this year was 51.

DISPENSATIONS GRANTED.

There have been 155 requests for dispensations this year. A large number of those requests were for things for which the Laws of the Order do not require a dispensation. But 99 dispensations have been granted, mostly for the purpose of giving permission to hold entertainments and for the temporary changing of meeting places for the purpose of Degree work and accommodations for special meeting. Nine were granted giving permission to reinstate expelled Brothers.

APPOINTMENTS.

Death having entered the ranks of the Board of Trustees of the Old Folks' Home, on January 16, 1921, and removed our Brother, Harry G. Cormack, thereby causing a vacancy on the Board, after due consideration I appointed Brother Adam C. Cliffe, Circuit Judge of the 19th Judicial Circuit, to fill the vacancy caused by the death of Brother Cormack. Brother Cliffe served as a member of the Board until June 18th, at which time he tendered the following letter of resignation:

LETTER OF RESIGNATION OF BROTHER CLIFFE.

CIRCUIT COURT OF DE KALB COUNTY.

ADAM C. CLIFFE, Judge.

In Chambers.

SYCAMORE, ILL., June 18, 1921.

Dr. C. A. Robbins, Grand Master, Dixon, Ill.

DEAR BROTHER—Owing to my inability to give the time necessary as a member of the Odd Fellows Old Folks' Home, I herewith tender my resignation as a member thereof, same to take effect immediately.

I feel that is one of the big things that our Order is doing and I personally appreciate the honor given me and my lodge as a member of this board.

I also want to take this means of expressing to you my personal appreciation of your favor and the kind relation and feeling that have heretofore existed.

Very sincerely yours,

ADAM C. CLIFFE.

On receiving the above letter of resignation of Brother Cliffe, I immediately appointed Grand Patriarch, Brother O. C. Forsman, to fill the vacancy caused by the resignation of Brother Cliffe.

properly, and to the best interest of the Order, with the question of District Deputy Grand Masters and in extending special assistance to those lodges that were mostly in need of special assistance.

VISITATIONS OTHER THAN THOSE CLASSED AS OFFICIAL.

In addition to the visitations which I have classed as official visitations, I have had the pleasure of making several other visitations, among those most enjoyable being the reception given at Peoria, on Nov. 20, 1920, in honor of our most worthy, energetic, and efficient little President of the Rebekah State Assembly, Sister Alice M. Trees.

This was a most delightful occasion, strictly in keeping with the position she has held in our Order, and one never to be forgotten.

I also had the pleasure of attending a banquet and reception given in honor of our Brother, John Sikyta, Grand Junior Warden of the Grand Encampment. Mrs. Robbins accompanied me on both of these occasions.

It was a long journey to Carlyle, but that spirit of "hospitality to the traveler" extended to me on my visit to that city in attendance at the reception given in honor of our splendid Grand Patriarch, Brother Forsman, was well worth the trouble and inconvenience of making the trip.

I feel that my report of visitations would not be complete without making mention of the trip to Cedar Rapids, Iowa, in company with some of our Bohemian Brothers and Sisters of Chicago, as their guests. About one hundred and fifty Brothers and Sisters, led by Brother John Sikyta, enroute on a special train made the trip.

The Bohemian lodges of Cedar Rapids were in a rather depressed condition, as a result of the change of language in lodge work, and appealed to our Bohemian Brothers of Chicago for assistance. Brother Sikyta at once responded to their call for help with the promise that, if their lodge would secure a call of ten for the Initiatory Degree, the Degree Staff of his lodge would go to Cedar Rapids and confer the work for them. Our Cedar Rapids Brothers secured not only ten but more than fifty candidates for the class. While the Rebekahs had a class of more than thirty, and Brother Sikyta, true to his word, accompanied by the Degree Staff of his Rebekah and Subordinate lodges, more than one hundred and fifty in number, went to Cedar Rapids and conferred the work on those splendid classes of candidates. Myself and wife were happy guests of the Chicago Sisters and Brothers.

The work conferred by these Degree Staffs was wonderful. The hospitality extended to us by our Iowa Brothers and Sisters was most delightful, and the benefits to our Order immeasurable, as more than two hundred members have been added to the Cedar Rapids lodges since that time.

I have also been busy in other branches, having taken in sixty-one applications in the P. M. branch.

LIFE INSURANCE TRANSFERRED TO HOME.

On several occasions during the year, my attention has been called to instances where Brothers who made application for admission to the Old Folks' Home were carrying life insurance which they would gladly transfer to the Home if funds for the payment of the premiums on the insurance could be provided by the Home or Grand Lodge.

In some of the cases it seems to me as though it would have been a splendid investment for the Home if the insurance had been taken over.

I therefore recommend that, hereafter, when Brothers carrying insurance make application for admission to the Home, and are willing to transfer said insurance for the benefit of the Home, the Board of Trustees be instructed to make such transfer, if in their judgment it will be a good financial investment for the Home to carry the insurance, and I further recommend that the Trustees of the Home be permitted to order warrants on the Home fund of the Grand Lodge for such sums as will be necessary for the payment of the premiums on the insurance, said sums drawn to be paid back into the Grand Lodge fund when the insurance is collected.

INDIVIDUAL WATER SUPPLY FOR THE HOMES.

The water for the Homes, under the present system of supply, costs approximately, on an average, from eighty to a hundred dollars a month. This is a matter that should be carefully investigated, not because of any mismanagement on the part of the governing forces of the Home, but the investigation should be directed towards installing at the Home individual water supply system.

While I have not entered sufficiently deeply into the question to be able to give figures as to the actual cost of installing such plants, yet I believe I have sufficient data on the subject to enable me to state that, if proper reservoirs were constructed to gather the water that falls on the buildings or wells drilled to furnish a water supply and individual plants installed, the money saved for water would, in six years, pay for the plants and furnish the water at the same time.

The information gained during the short time the individual water supply system has been in use at the Old Folks' Home will substantiate my statement.

CONCLUSION.

In bringing my report to a close, I do so feeling that the short term which it has been my lot to fill has prevented me from doing much which I planned to do and had desired to accomplish during my term of office as Grand Master.

I am not going to thank you for the honor you have placed upon me, for honor never brought anything to anybody except trouble and expense and knowledge of having a desire for vain, glory satisfied, but I am going to thank you for the privilege you have given me to work with you in the vineyard of this great Order which has for the fruits of our labors the visiting of the sick, the relief of the distressed, the burying of the dead, the education of the orphans, the caring for the old folks, and the propagation of those principles the object of which

is to bind up the wounds of warring nations so that the bonds of fraternity and good fellowship will unite them with the ties of a universal brotherhood.

With best wishes for the prosperity of our Order, I am,
Sincerely and fraternally yours,

W. C. A. Robbins

Visited Excelsior Lodge No. 22, Atlas No. 261, Perseverance No. 587, Washington No. 665, South Park No. 488, Golden Star No. 903, Carnation No. 933, and Universal Peace No. 1035. Also visited two district meetings. Attended a reception given to Deputy Grand Master Yantis in company with other District Deputies. On July 6th, installed the officers of Atlas Lodge No. 261, and presented Veteran Buttons to a class. Their number and long service in the lodge appealed to me with impending force. There have been no appeals or grievances presented, and I am very glad to note that there has been a net increase in the District of 134, which has been due to continued activities on the

part of the workers in the lodge. I am giving you these details because you have called for it, and will ask that it be added to the sum total of our activities during the year.

I am sorry that the meeting of the Sovereign Grand Lodge made your contemplated visit impracticable.

The amount of miles traveled would be hard for me to say. Whatever my expenses amount to is cheerfully donated to the cause.

All lodges except one (No. 221) have been initiating new members almost every month except July and August, all work being done with-

out the use of a ritual. I think the Sixth District will show a good gain at the end of the term. I examined and installed the officers of the following: Lodges Nos. 58, 350, 402, 645, 878, all work being done by my own staff, and without the use of a ritual. The two former German speaking lodges, Nos. 221 and 58, are both opening and closing in English. No. 58 has a good initiatory degree staff, the other lodges in the district taking their turn and conferring the first, second, and third degrees for them. My motto is: the strong to help the weak. I expect to make about 20 more visits before the end of the year.

Hoping this report will fill the bill,

I remain fraternally yours,

DISTRICT NO. 39—PEORIA CO.

PEORIA, ILL., Sept. 11, 1921.

DEAR SIR AND BROTHER—The law governing district deputies requires that they *shall* report to the Grand Master on or before the 15th day of October, making a report of their doings thruout the year.

This was the law when the Grand Lodge meetings were held in November. In view of the fact that the Grand Lodge meets thirty days earlier, it is logical to deduce that the deputies should make their reports thirty days earlier also.

In accord with this deduction, I desire to submit my report for the term of office to date.

I have made more than the necessary legal visits to the lodges of my district and am glad to report that they are doing as well as general business conditions will allow. I am sorry to report that I have one lodge in this district that is very low, the pulse being almost extinct. Have recently received a letter from the G. S. stating that they were in arrears to the Grand Lodge. I have put in some time on this proposition and there is more than appears on the surface. Some of the underlying causes for this condition of affairs are better *recited* than *written* and shall reserve my views and conclusions for a more opportune time.

I have not been called on for any dispensations and have not been obliged to make any decisions. The only controversy that I had to contend with was the one in my own lodge, the gist of which I conveyed to you in my letters under date of July 14 and 20. This matter is finding its equilibrium faster than I expected. Many who on first thot favored the proposition are now awakened to the concrete facts and support the position I took in the case. The sum total of all in this matter is that I saved Columbia Lodge \$173.00 by having the courage to oppose a proposition that was painted with the molasses of good fellowship but lacked the power of law.

In closing I assure you that I have always invested the best in me for the general good of all things concerned. Last year I presented an expense account for the purpose of assisting the G. L. to ascertain the approximate cost of the deputy system; this year I shall not do so, my expenses being my investment to feebly display my interest in the work.

With very best wishes and the hope that your tenure of office has been the medium of much good to the Order, I am,

Fraternally yours,

BENJ. F. GREEN.

I have not the dates of my visits. I wish to say that No. 68 is in a splendid condition. We have a fine district organization, not a delinquent lodge in the district. We have our district officers and are governed by a set of by-laws. We meet the third Friday night of each month. We have degree work and good speaking. Our attendance is good, from 125 to 150 Brothers at our last meeting. We had eleven Brothers from O. F. H. at Mattoon as guests of honor. I also persuaded the Rebekahs of Moultrie County to effect a county organization, which is doing great work. There is quite a contest to see which organization can have the largest crowds at their monthly meetings.

If I had room, could tell you a lot more what District No. 68 is doing.

FRANK E. WILSON, D.D.G.M.

DISTRICT NO. 76—GREENE CO.

DEAR BROTHER ROBBINS—Your request of the 14th inst., to the district deputies, is received and noted.

Now, Brother Robbins, it is impossible for me to give a detailed report as indicated on your report blank. But I will in as brief manner as possible give you an idea of what is going on in District No. 76.

As has been stated to you in former letters, No. 76 is not organized, for the reason that the membership in No. 76 has so far refused to organize, voting each time that the deputy is "doing all right". You will pardon any reference to the pronoun "I" which may be used too often, perhaps, but, without any intention of throwing bouquets in my own direction, will say this:

With the exception of the three hot months, we have held regular monthly meetings at different towns in the district, and have been keeping Odd Fellowship "before the people". You will see by the enclosed program that there will be something doing Oct. 4, and let me say your deputy worked pretty hard and he believes that he pulled a pretty good stunt when by persistent effort he got the Greene County Fair Association to give the Odd Fellows and Rebekahs free admission to their grounds one day of the fair, and that that day has been advertised by the Association as "*Odd Fellows Day*". And, of course, we are advertising it also.

In November we are going to hold a school of instruction and in December another meeting at which there will be degree work. The membership of the district has been very liberal with me and backs up any program that I propose. Brother W. A. Hubbard of Carrollton is largely responsible for present status of affairs in this district, for it was he who made the motion at two different county meetings that the matter be "left in the hands of the deputy" and that no county organization be attempted, at least as long as things are going as well as they are now.

Let me assure you, Grand Master, that your deputy has tried several times to get this county organized, but each time the membership votes him down, saying that our meetings are good enough as they are, and that we are being benefited by the present system.

Now as to the number of visits made—that is something I cannot tell. I have visited all the lodges in the district, some of them as much as ten or twelve times. In fact, I have tried to visit Roodhouse No. 681 twice a month ever since I have been working under the district deputy system. And you will see from the lodge reports that Roodhouse has made a larger gain than any lodge in this district, and it will be a close second to anything in western Illinois. This is the lodge that Brother Kagy directed me to take the charter from if it did not get busy and function as it should, for at that time the lodge was not holding meetings. I made trips to this lodge on regular meeting nights, and visited its officers during week days, until I finally got them started, and now that lodge has doubled its membership. I cannot help feeling just a little proud of the work I did there, although the secretary of the lodge is terribly slow about sending in his reports and capitation tax and Homes tax.

As to the number of miles traveled, I haven't the slightest idea. Neither have I any idea of the expense, for I have not kept any account. I am not measuring Odd Fellowship by dollars and cents. I am trying in my weak way to do some good in the Order, regardless of compensation, or reports, or anything that way. I try to work where I think I can do the most good and at times when most needed.

The next question—amount of money received from the Grand Lodge—not a penny so far as district deputyship is concerned this year. That part of the work has never entered into my work as deputy. I love the work, and enjoy visiting lodges. And I do visit them just as often as possible, with no thought of compensation from the Grand Lodge. That is my creed, so far as Odd Fellowship goes.

Now, Brother Robbins, this letter has been rather lengthy, but I wanted to make it plain to you that I have not been asleep since the last meeting of the Grand Lodge, and, while I may have fallen considerably short of what I should have done, or what some other Brother in

the district could, or would, I have simply done my best. That is all I have to say about the past, and, if my efforts have amounted to anything and have been appreciated, well and good. If not, I can't help it now. And, if there is anything that I can assist you in at the Grand Lodge next month, I will gladly do my best again.

Yours in F., L., & T.,

J. D. ROWE.

I made my first, and only official visit thus far, on Monday night, September 19, to Centralia Lodge, I. O. O. F., No. 17. Thus far in the year I have not been able to find the time to make any visits. My plans were to make a strenuous effort to visit most if not all the lodges in this district. I had gotten the idea from my commission that the report was to be made October 15. Shall I go on with this plan

and report on the above date, or shall I report the visit of Monday night and close for the year?

WILSON DAVIS, D.D.G.M.

OFFICE OF A. L. YANTIS, DEPUTY GRAND MASTER.

SHELBYVILLE, ILL., October 3, 1921.

Hon. C. A. Robbins, Grand Master, I. O. O. F., Dixon, Ill.

DEAR BROTHER ROBBINS—In accordance with established custom I beg to submit to you the following report of my official activities as Deputy Grand Master for the year now ending. Every hour spent in the work of Odd Fellowship has been a pleasure, and if I have contributed anything of value to the Order during the past year I am amply repaid in the added knowledge gained through contact with the membership over the State.

I am glad to have been able to respond to various calls made by you, and again beg to regret the one or two instances where other engagements made it impossible for me to attend meetings in your stead as requested.

Prominent in later recollections will be my visits to the two Homes of our Order, and the pleasure you and I, Grand Master, realized on the occasion of the commencement exercises of the class of 1921 at the Orphans' Home. Illinois Odd Fellowship is indeed fortunate in having such splendid supervision at its two Homes, and such able managing bodies as the respective Directors and Trustees and Advisory Boards.

Without encumbering this report with too much detail of various meetings, with many of which you are already familiar, I desire to note my visitation to the District Meeting of District No. 9, held at North Shore Lodge, Chicago, when the work of the Third Degree was most admirably exemplified by the team of Three Links Lodge. On New Year's day it was my privilege to attend open house at the home of Decatur Lodge No. 65, and with the Grand Master and others to address the splendid audience there assembled. This annual custom of No. 65 exemplifies the hospitality of the Decatur Brothers at all times.

Among the thriving districts where the effects of organization are apparent is Greene County, where I attended a meeting held at White Hall in the early part of the year.

On February 2d, I spoke at Nashville at an open meeting under the auspices of the Subordinate and Rebekah lodges. This, as you will recall, is the old home of Brother Tom Needles, deceased, and is the present home of Brother H. H. House of the Committee on Legislation.

On February 15th Selah Lodge No. 403 celebrated the payment of all outstanding indebtedness by having a "mortgage-burning" in their hall at Monticello, on which occasion I made the evening address.

Later in the month I spoke at Vernon Lodge at an open Fellowship meeting, and a short time later at an open meeting held in East St. Louis under the auspices of Helvetia Lodge No. 480, to which call I

responded, I believe, at your request. It was a splendid meeting, and Helvetia is a splendid lodge.

In March I attended the regular meeting of Coles County Lodge, where I addressed the Brothers and Sisters at the social session which followed the lodge meeting. In April I assisted in the organization of the Christian County District at a meeting held at Taylorville. This district has been very active since that time and shows the value of district organization. April 2d I spoke at West Frankfort, after having witnessed the initiation of a class of thirty-one, with splendid degree and floor work by both the Subordinate and Rebekah staffs. Among other large meetings was the one at Kankakee, the home of Sister Thompson, incoming President of the State Assembly, and Brother Huntington James, Past Grand Patriarch; another was the southside Chicago meeting on April 28th at the Hall of Colfax Lodge, and another was a meeting of the westside Chicago lodges on May 23. These meetings showed the loyal enthusiasm of Chicago Odd Fellowship, and the unsurpassed energy of the Chicago Brothers for "doing things."

On May 28th I spoke at New Athens at the District Meeting of St. Clair and Monroe Counties. It was a privilege to witness the splendid degree work given at this meeting. On June 5th I addressed the Fraternity and friends at the Memorial services held at Clinton by Olive Lodge No. 98; and on June 12th I rendered like service to the Order at Vandalia.

On August 24th District No. 82 held its meeting at Effingham, where during a pleasant evening's program it was my privilege to talk to the members of the Subordinate and Rebekah lodges.

On August 30th Ford County held its annual picnic at Gibson City. It was splendidly attended; the Orphans' Home band was at its best, and a speaker could wish for no finer or more attentive audience to address upon the principles of our Order.

On September 20th I paid a long delayed visit to Rock Island County, where I attended a District Meeting held under the auspices of Manufacturers Lodge at Moline. On October 1st I made my final visitation at the County Association of Odd Fellows and Rebekahs of Williamson County, at their annual meeting held at Herrin. These meetings have been held for a number of years and are both enjoyable and instructive.

In conclusion, Grand Master, I thank you for the courteous treatment accorded me during the year.

Sincerely and fraternally,

A. L. YANTIS,
Deputy Grand Master.

CHICAGO, ILL., September 1, 1921.

C. A. Robbins, Grand Master, Dixon, Ill.

We beg to submit the following report, covering the work of the Odd Fellows' League and Relief Board, for the year ending August 31, 1921.

Since the last report, there have been reported to this office 128 cases of members sick or in distress, we have paid out on behalf of the lodges 265 weeks sick benefits amounting to \$715.00, 38 deaths have been reported, and we have assisted in making the necessary funeral arrangements, and have advanced \$395.00 for funeral expenses and benefits, on instructions of the lodges; in addition to this we have advanced \$2,403.38 for emergency relief, three members have been reported missing, 21 have called for legal advice, and five have had the misfortune to be injured in accidents; most of these have been automobile accidents. We have had 597 applications for employment, and we have a record of 45 who have been placed; many of the members neglect to report back to the office after having secured a position, and no doubt there are many more who have not reported, of which we have no record. We regret the small percentage placed, but the conditions have been very bad since the beginning of the year. A large number of our unemployed are ex-service men and we are making special efforts in their behalf.

The calls for aid have come from the following Jurisdictions: Pennsylvania, 5; New Jersey, 1; Maine, 1; Ohio, 3; Texas, 1; Kansas,

2; Minnesota, 5; Canada, 5; Nova Scotia, 1; Wisconsin, 8; California, 4; Montana, 1; Missouri, 7; Michigan, 20; West Virginia, 2; Virginia, 2; Massachusetts, 3; Indiana, 19; Iowa, 5; Colorado, 3; New York, 6; Nebraska, 2; Kentucky, 3; Georgia, 1; Connecticut, 3; North Dakota, 1; South Dakota, 3; Alabama, 1; Tennessee, 1; Maryland, 1; Illinois, 73.

The Odd Fellows' League and Relief Board is in fact a service bureau for members of our Order, both visiting and resident. The convenient location and the fact that the office is open during business hours when the lodges are not in session is a great help to out of town members. Our facilities for securing information are appreciated by both lodges and members, as is witnessed by the increasing number of calls. The secretaries of the lodges frequently avail themselves of the services of the office and we are pleased to assist them in any way.

We publish a lodge directory, giving the name, number, location, and meeting night of all Odd Fellow lodges and affiliated organizations of Cook County. This is revised and brought up to date from time to time.

We also have a card index of the name and address and telephone number of the presiding officer and secretary of the various lodges, which information is available to all members. This has proved to be of great service.

We are rendering the lodges a valuable service, and saving in money in investigating and exposing imposters who prey on the Fraternity.

The appropriation received from the Grand Lodge has been the means of putting the organization on a sound financial basis, and the continued support of the Grand Lodge, and the lodges, will enable the organization to continue this good work and usefulness.

Fraternally yours,

JOHN LARSON,

President.

Attest:

F. W. JACKSON,

General Secretary.

**FIRST REPORT OF COMMITTEE ON MILEAGE AND PER DIEM,
BROTHER ROY KEWLEY, CHAIRMAN.**

CHICAGO, ILL., September 19, 1921.

Dr. C. A. Robbins, Grand Master, Dixon, Ill.

DEAR BROTHER ROBBINS—I have the honor to submit this report to you in regard to the revision of the mileage list of the lodges of the State.

I carefully checked up the mileage of every lodge and found it necessary to make the following changes in order to have it absolutely accurate:

- 143 reductions of from 3 to 60 miles.
 - 53 reductions of 2 miles.
 - 81 reductions of 1 mile—total of 1,589.
 - 33 additions of from 3 to 11 miles.
 - 41 additions of 2 miles.
 - 88 additions of 1 mile—total of 316.
 - 41 changes on committeemen, with a net reduction of 183 miles.
-
- 480 making a net reduction of 1,456 miles from last year.

There are 40 lodges in localities which are not postoffices and are not on a railroad, and these I will check up at the Grand Lodge Session with the Representatives concerned; this will result in a still further reduction, but probably not very much.

Most of the 1- and 2-mile changes were caused by the fact that fractions of a mile were not previously considered according to the system used by the railroads, this applying in nearly every case to the increases I have allowed, as I believe our Brothers should have all that is due them.

As you know, I have an exact and accurate knowledge of every town and railroad in Illinois, but, even with that to help me, it has been a long, hard job and I am glad it is done. It is certainly time the revision was done and I was really surprised that there were so many changes of over 20 miles, though of course I expected a good many of five miles or less.

Again thanking you for the honor of the appointment to the position I hold, I remain

Faternally,

ROY W. KEWLEY,

Chairman Mileage and Per Diem Committee.

A beautiful demonstration of the sincere appreciation of Odd Fellowship and high regard for our two Homes appears in the last will and testament of our late Brother Joseph Wilson, a member of Green Valley Lodge No. 308 of Green Valley, Ill., who passed from this life June 9, 1919, at Delavan, Ill. He instructed his executrix to sell a certain tract of 78 acres of farming land in Mason County, Ill., and to give the proceeds to the Endowment Funds of our two Homes, one-half to each.

This land has been sold for \$12,880, one-half cash and one-half secured by first mortgage on the land. There will be \$6,440, less the sale cost, for each Home fund and this will probably be turned over to the Grand Lodge at this session. This bequest will be entered on the permanent record in the name of Brother Wilson and will earn \$768 each year for these Homes forever.

It is such generous hearted Odd Fellows as Brother Wilson who will increase these funds to an amount sufficient to produce an income that will protect these splendid Homes against any calamity that might befall the Order.

This is the largest individual donation made to the Endowment Funds up to this time.

Contributions to the Endowment Funds from the time they were established to October 1, 1921, \$121,616.67.

Total amount contributed by individuals, lodges, and other organizations in amounts less than \$100.00 to October 1, 1921, \$46,012.93.

INTRODUCTION.

LINCOLN, ILL., September 8, 1921.

Dr. C. A. Robbins,

Grand Master, I. O. O. F. of Illinois:

In making this, the twenty-ninth annual report of the Odd Fellows Orphans Home of Illinois, we believe that we can record a continuance of the good work carried on by this Institution for so many years, and that we can feel a just pride in the work accomplished.

Applications.

Not so many applications were received during the past year as in former years, due, we presume, to the fact that the rule concerning the admission of half orphans, and particularly the admission of the children of living Odd Fellows, is becoming better known and understood.

While we have not been called upon to consider so many applications, several questions have arisen which caused considerable discussion among the members of the Board and others. In one case, we were asked to admit the step children of a deceased brother. In another case, admission was asked for children whose father was not a member of the Order, but the children had been adopted by the grandfather, who was a member in good standing. After the death of the grandfather the guardian asked that the children be admitted to the Home.

In another case a brother whose wife had left him asked that we care for his children. In still another case, the application was for the admission of children whose father was not in good standing in his lodge at the time of his death.

Investigation of another application brought out the fact that the applicant, a brother, had joined the lodge after the death of his wife. Soon after joining the lodge he made application, asking that his "orphan" children be admitted to the Home. Needless to say that request was not granted.

About two years ago two boys were admitted to the Home, whose father was living but was in very poor health. During the past year this brother was suspended by his lodge for non-payment of dues. Should the boys be retained in the Home, or have they lost their rights as children of an Odd Fellow?

These cases are mentioned for the purpose of letting the Grand Master and the membership know that many perplexing questions arise in the management of the Home.

Organization.

At the first meeting of the Board of Directors, held in November, 1920, the Board organized by electing the following officers:

John H. Steiner, Quincy, as chairman.

W. R. McGaughey, Decatur, vice-chairman.

John J. Crowder, Peoria, secretary.

Committees.

Soon after his election as chairman Chairman Steiner appointed six committees from the membership of the Board of Directors, as follows :

Auditing—Crowder and Thompson.

Farm—McGaughey and Steiner.

Applications—Thompson and Crowder.

Supplies—Crowder and Smith.

Building and Grounds—Smith and Thompson.

School—Steiner and McGaughey.

This gave each member of the Board a definite work to do, and we believe has increased the efficiency of the Board in the management of the Home.

The Home Library.

At the last meeting of the Grand Lodge, our Grand Treasurer, M. P. Berry, stated that he would contribute the sum of five hundred dollars (\$500), to be placed to the credit of the Orphans' Home Library Account, permitting the Directors to expend the money as they might see fit, for books, periodicals, etc. Not all of this money was expended this year, but plans have been formulated to make the Library of greater value to the children in the school and home work.

Lizzie L. Morrison Hall.

At the June meeting of the Auxiliary Board they were asked to recommend a name for the building heretofore known as the Domestic Science Cottage. They recommended that the building be known as the "Lizzie L. Morrison Hall," and their recommendation was concurred in. This splendid building, erected by the Rebekahs, will stand as a memorial to the first Superintendent, who did so much to make this Home an honor and credit to the Odd Fellows and Rebekahs of Illinois:

Improvements.

The work begun last year in making needed improvements and repairs, has been continued, and the buildings are now in better repair than for several years past. The silos and barn have been repainted, a new steam water heater installed, the school building was wired for electric lights, and the walls, ceilings and wood work in the basement of the Administration Building have been repaired and painted. The boilers have been thoroughly overhauled, for the first time in several years, and are now in first class condition.

The Auxiliary Board have been generous in paying from the Rebekah Fund, for needed improvements. The decoration of the walls, ceilings and stairways of the Girls' Dormitory, was completed, and the floors in the Boys' Dormitory were refinished. The outside of the East Cottage, and the Girls new Cottage were painted, the rooms of the Superintendent and Matron were refurnished and linoleum purchased for the Domestic Science Building, or Lizzie L. Morrison Hall, and third floor of the Administration Building, all of which was paid for from the Rebekah Fund.

Also, as a special compliment for Sister Alice M. Trees, President of the Rebekah Assembly, the Auxiliary Board paid for the resetting of the trees in the orchard. Two hundred and five new apple trees and other fruit trees are in fine condition and will soon be bearing fruit to supply the Home. Through many years, doubtless, the children in the Home, will have reason to remember the name and work of the earnest, active and successful President for 1921.

Proposed Improvements.

The board are still considering the proposition of installing a plant to furnish needed electric lights and power. No definite action has been taken, because it was believed to be wise to wait until the plant can be installed at a more reasonable cost than at present.

The same may be said concerning the installation of a system for the water supply for the Home. Both of these propositions are worthy of careful consideration, as we are led to believe that their installation would result in a very considerable reduction in operating expense.

The Building Committee now have under consideration a plan for a local telephone system, connecting all buildings. This plan was proposed by Rebekah District No. 1, of Chicago, and they have raised a fund of \$150.00 as part of the expense.

Christmas Donations.

The donations made last Christmas to the children of the Home, were more numerous and valuable than on any previous occasion.

Every child was remembered, and the Christmas celebration was a happy one, one that will long be remembered. It was another proof that the children of this Home are dear to the hearts of the members throughout the State.

The Secretary of the Board was appointed as a committee of one to attend the Christmas celebration, and on behalf of the Board, presented each child in the Home with a new silver quarter. It was noticeable that when these quarters were presented to each child individually, not one failed to respond with a quiet "Thank you".

The Wilson Bequest.

On or about June 9th, 1919, Brother Joseph Wilson, died at his home in Delavan, Tazewell County, Illinois, leaving a will which was probated in the County Court of that county. In this will, he directed that his executrix should sell eight acres of land owned by him, near San Jose, Mason County, and divide the proceeds equally between the Odd Fellows' Orphans' Home, Lincoln, Illinois, and the Odd Fellows Old Peoples' Home, Mattoon, Illinois. The executrix proceeded in accordance with instructions, and the farm was sold at San Jose, in February, 1921. Final approval of the sale was delayed because of flaws in the title to the property, but these were remedied, and the purchase price was paid.

On Saturday, September 3rd, 1921, the County Court of Tazewell County approved the sale, and report of the executrix, and authorized distribution of the proceeds. As soon as proper receipts are given, the money will be paid to the Trustees of the two Homes, each Home receiving the sum of two thousand nine hundred sixty dollars and eighty cents (\$2,960.80) in cash, and a note for three thousand dollars (\$3,000.00), due five years after date, with interest at six per cent per annum, secured by Trust deed on the property. This will make an addition of almost six thousand dollars to the Endowment Fund of each Home.

Past Grand Master Chas. S. Harris, of the Old Folks' Home Board, and J. J. Crowder, the Secretary of the Orphans' Home Board, as representatives of the two Homes, have closely watched the proceedings in this case, and are satisfied that the wishes of Brother Wilson, in this matter, have been complied with in every particular.

Special thanks are due to Brother John T. Culbertson, Jr., of Delavan, attorney for the executrix, for his services in bringing this case to a successful conclusion.

The Superintendent's Report.

The report of the Superintendent and Matron which accompanies this report, will give the names of the children received and discharges during the year, the names of all children now in the Home, a detailed statement of donations, an inventory of real and personal property, receipts and disbursements for each month, and other detail of the management of the Home. It is hoped that the membership will carefully study this report, and thus become more familiar with the work of this Home, of which we are all so proud.

REPORT OF THE SUPERINTENDENT AND MATRON.

LINCOLN, ILLINOIS, September 1, 1921.

To the Board of Directors of the Odd Fellows' Orphans' Home, Lincoln, Illinois:

DEAR BROTHERS—Another year has passed and another record has been made. And we sincerely hope we have done our full duty in every respect to all concerned. We want to assure you we have endeavored to render a just stewardship to you and to the great Order that is doing so much for humanity. We fully realize that there is no greater work than training boys and girls for American citizenship.

For almost sixteen years we have endeavored to train the children of our Home for useful lives. Scores of these boys and girls have gone out into active life where almost every one has made good.

Hence we submit to you the following report:

ORPHANS' HOME SCHOOL.

Our Home school building is modern in every respect and complies with the State law in seating, heating, lighting and ventilation. It was remodeled four years ago at a cost of \$15,000.00.

Every Odd Fellow and Rebekah in Illinois can justly feel proud of our school. It has been the aim of the Board of Directors to make the work done in our school equal to that of the best schools in the State.

We have secured the teachers whose preparation and training is of the very best. The best is none too good for the orphan of an Odd Fellow. The teachers and pupils, under the guidance of Bertha Greer, the principal, are manifesting a great interest.

The commencement address was delivered by Dr. C. A. Robbins, Grand Master. It was a splendid address, replete with practical suggestions and encouragement to the class. It was one of the best ever given at the Home.

At the close of the address Dr. Robbins presented each of the graduates with a ten dollar gold piece as a gift from the Grand Lodge.

Mrs. Lura B. Latham, Past President, and chairman of the Auxiliary Board, on behalf of the assembly presented each graduate with five dollars in gold.

Four boys and nine girls were graduated in this class. Dr. J. A. Lucas, superintendent of the Home, presented the diplomas. The

class motto was "Strive." The class colors were crimson and white; the class flower, white carnation.

The following is a list of the graduates:

Clifford Giberson,	Mary E. Littlejohn,	Raymond T. Auler,
Francis E. Hobbs,	Dorothy Murray,	Evelyn B. Singdahlson,
Dorothy I. Pierce,	Evelyn I. Legge,	Mary B. Hammell,
Edgar W. Dobbs,	Opal L. Brown,	Clara D. Ewing.
	Caroline O. Turner,	

Officials present were: John H. Steiner, Quincy, Chairman of the Board of Directors; John J. Crowder, Peoria, Secretary of the Board; W. R. McGaughey, Decatur; J. Parker Smith, Chicago; T. H. Thompson, Kankakee; John H. Sikes, Springfield, grand secretary, and A. L. Yantis, Shelbyville, deputy grand master.

The following is a list of the teachers for the ensuing year, and the number of pupils in each of the rooms:

Bertha M. Greer, principal and teacher of seventh and eighth grades—45 pupils.

Mabel Jackson, fifth and sixth grades—42 pupils.

Lucy Tutwiller, third and fourth grades—36 pupils.

Grace Barnwell, first and second grades—27 pupils.

Alice Magnusson—Instructor in music and history.

Mary Wharton—Instructor in home economics.

H. O. Merry, instructor of the band.

The Band.

At the first meeting of the Board of Directors the Grand Master, Dr. C. A. Robbins, was present and proposed to send the band to the Sovereign Grand Lodge which meets in Toronto, Canada. The suggestion was unanimously agreed to and the Grand Master issued a request to each of the lodges and encampments for funds to meet the expense. It was so generously responded to that the band was notified to prepare for the trip. This was most heartily accepted by the boys and girls of the band. Extra music was purchased, extra lessons were given by Prof. H. O. Merry, director of the band. Extra labor has been generously given and much enthusiasm displayed.

The band has been busier than ever furnishing music for the lodges at anniversaries, memorials and picnics. We have been told that many members have been added through the influence of the band.

The Grand Master has chartered a car and the band now fully expects to furnish their full part of the music at Toronto.

Alfred Magnusson is the leader.

Health of the Children.

The general health of the children has been fairly good. However, two of our boys, both members of the band, Alfred Magnusson and Sam Scott, had successful operations for appendicitis. Both are better in health than for a long time. Paul Sollers had ear trouble that we fear may develop into mastoid. Otherwise, save for the usual number of adenoid and tonsil troubles, of which there are several cases, sickness among the children has not been above the average. Lylbren Miller fell while playing and broke his arm. Lylbren is doing well.

Lucile White.

Lucile is still at the open air colony. At Grand Lodge time she had a visit from Brother Oliver, Grand Sire, who said some consoling words to Lucile, which were very much appreciated. The Grand Sire said it was worth the price of a trip from Toronto to have the pleasure of such visit as he enjoyed with Lucile.

Lucile is so loved by the good people of Springfield that she is the recipient of many valuable presents, such as a gold wrist watch, a beautiful string of pearls, a valuable ring, several dollars, flowers, candy, nuts, and scores of other things. But nothing has been more appreciated than the visitations made by the numerous friends from Springfield and many parts of the State. Since writing the above Lucile has been moved to Naperville Sanitorium.

Boy Scouts.

The Grand Encampment made it possible for us to have the only uniformed unit of boy scouts in Lincoln. They have done good work and have rendered much good service on Saturday evenings on the crowded streets. Executive Williams has only good words for our boys.

Rebekah State Assembly.

The largest contribution for the Thanksgiving dinner was made last year in the sum of \$210.00. The size of the dinner was in keeping with the generous gift. The boys and girls testify to that. Then there was almost enough left to furnish the Christmas dinner. Thus the good Rebekahs gave us two good "FEEDS". Everybody in the Home has "a thank you" for this most generous gift of the best Rebekah Assembly in the world.

They also gave \$100 for the purchase of films. But as our picture machine is worn out, we did not use all the money and will use the balance to buy records for our Victrola. As our little folks are so

fond of the Victrola they will enjoy the records just as well as the pictures.

So much has been done by our good sisters that it will be difficult to enumerate all the things they have done. They will go into detail in their report. But we must not pass the enumeration of some of them at least. They purchased trees for a new orchard, an orchard of over 200 trees that are doing well. They decorated rooms, waxed floors, put in linoleum in many places, painted buildings and did a hundred other things. Everywhere is seen the gentle touch of refinement that only a woman can suggest.

REPORT OF THE AUXILIARY BOARD OF THE ORPHAN'S HOME.

As president of the Auxiliary Board, it is my pleasure and duty to present for your careful consideration the official work of that body for the year 1921.

In accordance with our laws, three regular meetings have been held during the year, January, June and September.

Owing to a misunderstanding in dates, only two members of the Board were in attendance at the January meeting. The following minutes is a complete record of the transactions of the Board at the June and September meetings:

LINCOLN, ILLINOIS, Friday, June 3, 1921.

The Auxiliary Board of the Odd Fellows' Orphans' Home met in regular session on Friday, June 3, 1921.

On roll call it was ascertained that all members of the Board were present, Sister Lura B. Latham, President of the Board, presiding. On motion, which was seconded and carried, Sister Eva Young was elected secretary of the Board for the year 1921.

There being no minutes kept of the previous meeting, which was held in January, the proceedings were reported by Sisters Ginter and Hoefer, who were the only members of the Board present at that meeting. Their report was as follows: At eleven A. M., two members of the Auxiliary Board, Mrs Hoefer and Mrs. Ginter, in company with President Trees and Vice-President Thompson, went before Board and discussed the work for the year. After full discussion of the needs of the Home, the Auxiliary Board stated that they would pay for the following work from the Assembly fund, viz: Completion of the decoration of the Girls' Dormitory, including runners for the halls, and treads for the stairways; finishing the floors in the Boys' Dormitory, including the purchase of a polisher and floor waxer; refurnishing of the private rooms of the Superintendent and Matron, and lineoleum for the Domestic Science Building; also, as a special compliment for the president, they would pay for the resetting of the TREES in the orchard. On motion, the program of the Auxiliary Board was approved.

It was moved by Sister Schwartz, seconded by Sister Hoefer, and carried, that the secretary be instructed to write a letter of sympathy to Brother Sayler, Superintendent of the Old Folks' Home, upon the death of his good wife, Sister Sayler.

It was recommended by the Board that a donation or gift of five dollars in gold be given to each graduate every year, the same to take effect at once, this amount of money be taken out of funds of the Rebekah State Assembly.

It was also voted that they would recommend to the President of the Assembly that the Rebekah fund pay for the painting of the outside of the East Cottage and the Girls' new Cottage.

For some time the Board of Directors has seen the need of giving the various buildings of the Home a permanent name, and at this time, the courtesy of naming the Domestic Science Building was extended to the Auxiliary Board. After some discussion, the motion was made by Sister Ginter, and carried, that the Domestic Science Building be named the "Lizzie L. Morrison Hall," she being the first matron of the Home, and in whose honor the Domestic Science Building had been erected.

It was decided the next joint Board meeting be held on or about the 6th of September, 1921.

There being no further business of importance to come before the meeting, the same was adjourned, and after enjoying a lovely dinner as guests of Dr. and Mrs. Lucas, the Board attended the graduating exercises in the afternoon over in the Assembly Hall, which were both interesting and instructive, the class numbering thirteen bright, intelligent young folks. Mrs. Latham made the presentation of a five dollar gold piece to each member of the graduating class, as a token of encouragement and good will from the Rebekah State Assembly.

LURA B. LATHAM,
President.

EVA YOUNG,
Secretary.

LINCOLN, ILLINOIS,
Wednesday, 8 P. M.,
September 7, 1921.

The Auxiliary Board met in regular session, with all members present, including our State President, Sister Alice M. Trees.

The minutes of last meeting were read and approved. The donation of five dollars to each graduate every year was approved by the President, Sister Trees, and she said she would be glad to incorporate it in her recommendations to the Assembly.

Sister Lucas, matron of the Home, was present and, in her pleasing manner, complimented the work of the Auxiliary Board in a few well chosen remarks. She reported that the work that was recommended to be done at the June meeting was nearing completion, that of painting the East Cottage and the Girls' new dormitory.

Inasmuch as this was Sister Latham's last meeting on the Board, it was moved by Sister Ginter, seconded by Sister Young, and carried, that a vote of thanks be given Sister Latham in appreciation of her efficient services, to which she responded with very appropriate and

beautiful remarks, saying, among other things, that she would always remember with a great deal of pleasure the five years that she had been a member of the Board.

About 9:30, the Auxiliary Board, upon the invitation of the Board of Directors, joined them in their meeting, and a most interesting and instructive meeting was had, the details of which will be found in Brother Crowder's report.

This being more of an inspection meeting and the closing up of the year's work, after discussing some of the probable needs of the Home, it was decided that nothing new be definitely decided upon at this time, but wait until the next meeting, which would be sometime in December or January.

After assembling again on Thursday morning for a few minutes, at which time it was agreed that no further business of importance was needing immediate attention, it was moved, seconded and carried that the meeting stand adjourned, thereby giving the members an opportunity to personally visit all the buildings.

LURA B. LATHAM,
President.

EVA YOUNG,
Secretary.

Management.

The management and discipline of the Home needs no commendation, for it is so thoroughly established in point of excellence that the fame of those who are entrusted with the care of our children has gone far and wide.

We would urge each member to pay this home a visit in order that you may be better able to judge of the very efficient services rendered, and to fully appreciate, as we do, the loving, courteous and efficient care and management rendered by Doctor and Mrs. Lucas and the excellent corps of teachers and governesses.

Our thoughts of appreciation for the splendid work done are perhaps best expressed by the children themselves, and we know that the members of the Order when visiting the Home, cannot fail to see the loving trust of the children in, and their respect for, Doctor and Mrs. Lucas.

"There are loyal hearts,
There are spirits brave,
There are souls that are pure and true;
Then give to the world the best that you have,
And the best will come back to you."

Number of Children.

On August 1 there were 171 children, members of the Home family, 90 boys and 81 girls.

The school is now fully maintaining its standard and excellent work is shown in all departments.

A number of the Home children having completed the work of the eighth grade, are now being given the advantage of attending the High School in the city of Lincoln.

Many of our boys and girls who have gone out from the Home to make a career for themselves are filling the highest office in both the Rebekah and Subordinate lodges over the State. Sister Sheets, our assembly warden, is a former Home girl, and is now an instructor in departmental arithmetic in the city schools of Lincoln. Sister Alice Magnusson, a former Home girl, has been chosen director of music to succeed Miss Peters. Alfred Magnusen, a former Home boy, is now occupying the responsible position as leader of our band and is at the same time taking a college course in Lincoln.

We feel that these, together with many others, are worthy of mention.

Health.

With the exception of two boys, who were successfully operated upon for appendicitis, the health of the Home family has been exceptionally good.

A remarkable fact is that no contagious diseases have prevailed in our Home this year.

Conclusion.

And now I must hasten to the concluding paragraph of this brief synopsis of the work of the year. It is the occasion of real regret that my duties have been so exacting as to forbid that complete oversight of the affairs of the Home which would have been my pleasure to give.

However, I have been permitted to attend a majority of the meetings and count myself fortunate in having been associated with the members of the boards and with the Home family. As an advisory board, we have endeavored to further the interests of our Home to the best of our ability. We have not striven to excel any previous board, as we felt that wherever our efforts to arouse an enthusiasm were successful, the returns from that source would be duly credited to the cause we have endeavored to boost, "Our Home."

Words are inadequate to express the great appreciation we feel toward Doctor and Mrs. Lucas, the teachers and governesses, and to the Board of Trustees for the many courtesies extended to us,

If I could put my whole heart into those three little words, "I thank you," they would then convey the meaning I desire them to express.

May God send his blessing on each one—the blessing which makes rich and in which there is no sorrow.

Fraternally submitted,

LURA B. LATHAM, P. P., Chairman;

CATHARINE HOEFER,

FRANCES SCHWARTZ,

EVA YOUNG, *Secretary*;

ELIZABETH GINTER.

ACKNOWLEDGEMENTS.

We can only repeat with greater emphasis, what we have said in former reports, concerning the loyalty and earnest application of the teachers, and employees of the Home. Almost without exception, they have worked faithfully, and seemingly with great interest, showing that they felt they had a part in the work, and were proud to be engaged in it.

The Superintendent and Matron, Dr. and Mrs. Lucas, have continued their splendid work, and exerted a great influence for good, in shaping the lives of the children under their supervision.

We cannot close this report without making special acknowledgement of the hearty co-operation given by the Auxiliary Board and President of the Assembly. Mrs. Trees, as President, has been especially interested in the work of the Home, and acting with the Auxiliary Board, has contributed largely to the success that has been attained during the year.

We wish to thank you, Grand Master, for the part you have taken during the year, and the many suggestions that you have made for the benefit of the Home. Your many visits to the Home, have given you accurate knowledge of its needs, and your wise suggestions have been of great value in helping to solve the problems brought before us.

Fraternally submitted,

JOHN H. STEINER, Chairman;
W. R. MCGAUGHEY, Vice Chairman;
J. J. CROWDER, Secretary;
J. PARKER SMITH,
T. H. THOMPSON,
Directors.

INTRODUCTORY.

To the Grand Master, Brother C. A. Robbins, and members of the I. O. O. F. of Illinois:

In compliance with the Grand Lodge law we are pleased to submit the twenty-fourth annual report of the I. O. O. F. Old Folks' Home of Illinois.

The year has been an eventful one in the affairs of the Home, but it has been tinged with deep sorrow. Brother Marry G. Cormick, of Centralia, who was serving his eighth year on the Board of Trustees, contracted a severe cold while in the performance of his duties as a member of the Board, which quickly developed into pneumonia, from which he died at his home in Centralia January 18, 1921. His counsel and services have been greatly missed by his associate members of the Board.

The Grand Master appointed Brother Adam C. Cliffe, of Sycamore, to fill the vacancy on the Board, and the Trustees found Brother Cliffe to be a very congenial gentleman; however, Brother Cliffe found it to be inconvenient to attend to the duties of the Board, and in July tendered his resignation to the Grand Master, which was accepted, and the Grand Master appointed Brother O. C. Forsman, Grand Patriarch, of Carlyle, to fill the vacancy.

Sister Rhoda Sayler, Matron of the Home for seven years, and universally loved by the old members of the Home, had been suffering an affliction for several months, and died at the Home in May, 1921. Her death was greatly mourned, and her memory will be cherished.

The Trustees at their June meeting selected as Matron Mrs. Belle Reilly, a sister of Mrs. Sayler, and she is proving herself a capable and worthy successor in that position. We hear nothing but words of praise for her from the members and help of the Home.

The buildings and grounds have been kept in splendid repair and good sanitary condition, and Superintendent Saylor has given his best service and thought to the interest of the Home. The sewerage system is inadequate, being constructed of farm drain tile, and, as the Trustees believe, has polluted the water in the well that was recently put down to supply the needs of the Home, and we are therefore not using the well for drinking purposes.

The Trustees contemplate putting in a vitrified tile sewer of sufficient size and joints sealed to meet the needs of the Home. The Home has had many visitors throughout the year and all have been enthusi-

astic in commending the benevolent work of Illinois Odd Fellowship. There are many members of the Order that find in our Homes an opportunity to continue their benevolent work after they shall have been called from the affairs of this life to the Grand Lodge above, by providing legacies to the Endowment Funds of our Homes. The amounts of these legacies are placed in a permanent endowment fund in the name of the person making the bequest, and only the interest thereof is used for maintenance. We have received this year, by the will of Brother Joseph Wilson, a member of Green Valley Lodge No. 308, eighty acres of land, to be sold and the proceeds placed in the Endowment Funds. The land has been sold to net the Homes \$11,921.60. This magnificent bequest places in this fund practically \$12,000.00, the interest therefrom to be divided between the two Homes, and so the benevolent work of Brother Joseph Wilson will be carried on in his name so long as the Order lives and, as we are taught to believe, it is builded upon a foundation that will last "until Time shall be no more."

The Grand Master and the President of the Assembly have made many visits to the Home and have expressed themselves in hearty accord with the Board and the management. To them we wish to express our sincere thanks for their counsel and cooperation. The other Grand Officers have made frequent visits and have contributed good cheer to all connected with the Home.

Entertainment and church services have been carried on as in the past, and the old people in general have been happy and contented. The Advisory Board have aided and assisted in providing for the welfare of the members of the Home. Together with the President of the Assembly, they have purchased a combination passenger and delivery truck, for the use of the Home, and also are placing an extra electric unit in the lighting plant.

To the fraternal press, and to all who have so considerably aided us in the affairs of the Home, we express our grateful appreciation.

Herewith we take pleasure in submitting our financial and detailed report.

REPORT OF THE ADVISORY BOARD OF THE OLD FOLKS' HOME.

"Where we love is home,
Home that our feet may leave, but not our hearts,
Though o'er us shines the jasper-lighted dome—
The chain may lengthen, but it never parts."

The events of another year have passed into the annals of history. The past year has been an interesting and pleasant one for the members of the Old Folks' Home. Life is as full of interest to them as to any of us—an interest that centers in the lives of those that make up the Home family.

It would be time well spent if we would devote a few leisure moments to write a letter to the members, addressed to the Superintendent, that might be read to that splendid, interesting family, to whom we have dedicated our services. It would be appreciated for many days.

As a Grand Lodge and Assembly, we have a responsibility as individuals to add to the happiness of the members and put as much sunshine in their lives as possible. The beauty of the Home has been so minutely described in previous reports that we will not attempt to set forth its beauties at this time. We would recommend that every Rebekah, that can do so, avail herself of the opportunity to visit the Home. Then each one will understand the good management of our Brother, E. R. Saylor, who puts the Home in such a happy and prosperous condition.

Under the new ruling of the Grand Lodge, the honored Trustees called a "joint" Board meeting four times during the year. In this

way we were able to arrange for the necessary work planned to be completed in time to be reported to the Grand Lodge.

Sisters Trees, President; Thompson, Vice-President; Flora Sheets, Warden; Mae E. Crowell, Secretary; Grace Henry, Chief of Examiners and Instructors, have honored us with "good will" and advice as visitors.

An unusual honor was extended at our last "joint" meeting, in September, by the presence of Grand Master Robbins, President Trees and Grand Patriarch Forsman. They furnished the Home with a splendid entertainment in the evening.

We are fortunate in securing Sister Belle B. Reilly, who was unanimously elected Matron by the joint Board. She is working untiringly for the best interests of all within the fold of the Old Folks' Home.

My acquaintance with Sister Sayler was for a number of years before she accepted the responsible position of Matron at the Home. She was a member of the King's Daughters' Old Ladies' Home Board, and a worker in her church societies. She entertained gracefully in her pretty home in Springfield. On one occasion I witnessed her recitation of a choice selection in the W. C. T. U., in one of their annual contests. She was awarded the first prize by the judges.

Rhoda Alice Sayler passed away at 1:50 a. m. May 18, 1921, at the Old Folks' Home at Mattoon. She was born in Boone County, Indiana, October 8, 1857. Her parents were Dr. Harrison and Elizabeth Brandon. The family came to Illinois when she was but a child, and lived in Decatur. She was united in marriage to Eldo R. Sayler in Indianapolis on September 27, 1877.

She identified herself with Rebekah Odd Fellowship in 1901 and became a member of Lilla Rebekah Lodge No. 63 of Springfield, Illinois. She served as Noble Grand of her lodge and later became a member of the Rebekah State Assembly.

She leaves her devoted husband; two grandchildren, Mrs. Alice Mae Leeper, of Chandlerville, Illinois, and R. Sayler Warlick, of Philadelphia, Pennsylvania. She also leaves her aged mother, Mrs. Elizabeth Brandon; two sisters and two brothers.

At the memorial services held for Sister Sayler, Brother J. W. Yantis delivered a touching and eloquent address and paid a high tribute to Sister Sayler's memory.

We stand today under the shadow of this bereavement. But, while new friendships will be treasured, none can remove from the hearts of the Brothers and Sisters of this jurisdiction their love and admiration for Sister Sayler. She possessed the ability to cheer the heavy hearted, to be a true friend, who made the world better by

having lived. The following eulogy was presented by Sister Sherman to the Advisory Board:

"Words are inadequate to express the sense of sorrow and loss felt by the Advisory Board of the Old Folks' Home in the 'going away' of the Matron of the Home, Sister Rhoda Sayler. All of the members of the Board have known her for many years; have learned to love her not only as a personal friend, but also for her devotion to her family and her various duties in the work of this Home. Her companionship was a never failing pleasure, and as a friend she was always loyal and true, possessing the happy faculty which drew and kept friends and gained their confidence.

"Rebekah Odd Fellowship meant more to her than lip service; she was impressed by the beautiful lessons taught, and strove to live up to its teachings each day, and thus she made the world, because of her, a better place to live in. To live rightly, each one must have an ideal. If our ideals are high, our lives will reach their loveliest budding, their fullest fruition. Sister Sayler's ideal was to serve her family and home and be a friend to all humanity. That this ideal was reached is proved by the fact that she was a never failing source of inspiration to her family and friends.

"No one ever passed out of this life who was more keenly missed by her family, her friends, and this Order, which she loved so well, and to which she gave all of her time, her talents, and her vital force. Truly, 'her deeds will live after her.'

"To the devoted family she has left for a little while, we extend our sincere and loving sympathy, knowing that they will take comfort from the thought that because she lived many lives are happier, great good has been accomplished, and much misery has been ameliorated.

"When a sudden sorrow comes like a cloud and night,
Wait for God's tomorrow, all will then be bright.
Only wait and trust Him just a little while;
After evening's teardrops shall come the morning smile.

Following is the report furnished to the Advisory Board by the Superintendent and Matron:

MATTOON, ILL., August 31, 1921.

To the Advisory Board of the I. O. O. F. Old Folks Home:

DEAR SISTERS—In submitting this, our annual report, we desire to express our deep appreciation of the many things furnished the Home

by the Rebekahs of the State. We desire to especially acknowledge the kindness of Sister Alice M. Trees, President of the Rebekah State Assembly, who worked harmoniously with the Advisory Board in securing for the Home an additional unit for our power plant, consisting of an engine and generator combined, and by this additional machinery we will be safe from breakdowns and increase the output of our power plant 100 per cent. The one ton truck furnished by the Rebekahs is one of the most useful additions to our equipment we have. The decorating of walls and rooms in the Home must not be forgotten, and the money furnished each year for entertainment does a world of good.

Sad it was when we lost our dear Matron. It seemed that darkness overshadowed our Home. Her motherly kindness to the old people will live on and on, her "Rose Garden," the pride and joy of her thought in doing something to make more beautiful this sacred spot, will be remembered and not forgotten. The Board of Trustees have wisely selected Mrs. Belle B. Reilly as her successor and our work is going along nicely.

We express our appreciation of each member of the Advisory Board, all splendid good women, giving their undivided attention to the best interest of this great Home; we desire to thank the Vice-President, Sister Nellie C. Thompson, the Warden, Sister Flora Sheets, for the many pleasant visits to the Home, and we would not forget the good Rebekahs all over the State who send their donations to the Home from time to time, that they may be of help to some old Brother or Sister.

REPORT OF THE GRAND SECRETARY.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

I herewith submit my report as your Secretary for the eleven months beginning November 1, 1920, and ending September 30, 1921.

By reason of the change in the time of meeting of the Grand Lodge from November to October the fiscal year is shortened one month, which in a measure affects the receipts and disbursements of my office.

The statistics run from January to January, being a combination of the Semi-Annual Reports received at this office for the terms ending June 30 and December 31.

My report to the Sovereign Grand Lodge made in January for the year 1920 shows the largest net gain ever made by this Jurisdiction in a single year, viz.: 10,331.

Reports for the term ending June 30 of the present year are satisfactory but we can hardly expect to duplicate the record of last year. Fraternal organizations constitute a very accurate barometer of business conditions.

We have, however, abundant reasons to be justly proud of the growth and achievements of Odd Fellowship everywhere and especially in Illinois.

GRAND LODGE JOURNAL OF 1920.

The Grand Lodge Journal for the session of 1920 consisted of 512 pages.

To arrange copy, read proof, and index the Grand Lodge Journal requires the entire time of a thoroughly competent person, whom we secured in the person of Past Grand Master Owen Scott.

TRUSTEES OF THE ORPHANS' AND OLD FOLKS' HOMES.

All bills allowed by the two Boards of Trustees are forwarded to me with an attached certificate signed by the President and Secretary of the Board and countersigned by the Grand Master. These bills and vouchers are kept on file in my office for future reference, and orders on the Grand Treasurer are drawn for the several amounts. Upon these vouchers the Grand Master and myself have drawn orders on the Grand Treasurer for the sum of \$61,490.09 to pay bills contracted by the Trustees of the Old Folks' Home, and the sum of \$59,827.20 to pay bills contracted by the Directors of the Orphans' Home, making a total disbursement for these two charities of the sum of \$121,317.29.

JUDICIARY AND APPEALS COMMITTEE.

As Secretary of the Judiciary and Appeals Committee, I report that four sessions of this committee were held, as provided by law, on the third Tuesday of November, 1920, February, May, and August, of the present year. At the November session the By-Laws from 40 Subordinate and 16 Rebekah lodges were acted upon. At the February session the By-Laws from 41 Subordinate and 18 Rebekah lodges were acted upon. At the May session the By-Laws from 54 Subordinate and 41 Rebekah lodges were acted upon. At the August session, the By-Laws from 36 Subordinate and 25 Rebekah lodges were acted upon.

AGED ODD FELLOWS FUND.

Our Code of Laws, viz.: Sections 133-143, provide for the establishment of an Aged Odd Fellows Fund to be maintained from the assets of defunct Subordinate lodges. It provides that certain members of defunct lodges may register with the Grand Secretary and upon compliance with the law the Grand Secretary reports such Brothers to the Grand Lodge for approval.

Two names have been previously reported to the Grand Lodge, but no action was taken. I now report two Brothers who have complied with the law and ask to have their names placed on the Aged Odd Fellows Register. I, therefore, request the Grand Lodge to approve the applications of the following Brothers, viz.;

G. T. Hilsman, a former member of Burton Lodge No. 642, I. O. O. F., located at Burton, Illinois, but now defunct.

John O. Hunsaker, a former member of Burton Lodge No. 642, I. O. O. F., located at Burton, Illinois, but now defunct.

Action approved.

Grand Lodge Constitution.

The following three amendments to the Grand Lodge Constitution were adopted at the 1920 Session and approved by Deputy Grand Sire Lucian J. Eastin on Dec. 24, 1920, viz.:

Article 5, Section 2.

Section 2. One District Deputy Grand Master shall be appointed and commissioned by the Grand Master in each district, the term of his service to be one year from the December 1st succeeding his appointment. He shall be a resident of his district, a member of a lodge therein, a Past Grand in good standing, and lawfully in possession of a certificate from the Grand Instructor showing that he is proficient in the unwritten work. He shall be responsible alone to the Grand Master, obey his instructions, and perform such duties as are required by the Grand Master or the laws of the Grand Lodge. The Grand Master, in his discretion, shall have the power at any time to remove any District Deputy. The District Deputy shall be subject to the disciplinary jurisdiction of his lodge as any other member.

Article 11, Section 5.

Section No. 5. The Grand Master, at his discretion, or the Grand Lodge, at its discretion, shall grant and issue the necessary dispensation, provided that no lodge has reported more than one-third (and in no case less than five) of the members voting against the written provision providing for the consolidation.

Laid over for one year.

Amendment not adopted.

PROPOSITION TO ESTABLISH AN OFFICIAL ORGAN TO BE SENT TO EACH MEMBER.

Document No. 14.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Believing that it is now time that the Grand Lodge should spend some money to prevent "Dropped for Non-payment of Dues," and keep what members we have in addition to our effort to get new members, and believing that the most effectual way to accomplish this is a regular publication sent to every member in the state, keeping them informed as to our aims, objects and accomplishments;

Believing it to be a fact that not over 50 per cent of the men initiated into our Order ever attend their lodge enough to know anything of the value of the Order in Illinois, forming their opinion only from the work of their own local lodge.

Every other Order that is making great progress has an official organ to keep their members informed.

The W. O. W., with almost a million members, sends every member monthly magazine and even receives a profit financially from it.

Practically all labor organizations see that the members receive regular publication to keep up the interest of their members.

Even successful industrial plants find it a profitable investment to keep their employes informed of their aims, objects, and accomplishments through house organs.

While it is true that we have publications privately published that are doing a valuable work for the Order, they are only read by the enthusiastic workers, and the member that should be reached will not subscribe for them even if they know of their existence.

This is a reading age and Illinois Odd Fellows are doing too many good things to depend upon "word of mouth" publicity, and need a publication to bring it into the homes in a proper light; therefore, be it

Resolved, That the Grand Master be instructed to appoint a committee to devise ways and means to issue an Official Organ to be sent to every member of the Order in Illinois.

Referred to Committee on State of the Order.

Committee Report

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on State of the Order would respectfully report as follows, on resolution having reference to establishing a publication to be owned by the Grand Lodge.

Document No. 14.

This resolution has for its purpose the creating of a larger interest in our Order by the rank and file of our membership, and thereby reducing the number of members who are dropped each year for non-payment of dues. We believe that this subject requires serious consideration and we recommend that the incoming Grand Master publish the resolution in connection with a general letter to all lodges so that each lodge can instruct its representative as to their views so that the matter can be given careful consideration at the next Grand Lodge session.

SIGNED BY THE COMMITTEE.

Which was adopted.

RESOLUTION LOOKING TO THE ESTABLISHMENT OF A CONVENTION BUILDING IN SPRINGFIELD.

Document No. 66.

W. E. P. Anderson, of No. 107, moved as a substitute to Document No. 12, in Tuesday's Daily Journal, that a committee of five be appointed by the incoming Grand Master, the incoming Grand Master to be the Chairman thereof, for the purpose of communicating and interviewing the Chamber of Commerce of Springfield, Illinois, and other cities, calling their attention to the importance of commencing, for the purpose of immediate completion, a permanent building in Springfield that will not only accommodate the branches of the Grand Lodge of Odd Fellows, but all other large gatherings which may in the future convene in Springfield. That each successive Grand Master shall assume the duties of Chairman of said Committee until the purpose sought herein is attained. That no expense to the Grand Lodge shall be incurred on account of said Committee.

Which substitute resolution was adopted.

CONCLUSION.

I extend most sincere thanks to my associate Grand Officers and co-workers in all departments, and particularly to General Joseph Fairhall, Department Commander of the Patriarchs Militant; O. C. Forsman, Grand Patriarch; Grand Scribe Sam J. Baker; President of the

Rebekah Assembly, Sister Alice M. Trees, and Sister Mae E. Crowell,
Secretary of the Rebekah Assembly.

To the membership throughout the state I am ever grateful for
their confidence and untiring assistance in furthering the cause of our
beloved Order.

Fraternally yours,

Geo. H. Sikes.

Grand Secretary.

GRAND REPRESENTATIVES' REPORT.

To the Grand Lodge of Illinois, I. O. O. F.:

Your Grand Representatives to the Sovereign Grand Lodge herewith submit the following report of the proceedings of the ninety-seventh annual communication of the Sovereign Grand Lodge, held in Toronto, Ontario, Canada, from September 19th, 1921, to September 23d, 1921, inclusive.

This was the second time that the Sovereign Grand Lodge had held its sessions in this beautiful city, and it was peculiarly fitting that the session should be presided over by a Canadian Grand Sire, in the person of our distinguished Brother, Honorable Joseph Oliver.

The Brothers and Sisters of Ontario did everything in their power to make it pleasant for the visiting Brothers and Sisters.

PRESENT FROM ILLINOIS.

We doubtless have omitted from this list some of the Sisters and Brothers who were present from our State, but we give the names of those whom we recall:

Samuel Erickson and wife, Chicago.
John W. Birney, Bloomington.

BOHEMIAN LODGES.

Several of the Bohemian Lodges of Chicago sent Representatives to Toronto to present a petition to the body seeking a modification of the law relative to the use of foreign languages. These lodges were ably represented by the following Committee:

Joseph Macek, Jr., for Praha Lodge No. 231, I. O. O. F.

Louis G. Zavadil, for Praha Lodge No. 231, I. O. O. F.; also represented Karel Havlicek Lodge No. 1037.

Charles M. Cada, for Bohemia Lodge No. 202, I. O. O. F.

James J. Matejka, for Komensky Lodge No. 1032, I. O. O. F.

Mrs. Jennie Sistek, for Libuse Rebekah Lodge No. 50, I. O. O. F.

VETERAN BUTTONS.

Your Representatives presented a bill to permit the wearer of a "Veteran Button" to have the same rights and privileges in lieu of regalia as the wearer of a "Veteran Jewel." The Committee on Legislation recommended that the bill pass, but when the vote was taken the bill did not receive sufficient votes to make it a law. It seemed that many of the Representatives did not comprehend the purpose of the change. Some thought that it was an attempt to do away with the regalia of the Order and made a plea to retain the regalia. This was far from the object of the proposed bill. Under the law at the present time the wearer of a "Veteran Jewel" is entitled to sit in a Subordinate Lodge without regalia. A Brother who wears a "Veteran Button" which is supplied by the Sovereign Grand Lodge, and under the direction of the Sovereign Grand Lodge, cannot understand why he who is wearing a jewel representing identically the same thing, namely, a continuous membership for twenty-five years in the Order,

is not entitled to the same rights, privileges, and benefits as the Brother who possesses a "Veteran Jewel." Our object was to place these Brothers on the same footing, and it is wrong to discriminate between these Brothers. If the Representatives were sincere in their desire to retain the regalia of the Order in its entirety, then the law authorizing twenty-five year members with "Veteran Jewels" to sit in a lodge without regalia should be repealed, as our Order ought not to recognize a "Veteran Jewel" for one purpose and a "Veteran Button" for an entirely different purpose, when both the jewel and the button represent one and the same thing.

The "Veteran Button" has become very popular in our jurisdiction and it is with considerable pride that we point to the fact that our jurisdiction during the past year bought more "Veteran Buttons" and "Veteran Jewels" through the office of the Grand Secretary of the Sovereign Grand Lodge than any other jurisdiction.

DECISIONS.

During the year I have been called upon to deal with a number of matters which seem to have been the cause of some disagreement in the jurisdictions concerned. My replies to inquiries have been dealt with as promptly as circumstances would permit. The decisions rendered are as follows:

DECISION No. 1.—Can the Grand Lodge of Ohio grant its Subordinate Lodges the privilege of drawing a by-law providing that, after a Brother shall have received 52 consecutive weeks' sick benefit, the lodge may pay \$1.00 per week during the continuance of disability?

Answer.—Yes.

DECISION No. 2.—Can a lodge at a prior meeting decide by vote to omit a meeting on the regular night, when it falls on a holiday?

Answer.—Yes.

DECISION No. 3.—Can a Brother in a soldier or sailor uniform of the U. S. Army or Navy wear regalia while in the lodge room, and when the lodge is in session?

Report 18. By Rep. Younger, of Ohio, from the Committee on Judiciary:

To the Sovereign Grand Lodge of the Independent Order of Odd Fellows:

Your Committee on Judiciary, to whom were referred the decisions of the Grand Sire, beg leave to report that we have carefully considered Decision No. 3, and are of the opinion that the answer should be modified. We therefore recommend that the answer to the same be modified to read as follows:

“Answer.—While the soldier or the sailor may not be permitted to wear anything on his uniform on the street, yet in the lodge room it is different; all must meet on a common level, whether soldier, sailor, or civilian;

“Therefore, your committee is of the opinion that it is compulsory that appropriate regalia be worn during a lodge session, yet it is nevertheless optional with the individual member whether or not the regalia worn be that of the highest rank he has attained in the Order.”

Signed by the Committee.

DECISION No. 4.—*Statement*.—A Brother, a member in good standing in "A" Lodge in Oklahoma, on December 1, 1919, makes application for membership in "B" Lodge in Oklahoma, on his official receipt, the receipt showing his dues paid to June 1, 1920. He has moved his residence to the jurisdiction of "B" Lodge. On December 8, he is elected to membership in "B" Lodge, on his official receipt, and the same day the Secretary of "B" Lodge notifies "A" Lodge and requests a transfer certificate for the Brother, enclosing with the request a fee of 25 cents in payment for the certificate. On December 16, "A" Lodge issues transfer certificate for this Brother and mails it to the Secretary of "B" Lodge, by whom it is received. The Secretary of "B" Lodge then notifies the Brother of the receipt of the transfer certificate, on regular form, which notice is received by the Brother on December 18. The Brother does not appear and sign the constitution of "B" Lodge. On January 1, 1920, the Brother is a resident of the jurisdiction of "B" Lodge, but has never signed the constitution of "B" Lodge. On July 1, 1920, the Brother is a resident of the jurisdiction of "B" Lodge, but has never signed the constitution of "B" Lodge. On October 1, 1920, the Brother moves back to the jurisdiction of "A" Lodge and has never signed the constitution of "B" Lodge. On the issuance of the transfer certificate by "A" Lodge, the Secretary of "A" Lodge sends, with the transfer certificate, a cheque for the unearned dues of the Brother, and shows on his minutes that the Brother has withdrawn from "A" Lodge, and shows the Brother withdrawn on his report for the year 1919. The cheque is payable to the Brother. On receipt of the cheque by "B" Lodge, the Secretary of "B" Lodge retains the cheque itself with the transfer certificate and application, and does not show the Brother on his minutes as a member because he has not signed the constitution of "B" Lodge, and does not show the Brother in his report for 1919 for the same reason. The Secretary of "A" Lodge does not notify the Brother of his dues being delinquent for the reason that he does not consider a member of "A" Lodge and supposes that he is a member of "B" Lodge. No notice is ever mailed the Brother that he is not in good standing.

The constitution of Oklahoma provides, Article XVII, Sec. 1, page 127, as amended: A member of a lodge who shall become in arrears for an amount equal to three months' dues shall forfeit all right to sick or funeral but not attentive benefits, provided notice as required by Section 3 of this Article has been sent or delivered to the delinquent member, and the notice provided by said Section 3 is the regular printed form of notice of delinquency.

On December 1, 1920, this Brother dies while residing within the jurisdiction of "A" Lodge, and there being no change in the conditions as herein stated.

Question (a).—What lodge should report this Brother as a member on January 1, 1920?

Answer.—Neither.

Question (b).—What lodge should pay per capita tax on this Brother January 1, 1920?

Answer.—Neither.

Question (c).—What lodge should report this Brother as a member on July 1, 1920, "statement of membership and gains"?

Answer.—Neither.

Question (d).—What lodge should pay per capita tax on this Brother July 1, 1920?

Answer.—Neither.

Question (e).—To what lodge did this Brother belong on September 30, while living within the jurisdiction of "B" Lodge?

Answer.—Neither.

Question (f).—To what lodge did this Brother belong on October 3, while living within the jurisdiction of "A" Lodge?

Answer.—Neither.

Question (g).—What lodge owes funeral benefits to the widow of this Brother?

Answer.—Neither.

Question (h).—What proceeding is necessary to restore this Brother to beneficial membership in "A" Lodge before his death?

Answer.—In Report No. 11, Page 474, Journal, 1918, the Judiciary Committee states that, if the holder of the certificate becomes sick or disabled so as to be entitled to benefits during the period covered by the advanced payment of dues to the body granting the certificate, the certificate is, *ipso facto*, canceled; but, if no such sickness or disability intervenes, the right to complete membership in the new body by depositing the certificate and signing the constitution continues without limit as to time. The standing of the holder of such certificate, after the expiration of the period covered by the advanced payment of dues, is the same as a non-beneficial member of the body granting the certificate and he can become a beneficial member in the new body only by completing his membership therein and in accordance with its laws.

DECISION No. 5.—Is the holder of a withdrawal card eligible to become a member of a lodge within whose territorial jurisdiction he does not reside, by the deposit of such withdrawal card, consent being given by the lodge within whose jurisdiction he resides?

Answer.—All that is necessary is the consent of the lodge within whose jurisdiction he resides. If that consent is given he may become a member.

DECISION No. 6.—Can a member of the Rebekah Lodge apply for membership by transfer certificate to the lodge in this State which is nearest her residence, provided the Grand Master of the State in which she resides will grant the necessary release of jurisdiction? See Code, Sections 486 and 490.

Answer.—Yes, she can apply for membership by transfer certificate, the Grand Master of each jurisdiction and the lodge giving permission for her to join outside of her jurisdiction.

To the Sovereign Grand Lodge of the Independent Order of Odd Fellows:

Your Committee on Judiciary, to whom were referred the decisions of the Grand Sire, beg to report that the committee has carefully examined and considered Decision No. 7.

The question presented calls for the definition of the title, "Ancient Member." That term has never been known or used in the Order. Prior to the adoption of the Code the term, "Ancient Odd Fellow," was applicable to a Brother who held an expired withdrawal card, or one who had resigned his membership, and to one who was a member in good standing of a body which became defunct and who held a Grand Lodge card.

We, therefore, recommend that the decision be disapproved and offer the following:

"Resolved, that said decision be and is hereby disapproved."

DECISION No. 8.—(a) Five members were present at a lodge meeting, an application for membership was balloted on, only five members voted. Was this ballot legal?

Answer.—Yes, if not in conflict with local law. (See Code, Section 514, page 244, Section 811, page 370.)

Question (b).—Can a lodge hold a meeting and transact business with five members present if three of them are in arrears for dues? Is the business legal thus transacted?

Answer.—Yes, if not in conflict with local law.

Question (c).—Is it legal to use funds of the lodge to purchase jewels for their members or others for the Decoration of Chivalry?

Answer.—No.

Question (d).—Is it legal to solicit funds for a cottage or restroom at the State fair grounds, this building to be used for the entertainment of Odd Fellows during fair week and used one week in the year?

Answer.—No.

To the Sovereign Grand Lodge of the Independent Order of Odd Fellows:

Your Committee on Judiciary, to whom were referred the decisions of the Grand Sire, beg to report that we have given due attention to the same and recommend that the answers (a), (b), and (c), Decision No. 8, be approved, but as to question (d) it does not appear

James Ewing Davis.

Grand Representative,
Chicago, Ill.

to contemplate the expenditure of lodge funds, but refers rather to the solicitation of funds for the purposes named, so that the answer should be:

Answer.—Yes, providing the same is not in conflict with local law, and then only upon application to and granting of a dispensation by the Grand Master for the use of the name of the Order for that purpose."

To the Sovereign Grand Lodge of the Independent Order of Odd Fellows:

Your Committee on the Judiciary, to whom was referred the decision of the Grand Sire, numbered 9, beg to report that in considering this decision we had the benefit of the correspondence from which it resulted and learned that the Grand Encampment referred to, at its session in May, 1920, elected a Brother as Grand Representative who did not possess the necessary qualification for that office, and, therefore, the election was void. The vacancy consequent did not occur during the recess of the Grand Encampment and therefore the Grand Patriarch was without power to appoint, but it was the duty of the Grand Encampment at its session in May, 1921, to elect a Brother to the office who was eligible.

The vacancy in the office resulted from the conceded fact of the ineligibility of the Brother chosen, and was not a matter of declaration.

Of course, the Sovereign Grand Lodge is the sole judge of the qualification of its members when there is any contest as to eligibility; but here there is no question to be decided; the controlling fact is admitted.

We, therefore, recommend that the opinions set forth herein be substituted for the answers given by the Grand Sire.

DECISION No. 10.—By-law. No benefits shall be paid for the first week's sickness, the sum of \$5.00 shall be paid for the period of 13 weeks, and at the expiration of 13 weeks the sum of \$2.00 shall be paid for a period of 26 weeks, and then \$1.00 per week during the period of continued sickness.

Question.—Is this by-law in harmony with Section 3, Code?

Answer.—You could not, in my opinion, approve such a by-law. You could approve one to pay \$5.00 for 13 weeks, then \$2.00 for 39 weeks. The fact that you paid \$5.00 for the first 13 weeks does not overcome the law as laid down in Section 3 of the Code that you must pay not less than \$2.00 per week. If the lodge wants to pay \$5.00 a week for the first 13 weeks, all right, but they must pay \$2.00 per week for the balance of the first year.

DECISION No. 11.—Would the decision of Grand Sire Goudy (Decision No. 29, page 311, S. G. L. Journal, 1918) be construed to eliminate the provision mentioned in Section 861, and to nullify the requirements

of the Grand Encampment of Virginia as service of High Priest as additional qualification for the office of Chief Patriarch

Answer.—No. (See Section 861 of the Code.)

DECISION No. 12.—Is a Past Chief Patriarch or a Past Noble Grand, not yet a member of the Grand Body, but will be before being installed, eligible to run for Grand Lodge office or Grand Encampment office?

Answer.—No. (See Sections 400 and 401, pages 189 and 190 of the Code.)

DECISION No. 13.—Facts: January 29, 1915, Brother suspended for non-payment of dues; July 16, 1919, reinstated by paying the amount of one year's dues, \$6.00. Paid no dues at that time. October 4, 1919, paid one year's dues, \$6.00, December 19th was taken sick and has been an invalid ever since.

Question.—Is he entitled to sick benefits?

Answer.—Your uniform constitution is very clear on this matter. This Brother was in good standing when he took ill, but was not entitled to benefits until six months after being reinstated, therefore I agree with you that he would be entitled to benefits from January 16, 1920.

DECISION No. 14.—*Questions A and B*—Clause 20, Section 21, of the Grand Lodge Constitution says distinctly that the Committee on Appeals or any other committee of the Grand Lodge shall make the report to the Grand Lodge on matters in controversy and affecting the rights, duties, and obligations of a Subordinate Lodge or any of its members and the report so made when adopted by the Grand Lodge. It shall be the duty of the Grand Secretary, within 15 days from the adjournment of the session at which the said report shall have been adopted, to notify the parties immediately interested. Unless the report of the committee was adopted by the Grand Lodge, it is not in force.

Question.—An applicant desiring to become a member of a lodge situated in a certain town, by initiation, must receive the consent of the lodge nearest to his residence before he can join another lodge.

Answer.—It is not necessary for him to receive the sanction of more than the lodge nearest the one that he should join.

To the Sovereign Grand Lodge of the Independent Order of Odd Fellows:

Your Committee on the Judiciary, to whom were referred the Decisions of the Grand Sire, beg to report that we have carefully considered Decision No. 14, page 56 of the Journal, and from the phraseology are of the opinion that in printing some portion has been omitted. We are therefore unable to pass upon same in its present form, and ask to be relieved from further consideration thereof,

DECISION No. 15.—*Question*.—A charge having been made against a Brother, he having been legally tried and acquitted, can an appeal be taken from that decision?

Answer.—Yes, it is the privilege of either the accused or the accuser, if the decision does not meet with their approval, to carry the case up to The Sovereign Grand Lodge, if they comply with all necessary conditions.

To the Sovereign Grand Lodge of the Independent Order of Odd Fellows:

Your Committee on the Judiciary, to whom was referred decision numbered 15, found in the Supplemental Report of the Grand Sire, on page 57 of the Daily Journal, beg to report that in our opinion the question asked calls for the construction of the local law of the Jurisdiction concerned. This question came from the Grand Jurisdiction of Iowa, and we have examined the constitution of this Jurisdiction and find that it seems to grant the right of appeal from all decisions of the lodge in trials, and we are, therefore, of the opinion that the Grand Sire answered the question correctly, and, therefore, recommend the approval of the decision.

JUNIOR BRANCH OF THE ORDER.

A bill for an act providing for the establishment of a Juvenile Branch of the Order, in which the membership shall be composed of young men between the ages of sixteen and twenty-one, was referred to the Committee on State of the Order. This committee reported that a committee should be appointed by the Sovereign Grand Lodge to consider the subject and report at the next session. At the time of the adjournment of the session of the Sovereign Grand Lodge the Grand Sire had not announced the names of the committee, but the names will be published in the Journal of Proceedings.

AUSTRALASIAN AFFAIRS.

Past Grand Sire Borst from the Special Committee on Australasian Affairs presented a voluminous and comprehensive report concerning the affairs in that Jurisdiction. We were especially honored in having with us at this session Brother William Lucas, Grand Sire of Australasia and Grand Representative to the Sovereign Grand Lodge. This is the third time that our Sovereign Grand Lodge has been honored by a Representative from the Jurisdiction of Australasia.

The Special Committee recommended the creation of a commission to compile legislation and historic matters relative to Odd Fellowship other than on the continent of North America and we herewith present the report of the Special Committee which was adopted by the Sovereign Grand Lodge.

COMMISSION.

Distance always hampers fraternal and personal intercourse, creates unavoidable delays in correspondence and the consideration of suggestions concerning matters in which we all have a common interest.

In order that we and they may be brought into closer communion and have more prompt reply and attention given to their correspondence than is possible in the short and busy sessions of the Sovereign Grand Lodge, when such correspondence is for the first time presented to the Representatives, and in order that the questions in which our beloved Brothers are so deeply interested should have the most careful consideration, their wishes and conditions carefully weighed, we think that there should be a somewhat permanent body created within the Sovereign Grand Lodge which should consider matters similar to those we have been considering, and such others as may arise during the time when that Body is in vacation, and to that end we recommend the adoption of the following resolution:

Resolved: That there be hereby created a permanent commission to consist of three members, namely, The Deputy Grand Sire, the Chairman of the Judiciary Committee, ex-officio, the Chairman of the Legislative Committee, ex-officio, the Chairman of the Committee on Foreign Relations, to which commission shall be referred, immediately upon their receipt, all communications of other than a routine or purely administrative character coming from jurisdictions outside the continent of North America; that it shall be the duty of such commission to carefully consider the subject matter of such communications and to make such reports relative thereto, or to our general overseas relations, as it may deem necessary, at the next meeting of the Sovereign Grand Lodge. Said commission shall meet at the call of its chairman at such time and place as he may designate, and shall receive such compensation and per diem as is provided by the Code and Legislation of this Body for committees thereof, and shall continue to exist until otherwise ordered.

Second: Such commission is empowered to compile such legislation and historical matters as seem pertinent and proper relative to Odd Fellowship in jurisdictions other than on the continent of North America, and, with the consent of the Grand Sire, print the same in pamphlet form for the information and use of the members of the Sovereign Grand Lodge.

Third: The Grand Secretary is instructed to secure, as soon as practicable, a complete file of the printed proceedings of each Grand Lodge, Grand Encampment, and Rebekah Assembly, not on the continent of North America, and as far as possible the constitution, rules and by-laws of each Subordinate Lodge, Encampment, or Rebekah

Lodge existing in any state, territory, or province in which there is no Grand Lodge, Grand Encampment, or Rebekah Assembly, which said documents shall be available for the use of said commission.

The following legislation was enacted relative to Grand Lodge Encampments:

GRAND ENCAMPMENTS MAY AUTHORIZE NON-BENEFICIAL
SUBORDINATE ENCAMPMENTS TO EXPEND FUNDS FOR
SOCIAL PURPOSES TO ADVANCE THE ORDER.

Be it enacted by The Sovereign Grand Lodge, That a new section be added to the Code, to be known as Section 320A, to read as follows:

Section 320A. Grand Encampments may, by legislation, permit Subordinate Encampments within their respective jurisdiction, which do not pay benefits of any character, to provide by law for the expenditure of not to exceed one-half of their annual income, exclusive of that from special trust funds, for social purposes, to promote and advance the Order.

The following legislation was enacted relative to the Patriarchs Militant:

A BILL TO AMEND SECTION 55 OF THE CODE OF LAWS OF THE
PATRIARCHS MILITANT.

Be it enacted by The Sovereign Grand Lodge, That Section 55 of the Patriarchs Militant Code be amended by adding the following words:

"That, whenever the strength of the Cantons warrants it, the Department Commander may direct the Canton to elect additional platoon commanders, as the strength of the Canton may justify. Such platoon officers to be elected by the Canton on the night of the annual election, they to be warrant officers and to rank as Sergeants." The section to read when amended as follows:

"Sec. 55. The commissioned officers of a Canton shall consist of a Captain, who shall be Commandant; a Lieutenant, and Ensign; the warrant officers shall be a Clerk and an Accountant; and the appointed officers, a standard bearer, a guard, a sentinel, and a picket, who shall rank in the Canton in the order named. Whenever the strength of the Cantons warrants it, the Department Commander may direct the Canton to elect additional platoon commanders, as the strength of the Canton may justify. Such platoon officers to be elected by the Canton on the night of the annual election, they to be warrant officers and to rank as Sergeants."

Bill 17. Rep. Millan, of District of Columbia, presented the following Bill, which was referred to the Committee on Patriarchs Militant:

Be it enacted by The Sovereign Grand Lodge, That Section 174 of the Patriarchs Militant Code be amended by adding the following words: "And retired Generals Commanding, Past Department Commanders, and the Members of the Official Staff of the General Commanding." The section, as amended, to read:

"Section 174. How Organized. The General Military Council shall be composed of the several Department Commanders or a duly accredited representative from each Department Council, said representative to represent his Department in the absence of the Department Commander. And the Retired Generals Commanding, Past Department Commanders, and the Members of the Official Staff of the General Commanding."

Resolution 23. Rep. Millan, of District of Columbia, moved the following, which was referred to the Committee on Patriarchs Militant:

Resolved, That a Sister or Chevalier failing to present themselves to receive the Decoration of Chivalry within two years after it has been voted to them, shall forfeit the right to have the ceremony conferred upon them, and any amount of money paid for the jewel or papers patent shall go to the Department voting the same.

LOUISIANA CASE.

This was a case before the Committee on Appeals and came before the body from an appeal from the Grand Lodge of Louisiana.

It appeared from the record that the Widows' and Orphans' General Relief Association, I. O. O. F. of Louisiana, was chartered by the State of Louisiana as an adjunct of the Grand Lodge in 1865 and was again chartered by the State in 1902 and was authorized by the Grand Lodge of Louisiana. This Relief Association acquired considerable property in the city of New Orleans and the affairs of the Association were vested in a Board of Directors. The Grand Lodge of Louisiana decided that the Relief Association should be dissolved and its affairs liquidated. The Grand Lodge of Louisiana passed a resolution directing the manner in which the dissolution should be made. From this resolution an appeal was taken to the Sovereign Grand Lodge. The Committee on Appeals decided that the resolution passed by the Grand Lodge of Louisiana was not in conformity to the charter of the Relief Association and that the Grand Lodge must proceed in conformity to the method prescribed by the corporation and the decision of the Committee on Appeals was sustained by the Sovereign Grand Lodge.

This decision is very important. In view of the fact that the opinion is rather voluminous we would recommend that the Brothers read this decision over carefully when the Journal of the Sovereign Grand Lodge is delivered to the Subordinate Lodges throughout our

State. We would emphasize the fact that every Subordinate Lodge in this State receives a copy of the Sovereign Grand Lodge Journal and the membership ought to avail itself of the opportunity to familiarize itself with these proceedings.

GRAND SIRE'S TERM ONE YEAR.

A constitutional amendment was offered, which will not be acted on until next year, changing the term of the Grand Sire from two years to one year.

LIFE MEMBERSHIPS.

Grand Sire Oliver recommended that the matter of life memberships was one worthy of consideration and the Sovereign Grand Lodge recommended that a special committee be appointed, which is to report next year.

NEW FUNERAL CEREMONY.

A resolution was offered requesting that a new funeral ceremony be prepared. A special committee was appointed to report next year.

LANGUAGE.

A number of Bohemian and German Lodges of Chicago requested your Representatives to petition the Sovereign Grand Lodge to modify the law relative to permitting former foreign speaking lodges to use such language as had formerly been used for such a length of time as might be necessary in order for them to become proficient in the English language. Your Representatives presented a bill seeking to secure an extension of time for a period of five years for those lodges where a majority of the members could not speak the English language proficiently. This bill was referred to the Committee on Legislation and an adverse report was made as to the passage of the bill. The committee was of the opinion that, in view of the fact that the greater part of the former foreign language speaking lodges were now working in the English language, it would result in confusion to restore the language to a part and not to all.

NEW JERSEY CASE.

Wieland Lodge No. 113, of the Jurisdiction of New Jersey, refused to obey the law of the Sovereign Grand Lodge relative to working in the English language and attempted to divide the funds pro rata among the members, taking the position that the funds of a lodge belong to

the individual members and that they had a right to continue to work in the German language, notwithstanding the law of the Sovereign Grand Lodge. The Grand Lodge of New Jersey filed a bill praying an injunction restraining the members of the lodge from disposing of the funds and property of Wieland Lodge and asking that an order be entered, requiring the funds of the lodge to be turned over to the Grand Lodge of New Jersey. On the 23d of July, 1921, the Chancery Court of New Jersey decided that the property in the treasury of Wieland Lodge should be turned over to the Grand Lodge of New Jersey and that the charter, rituals, and paraphernalia used by Wieland Lodge in connection with the work of the Order should also be turned over to the Grand Lodge of New Jersey and that the Sovereign Grand Lodge had the right to determine what language the Subordinate Lodges should use.

This was a very important decision.

SOVEREIGN GRAND LODGE BUILDING.

The Special Commission on Sovereign Grand Lodge Building presented its report. A motion was made that that part of the report recommending that the membership be assessed ten cents each for a period of five years, to be paid in semi-annual installments, be postponed for consideration for one year. This motion was declared lost. A roll call of Jurisdictions was had upon the adoption of the report and the report was adopted by one hundred thirty-one yeas and seventy-three nays. Your Representatives from Illinois voted against the adoption of the report for the reason that they did not want to vote an assessment upon our members for fifty cents each without presenting the matter to our Grand Lodge.

The estimate of the cost of this building was in the neighborhood of one million five hundred thousand dollars. The passage of this report brought forth a great deal of criticism. Prior to the adjournment the announcement was made that there would be no attempt made to collect this assessment before January 1, 1923.

We herewith present the report of the committee:

To the Sovereign Grand Lodge of the Independent Order of Odd Fellows:

Your commission, consisting of the Grand Sire, Deputy Grand Sire, Grand Secretary, Grand Treasurer, and the Chairman of the Committee on Finance, heretofore created for the purpose of considering means for raising the necessary funds and to prepare plans for erecting a home for The Sovereign Grand Lodge, which commission was authorized at the last session (Journal, 1920, page 622) "to secure an option on, or purchasing outright, a site in Baltimore for the proposed building," beg to report:

That on February 4th, of this year, the commission met in Baltimore, having previously requested Grand Secretary Goodwin to procure a list of available properties, and inspected some ten or twelve locations in various sections of the city. We found all suggested properties within the downtown district high in price and at the same time too limited in area to permit the erection of such a structure as the commission conceived to be appropriate to the needs of, and in accordance with the plans and aspirations of the Order. We, therefore, selected, as most available, a tract fronting two hundred feet on Charles Street, between 25th and 26th Streets, and of a depth of one hundred and eighty-five feet, and began negotiations for its purchase. This property is, in the judgment of the commission, admirably located. It occupies almost the top of a high plateau, is on the principal north and south street of Baltimore, is within three blocks of Johns Hopkins University, within two blocks of a splendid group of buildings belonging to and occupied by Gouches College, and is in a section that is fast becoming the most attractive in the city of Baltimore.

The price originally named to the commission was fifty thousand dollars, but by a series of conferences the price was reduced to forty-eight thousand dollars, as the very lowest figure for which the property could be purchased. After consultation, it was the unanimous judgment of the commission that the tract should be bought at that price, and accordingly a contract of purchase was entered into and \$2,500 paid down, balance to be paid, \$13,500 on the approval of title and conveyance of the property, and the remainder of \$32,000, one-half in one year and one-half in two years, for which a purchase price mortgage was given. The title has been approved and the property conveyed to The Sovereign Grand Lodge and it is now in its possession. There is an old mansion upon the property, which is now rented for \$125 per month, which more than pays the taxes, and it is proper to mention here that under the laws of Maryland the property when occupied by the Order will not be subject to taxation.

The commission has given careful thought to the character of building that should be placed upon this property, and is of the opinion that any building erected should be devoted exclusively to the uses of the Order; that it should be of such design as to typify the accomplishments of our past and the aspirations of the Order for the future. It should be a temple—a shrine—and at the same time should provide ample facilities for the needs of the Order. The structure should be so designed as to furnish accommodations for the Grand Officers, an assembly room for this body, convenient committee rooms, library, vault room for our records, facilities for the display and preservation of our invaluable portraits, and for securing a per-

manent and indestructible depository for our mementos and relics. These are now in buildings that are not fireproof and, being thus unprotected, are a source of continual anxiety to every member of the Order who appreciates our history and our traditions.

Having these needs in mind we have had prepared, under our instructions, preliminary plans and designs, which present in fairly accurate form our conceptions of what this temple should be.

As to the means to be adopted for raising the funds necessary to erect such a building, we recommend that each Grand Jurisdiction on the continent of North America be assessed in an amount equal to ten cents upon each member each year for a period of five years, to be paid in semi-annual installments.

We further recommend that all money paid in on this account be kept by the Grand Treasurer in a separate fund, to be known as the "Building Fund," and invested to the best advantage pending its use.

We further recommend that the commission be continued.

ODD FELLOWS ORPHANS' HOME BAND A SPECIAL ATTRACTION AT THE SOVEREIGN GRAND LODGE IN TORONTO.

The Orphans' Home Band, consisting of five girls and eighteen boys, boarded a special Pullman car on the Illinois Central at Lincoln, Illinois, Friday morning, September 16, at eleven o'clock. When the train stopped at Kankakee the Odd Fellows and Rebekahs furnished the children with a generous supply of fruits and a bountiful lunch. Their car was switched to the Michigan Central tracks in Chicago and was attached to a special train which left Chicago at five-forty P. M. Dr. and Mrs. Lucas, the Superintendent and Matron, Mrs. Parsons, Governess, and Alice Magnuson, Teacher, were in charge of the children. J. Parker Smith and T. H. Thompson, members of the Home Board, joined the party in Chicago and looked after the entertainment of the children until their return home.

The special train arrived in Toronto Saturday morning at nine o'clock and the children were taken to the Marlborough Hotel, their headquarters during their stay. They ate their meals at the Royal Cecil Hotel nearby.

Saturday afternoon the Band gave their first concert in the lobby of the King Edward Hotel. Saturday evening they were entertained at a picture show. Sunday morning they attended religious services at the Metropolitan M. E. Church, one of the largest churches in the city. Sunday afternoon they viewed the city from a sight-seeing bus. Monday morning they were taken to the Parliament Building, where they played while the Sovereign Grand Lodge Officers and Representatives passed into the building. Monday afternoon they visited the

Toronto Odd Fellows Orphans' Home, where they gave a concert. The children of the Toronto Home sang for our children. While there, pictures were taken of the Band grouped with the Toronto Home children. Tuesday morning Brothers Smith and Thompson took the children by train to Niagara Falls where they spent six hours in sight seeing. They took the Gorge route, viewing the Whirlpool Rapids, Prospect Point, Rock Monument, Victoria Park, and the Canadian and American Falls. They arrived back in Toronto at eight-thirty P. M., much pleased with the wonders they had seen.

Wednesday morning they visited the Rebekah Assembly, where they were most heartily received. Wednesday afternoon they were given the place of honor in the great parade. The line of march was four miles. The children were given an uproarious applause all along the line, which was packed solidly with people. Traffic was suspended and street cars were at a standstill for about three hours.

Our Band was the only one which the papers gave special mention and whose pictures were published.

Thursday morning at eleven o'clock the Sovereign Grand Lodge declared a recess and admitted the Band, where they had the honor of playing for that august body. In the afternoon they were taken to the National Exposition grounds, where they witnessed the Cantons drill and field sports consisting of foot and bicycle races and other athletic events. Thursday evening they attended the Royal Alexander Theater, where they played between acts and received great applause. Thursday noon T. Eaton & Co., the largest mercantile house in Canada, served luncheon in their dining room to the children and furnished trucks to convey them to and from the Toronto Orphans' Home.

This event in the lives of the children was made possible by the Grand Master, Dr. C. A. Robbins, who solicited the money from the members of the Subordinate Lodges, assisted by the Rebekahs, to whom an appeal was made by Sister Trees, President of the Rebekah Assembly.

Regrets were expressed by the children and the Illinois delegation that the Grand Master was unable to accompany them.

The band left Toronto Friday morning at eight-thirty and had a delightful daylight ride, arriving in Chicago at nine P. M. and at Lincoln at nine o'clock Saturday morning.

The children, Superintendent and Matron, and all the Representatives, are under lasting obligations to Brothers Smith and Thompson for their untiring zeal in looking after and providing for the children from the time they left Chicago until their return. They utterly forgot self in the interest of the children.

REPORT OF COMMITTEE ON HOMES.

To the Sovereign Grand Lodge of the Independent Order of Odd Fellows:

Your Committee on Odd Fellows' Homes, to whom were referred the reports of the respective Homes in the different jurisdictions, beg leave to report as follows:

There are fifty-seven Homes in the Order, with 4,626 resident members.

The total cost for the maintenance of the Homes for the year 1920 was \$1,234,399.12, an average cost of \$266.84 per resident member.

These Homes own grounds and buildings at an aggregate cost value of \$8,688,605.71.

The first Home of the Order was founded at Meadville, Penn., in 1872, and the latest Home founded in the jurisdiction of Idaho, 1920.

The State of Texas has 319 resident members, and leads all other jurisdictions, while Nevada has only three resident members.

Thirteen Homes employ a woman either as matron or superintendent, while the others employ both a matron and superintendent.

The following jurisdictions, Arkansas, Kentucky, Louisiana, North Carolina, and Texas, have a maintenance tax of two dollars per member, and a tax of ten cents per member is collected in the District of Columbia. Thirty-eight jurisdictions collect less than one dollar per member for the support of their Homes.

We regret to report that eleven jurisdictions have failed to make any report for the year 1920. In view of this fact we are unable to tender a full and complete report of the property values and condition of these Homes. We are of the opinion that these jurisdictions should feel a sense of duty and pride in showing the growth and improvement of their Homes.

We would therefore earnestly suggest that greater attention should be given this important matter in the future so that the Sovereign Grand Lodge may be better informed concerning their conditions.

The Grand Sire, in his report, emphasizes the necessity of every jurisdiction creating an endowment fund for the support of its Homes. Experience has taught us that this is the best means to insure a good and permanent Home. We are advised that a considerable number of States and Provinces are now engaged in raising funds for this purpose. Substantial progress has been made in this commendable work of upbuilding and in the development of these glorious institutions of the Order.

The following Amendments were introduced and laid over to be acted on at the next session:

AMEND SECTION 1, ARTICLE II.

Whereas, Section 1 of Article II. of the Constitution of The Sovereign Grand Lodge of the Independent Order of Odd Fellows reads as follows:

ARTICLE II.

MEMBERS.

Section 1. Who are members of The Sovereign Grand Lodge—Qualifications. This Sovereign Grand Lodge shall be composed of the following members, to-wit: A Grand Sire, Deputy Grand Sire, Grand Secretary, Grand Treasurer, Grand Chaplain, Grand Marshal, Grand Guardian, Grand Messenger, Assistant Grand Secretary, and Grand Representatives from the several Grand Lodges and Grand Encampments working under legal unreclaimed charters granted by this Sovereign Grand Lodge, together with all Past Grand Sires. Each member shall be a Past Grand in good standing and a member of a Subordinate Lodge and a Rebekah Lodge in good standing, and must have received the Royal Purple Degree and be a member in good standing of an Encampment in good standing.

Now, be it resolved, That Section 1 of Article II. of the Constitution of The Sovereign Grand Lodge be amended by adding after the word, "standing", in the last line of said Section 1 of Article II., the words, "and must have received the Patriarchs Militant Degree and be a member in good standing of a Canton in good standing," so that Section 1 of Article II. shall read:

ARTICLE II.

MEMBERS.

Section 1. Who are members of The Sovereign Grand Lodge—Qualifications. This Sovereign Grand Lodge shall be composed of the following members, to-wit: A Grand Sire, Deputy Grand Sire, Grand Secretary, Grand Treasurer, Grand Chaplain, Grand Marshal, Grand Guardian, Grand Messenger, Assistant Grand Secretary, and Grand Representatives from the several Grand Lodges and Grand Encampments working under legal unreclaimed charters granted by The Sovereign Grand Lodge, together with all Past Grand Sires. Each member shall be a Past Grand in good standing and a member of a Subordinate Lodge and a Rebekah Lodge in good standing, and must have received the Royal Purple Degree and be a member in good standing of an Encampment in good standing, and must have received the Patriarchs Militant Degree, and be a member in good standing of a Canton in good standing.

AMENDMENT TO SECTION 3, ARTICLE I, OF THE CON-
STITUTION.

Resolved, That Subsection 4 of Section 3 of Article I of The Sovereign Grand Lodge Constitution, reading as follows:

"4. To determine the qualification for membership in the Order: provided that no person shall be admitted to the Order except free white males of good moral character, who have arrived at the age of twenty-one years, and who believe in a Supreme Being, Creator and Preserver of the Universe; provided, further, that in Australia, New Zealand, and other countries not on the Continent of North America, in which one or more Grand Lodges have been chartered, the qualification as to age shall be left to such Grand Lodges. No hotelkeeper, licensed to sell intoxicating liquor, saloonkeeper, bartender, or professional gambler shall be eligible to membership in this Order," be, and the same is, hereby amended by striking out the word 'twenty-one' where it appears in the third line of said section and inserting in lieu thereof the word 'eighteen,' so that said section, when so amended, shall read as follows:

"4. To determine the qualification for membership in the Order: provided that no person shall be admitted to the Order except free white males of good moral character, who have arrived at the age of eighteen years, and who believe in a Supreme Being, Creator and Preserver of the Universe; provided, further, that in Australia, New Zealand, and other countries not on the Continent of North America, in which one or more Grand Lodges have been chartered, the qualification as to age shall be left to such Grand Lodges. No hotelkeeper licensed to sell intoxicating liquors, saloonkeeper, bartender, or professional gambler shall be eligible to membership in this Order."

AMENDMENT TO SECTION 3 OF ARTICLE XIII OF THE CON-
STITUTION OF THE SOVEREIGN GRAND LODGE, I. O. O. F.

The following amendment is intended to further the spirit of Americanism, which speech and action in this Sovereign Grand Body during previous sessions so ardently stimulated, and our national forefathers in the Union's making were so careful to allow by a fair measure of representation to populous jurisdictions. Our claim to be representative as now constituted has been justly disputed, and a sincere desire to insure a fairer proportion of power to those who contribute a preponderating measure of energy prompts this action.

Be it enacted by The Sovereign Grand Lodge, That Section 3 of Article XIII of said Constitution, reading as follows:

"Section 3. Qualifications for Voting. No Grand Representative shall be entitled to more than one vote in the election for Grand

Officers, and no Grand Representative from a Grand Lodge or Grand Encampment which shall be in arrears for money due The Sovereign Grand Lodge shall be allowed to vote upon any question", be and the same is hereby amended as follows:

Strike out the following words on the second and third lines of said section, reading as follows, "in the election of Grand Officers," and insert and add after the word "vote", in the second line, the following:

DOCUMENT NO. 8.

REPORT OF GRAND INSTRUCTOR.

Dr. A. C. Robbins, Grand Master, I. O. O. F., Dixon, Illinois.

DEAR BROTHER ROBBINS: As your term of office as Grand Master of the Independent Order of Odd Fellows for Illinois is drawing to a close, I feel that it is in keeping with the established practice that I should report to you concerning my work and activities during that period of time which it has been my privilege to serve as your appointee as Grand Instructor and field man.

To make a complete detailed report of all of the things which have been done by either me individually or by the many, many faithful and conscientious District Deputies and Lodge Deputies and brought to my attention, would require so much space in the Grand Lodge Journal that it would prove to be tiresome.

In fact, the theory that "Hard work is more essential than padded report" is the principle which during my term of office has seemed to characterize the average District Deputy, Lodge Deputy, Subordinate Lodge Officers and Official Instructor.

For myself, and in behalf of those ardent and untiring District Deputies and Lodge Deputies who have served with me, I want to say that it has been a pleasure to work with, and under the direction of, a Grand Master who has practically divorced himself from all business and social relations, with which he had previously been affiliated, in order that he might give to the Order in his state his entire time in the promoting of the principles and teachings of the Order, as well as

securing from the better element of citizens a gradual increase in membership.

During the present year many difficulties and obstacles have appeared on the horizon, threatening to retard the gradual increase in the membership of the Order and still further threatening to take from its membership a large number affected by the sudden and more or less unexpected change in the industrial world, and considering all of those things we may point with considerable pride to the fact that the effect of them was less than was expected by the most optimistic.

SCHOOLS OF INSTRUCTION.

During my term, many Schools of Instruction have been held in different parts of the state, and I regret that it was impossible to hold more of them, for the reason that the degree of interest shown on each occasion where a School of Instruction had been previously arranged for was such as would necessarily have its effect in each subordinate lodge represented in carrying out the unwritten work of the Order. Since it has become a common practice that the subordinate lodge officers, before being qualified to enter upon their respective duties, are required to be accurately familiar with the unwritten work of the Order, as well as correct in the opening and closing of a lodge without the use of a Ritual, those who have an ambition to serve in the capacity of a Subordinate Lodge Officer, and a desire to serve well, have endeavored to qualify themselves in that respect long before they might receive an indication of being chosen, by their brothers, as an officer. This requirement in reference to all Subordinate Lodge Officers, once well established in the State, will give to every following officer the incentive and desire to serve as well as his predecessors and thereby elevate the standard of efficiency, with the result that the Order will prove to be one of which the principles and teachings represented by it are close to the hearts of its members.

DISTRICT DEPUTIES AND LODGE DEPUTIES.

The installation of a Lodge Deputy System, which was introduced and established at the last session of the Grand Lodge, has proven to be of great value in all subordinate lodges, except those where there existed factional disputes, which entered into the election of the Lodge Deputy. I am pleased to report, however, that there are but two of those cases, which have come to my knowledge in the entire State, and to both of those cases I have devoted some personal attention in

the recent past and believe that unquestionably Lodge Deputies in those instances will henceforth prove to be beneficial.

Due to the general conditions of the country, this year above all others for many years past, direct, personal and immediate attention has been required in order to prevent that lamentable condition which would have necessarily followed without it. During the year no complaints of any character have been received, and no disputes have arose, due to misunderstanding or lack of understanding between District Deputies and Lodge Deputies, nor have any been received from any Subordinate Lodges in reference to delays in the installation of its Officers, but on the contrary, in the majority of cases, installation of Officers has taken place promptly and without the use of Rituals. This, in addition to the other conditions already mentioned, has had a pleasing effect, in that it has added to the interest in the unwritten work of the Order.

I am deeply impressed with the idea that the jurisdiction of the Grand Lodge of Illinois covers so much territory and the membership of the Order is so great, that the effort of but one individual can accomplish but little, but that the effort of the same individual, transmitted through the organized effort of faithful District Deputies, and again through the organized efforts of earnest Lodge Deputies, branches out in such a way as to reach practically the entire membership and even the brother who but occasionally attends his subordinate lodge. And I personally feel very grateful and deeply indebted to all District Deputies and Lodge Deputies for the able manner in which they have assisted me in the performance of my work.

While a great many other things have appeared to be depressing, it is due to the District Deputy and, in turn, to the Lodge Deputy, that optimism has continued in the fraternal life to the extent that it has been construed as one of the most essential instrumentalities through which the depressing conditions can be successfully dealt with.

DISTRICT MEETINGS.

The plan of holding District Meetings has become and is established throughout the State and seems to be superior to any other means of bringing about fraternal interest. It is, but the enlargement of the plan of holding Subordinate Meetings, and consequently is no less important to the successful development of the Order. That subordinate lodges should meet together at regular intervals and prove themselves to have a common interest in the welfare of each other is just as important to the life of our Order as it is for the individual members to understand such a common interest to exist between them.

The admirable principle that we are solemnly bound to aid the needy, does not rest with, and is not limited to, the individual member, but rather exists to an even larger degree in the idea that the stronger lodge should assist the weaker one, and as yet no plan has been conceived, and I believe none will ever be conceived, whereby that principle between lodges can be better applied and carried out than through District Organization and District Organization Meetings.

RECOGNITION OF FAITHFUL SERVICE.

During the present year, it has been my privilege to assist on a great many occasions in the Presentation of Fifty Year Jewels, Twenty-five Year Jewels and Past Grand Jewels. It has always been true that on occasions of this kind a large number have been in attendance, and the spirit which has been manifested has been unusually interesting and the impressiveness on an occasion of that kind, where a Brother receives an emblem of recognition for his services in the Order, is in my opinion one which has a lasting effect upon all in attendance, and renews within each Brother that ambition which may have lapsed somewhat, or fallen below what it was when the degrees were conferred upon him. It is invariably true that a Brother, when receiving his degrees in the Order, has an ambition to be of service to the Fraternity and to the Brothers comprising its membership, but before he may have become familiar enough with the work, or had an opportunity to do so, that interest may, and sometimes does, depreciate, but after having been a member of the Order for a long enough time to be familiar with the work, a re-establishment of that spirit, with the knowledge that recognition is to be given to it, will from that time on continue to increase, rather than decrease.

I would therefore say that ceremonies such as those described are very beneficial and should be continued not in an informal manner, but following proper and suitable arrangements.

OFFICIAL INSTRUCTORS.

At the last session of the Grand Lodge of Illinois, arrangements were made whereby my predecessors, with the assistance of a number of Brothers, issued to those who were qualified to receive the same, certificates naming them as Official Instructors. The Brothers who received such certificates have, I believe without an exception, done all in their power to bring about more efficiency in, and a greater knowledge of, the unwritten work of our Order. During my term, five hundred and nineteen certificates have been issued to Brothers who have proven themselves proficient in the unwritten work. This I believe

compares very favorably with the number who have proven themselves to be efficient in past years, and of the five hundred and nineteen certificates issued, almost all of them have come as a result of recommendation made by an associate Official Instructor. The only thing which has been lacking in this regard is that in some districts, due to the large volume of work to be done by the Grand Instructor, no Official Instructor Certificates were issued until late in the year, and in some districts it appeared to be almost impossible to find a Brother who would take charge of the work and supervise the position as an Official Instructor in his District. However, so much interest has been shown along this line, that I would deem it quite advisable that proficiency in the unwritten work of the Order should be one of the elementary requirements of a Brother representing his District as District Deputy Grand Master, so that in all districts there would be at least one Brother to whom others might go to prove themselves so proficient in the unwritten work as to entitle them to a certificate as Official Instructor.

At the Grand Lodge Session this year I propose to have headquarters where all District Deputy Grand Masters and such other Brothers as may see fit, may qualify for the Certificate and thereby cause as little delay as possible in the carrying on of that part of the work of the Grand Instructor for the coming year. In passing upon the advancement of the Order, we should bear in mind that the Official Instructor should not be too lightly touched upon, as their work for the past year has proven to be of great importance in maintaining the standard which we like to have prevail among its members.

CONCLUSION.

In conclusion I wish to say that the performance of my duties as Grand Instructor for the past year have indeed been very pleasing to me. I feel that there is no position in connection with the work tending toward the general elevation of our Order, which gives greater opportunity to study its development than the one which I have held, unless it may be that of Grand Master, and I am certain that there is no work which tends to bring a Brother in closer, intimate, contact with the ardent and active workers of the State, and to be associated with active Odd Fellows, in the advancement of the principles of Odd Fellowship, as well as in the development of efficiency in the work, is a source of pleasure and satisfaction, and gives to one an everlasting confidence in humanity which cannot be appreciated or enjoyed by one who has not served in that capacity.

Your aid to me at all times was far more helpful than I could express. I will ever look upon the accomplishments during your term

of office, as largely due to your individual work and determination, and considering the conditions which have confronted all fraternal organizations, the year in which you have served as Grand Master is one of the most remarkable in the history of Odd Fellowship in the State of Illinois.

Faternally yours,

J. PAUL KUHN,
Grand Instructor.

DOCUMENT NO. 11.

To the Officers and Members of the Grand Lodge, I. O. O. F., of the Jurisdiction of Illinois:

We, the undersigned officers and members of Calumet Lodge No. 196 of Chillicothe, Ill., beg leave to present for your fraternal consideration the following statements and petition:

Through the graciousness of our Orphans' Home Board there was admitted to the Orphans' Home on November 30, 1919, from our Lodge, two orphan boys, aged, respectively, 7 and 9 years; and in May of this year we were notified that on June 1 these orphans must be removed from the Home.

The mother of these children died. The sire of these children was a mental and moral incompetent and never a father to the children. After the mother's death, and even to a great extent before her death, these children were fathered and cared for by their grandfather. The sire of these children, being himself an orphan, was the adopted son of the grandfather. This grandfather was a true, faithful, consistent Odd Fellow for near half a century and a member of our lodge for many years and up to the time of his death. When the sire of these children came of age, he was admitted to membership in our lodge, out of the great consideration which the lodge held for the grandfather and at his request. This young man held this membership continuously throughout the life of the grandfather and entirely through his influence, even to the extent of the grandfather paying his dues.

Had the grandfather lived and been able, Oddfellowship would never have been asked to care for these worse-than-orphans, and he started out at past 70 years of age to raise a second pair of orphans, having already raised one pair. But at 76 years of age this poor, hard working, big hearted, faithful old Odd Fellow died, and then it was these two little feeble children became orphans indeed and in truth.

Presenting these facts to the Home Board, and showing how utterly alone in the world were these two little waifs, and asking them to consider the lifelong membership of the grandfather, who was nothing less than a father to the children, and to consider their sire as an incompetent nonentity, we sought the charity and beneficence of our Orphans' Home, believing there was Odd Fellow lineage suffi-

cient to warrant their claim. The sire, the two grandfathers and one great-grandfather all having been members of our lodge.

Giving these facts due consideration, and recognizing the children as practically whole orphans, the Board admitted them to the Home under Rule 3.

Now, after the grandfather's death, the membership dues of this sire failed to come into the lodge; hence, in the course of time, he was dropped for non-payment of dues.

Then it was that the Home Board conceived the idea of taking notice of this sire, though he already had been declared, and later proven himself, a nonentity, and they ordered the children removed from the Home because he was no longer a member of the Order. Ignoring the lifelong membership of the grandfather, who had fathered the children; ignoring their moral and fraternal right, and clinging to a legal technicality, these worse-than-orphans would be turned on to the cold charities of a state institution, after this short sojourn in our Home, which had already been long enough for them to learn the joys and contentment of being members of the best and most wonderful Orphan Home in all the world.

They were admitted under Rule 3 as "practically whole orphans." They are still under this rule.

They have shown wonderful improvement since being in our wonderful Home and bid fair to become self-supportive citizens. They at once become wards of the state, or worse, if removed from the Home. We feel that morally and fraternally Odd Fellowship is bound to care for these children, and that in Oddfellowship there is no place to cringe from these obligations behind hairspun legality.

We ask that this Grand Body decide that they shall remain in the Home and that Rule 11 of the Orphans' Home never be applied to their case. Such is the prayer of this petition.

All of which is for the good of humanity, the good of the Order, and the salvation of these children, for "Inasmuch as ye have done it unto the least of these, so have ye also done it unto me."

Respectfully and fraternally submitted by the officers and members of Calumet Lodge No. 196.

First report by Brother A. B. Chadwick, of No. 214.
To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Railroads would respectfully report as follows:

Shortly after the last session of this Grand Lodge they took up with the Western Passenger Association, the Central Passenger Association, and the Southwestern Passenger Association, which covers the entire State, the proposition of obtaining a reduced fare for this session.

After negotiations lasting over several months, all of said associations have granted a fare of one and one-half for the railroad trip on the Identification Plan. The same action was taken by the Illinois Traction System.

Your Committee is particularly gratified at this result of their labors on account of the fact that there has been great difficulty for many years past in obtaining any concessions whatever from the railroads.

WHEREAS, An Order known as the Oriental Order of Humility and Perfection has established itself in some of the cities in Illinois and is seeking candidates within the membership of the Independent Order of Odd Fellows, and,

WHEREAS, There appears to be some confusion as to whether the said Oriental Order of Humility and Perfection is, or is not, a part, or branch of Odd Fellowship, it seems advisable that the facts be clearly stated for the information of all Odd Fellows, which are:

REPORT OF GRAND CHAPLAIN.

Abingdon, Ill.

To the Honorable Grand Master, Brother Robbins:

I herewith submit to you and through you to the Brotherhood of our Order in our Grand Jurisdiction of Illinois, my report as Grand Chaplain. I desire to voice my pleasure in having been the Grand Chaplain under your splendid administration as Grand Master. I wish to make record of my observations, that harmony has prevailed in a most brotherly fashion. Not the harmony merely of good fellowship, but the harmony of fine action, the quickstep of decided progress. Every Brother of the Order has been proud to note that during these trying readjustment days the lodge has been keeping up with the outstanding record of the past years.

Serving in the capacity of your Chaplain it has been my pleasure to have had a small part in the fine work that has been accomplished. It has been my privilege to present the tenets of our Order at special gatherings of the following lodges: Moline at their Annual Roll Call; Avon, Abingdon, Galesburg at Anniversary occasions; Bushnell and Elmwood in their Memorial Services, and Roseville and Marietta in their splendid out in the open picnics, and at Alpha in their District gathering. Added to this I have written eight articles for the Herald. These have been very graciously received by the Brothers, at least so indicated, by those who have so kindly spoken words of appreciation regarding the same.

The real joy of the fellowship has been in the fact of the great work being accomplished in and through the organization. Every power entering into the world's needs today, to meet and alleviate the same, is to be greatly commended. Our Order in its Friendship and Love has, in a wonderful way, been drying the tears of the orphan, has been opening the heart of the Order and pouring out its love through the beautiful home at Lincoln. Through the loving, kindly administration of Brother Lucas and his estimable wife the lodge has been expressing its affection and sympathy to these little ones. The Master's approval rests upon such living and loving in the words of His own heart, "Inasmuch as ye have done it unto one of the least of these, my little ones, "ye have done it unto me." Then how many sorrowing ones, with hearts breaking under the crushing burden of their grief, have in loving kindness and tender sympathy been helped and comforted, by the Brothers and Sisters. The tears of the sorrowing have been dried, the needs of life have been met, the sick have been ministered unto by the brotherly hands, the aged and infirm have been strengthened in their weakness as they have been gently led where the

shadows are lengthening, as the earth is receding and the heaven is approaching. Methinks that it is the hand of the loving Father ministering through out beloved Order.

No wonder that Odd Fellowship is meeting with the approval of humanity. No wonder many hundreds are seeking fellowship with those who are thus meeting the world's great problems and needs. The problems of this world will be met successfully only through the spirit of Brotherhood.

The needs of this world will only be successfully met, in the spirit of loving sympathy and kindly ministrations, in the spirit of the Christ. Do we not enter into much of that spirit in Friendship, Love and Truth? Do we not meet the great world problems in the fine tenets of our magnificent Order? Surely the approval of the ages will fall in benedictions on our work, as with greatly increasing numbers and interest we face the future in Friendship, Love and Truth.

With the grand teachings and the high ideals that have been given us by the leaders of our organization, with courage and gladness we face the future, knowing that by the living of our principles and truths, our grand Brotherhood will stand the test.

Personally, I thank you sir, Grand Master, for the honors and the fine fellowship that has been mine with you and your fine body of Grand Lodge Officers, and with every Brother of the Order with whom I have been privileged to associate. May the benediction of the Heavenly Father be and abide with you all in life's journey as you strive in the exemplification of Friendship, Love and Truth.

Respectfully submitted.

Sincerely and fraternally yours,

J. W. FERRIS,
Grand Chaplain.

DOCUMENT NO. 25.

To the Grand Lodge I. O. O. F.:

DEAR BROTHERS: There appears to be a widespread impression that an official publication mailed to each member of our Subordinate Lodges would be of great benefit to our Order. A resolution looking to this end, being Document No. 14, was introduced at the last session of the Grand Lodge. In compliance with this resolution the Grand Master, under date of September 28, 1921, addressed the Order requesting Subordinate Lodges to thoroughly consider this matter to the end that representatives to the coming session may vote intelligently and in harmony with the wishes of our lodges.

The Odd Fellows Herald has been in existence for forty-four years, and has had something to do with the marvelous growth of Odd Fellowship in Illinois. Many readers of the Herald have asked us to submit a proposition to the Grand Lodge to print and mail monthly, a copy of the Odd Fellows Herald to all members of Subordinate Lodges. This would require approximately one hundred and thirty-five thousand (135,000) copies at the present time.

WHAT IT MEANS.

This would discontinue the Odd Fellows Herald as a subscription paper, thereby causing a total loss to the editor of the money invested in the business. It would also necessitate a very large expense to make ready for the issuing of the Herald on a large scale.

PROPOSITION.

The Odd Fellows Herald of Springfield, Illinois, by its owner and publisher, will undertake to issue a sufficient number of papers to mail

one copy to each Subordinate Lodge member of Illinois at twenty-five (25) cents per year, per member, the Grand Lodge to furnish the names and addresses of members, and Subordinate Lodges to supply the names and addresses of members admitted and retired. No other obligations or responsibilities to attach to the Grand or Subordinate Lodges.

THE ODD FELLOWS HERALD.

The paper to be furnished by the Order would be approximately the same size, style of type and quality of paper as is now used by the Odd Fellows Herald. The paper would contain eight pages, approximately 13x20 inches, not more than 25 per cent of the space to be used for advertising purposes. The standard of the Herald as to editorial matter, general news, etc., would be maintained, or made better.

A board of three members of this Grand Lodge, consisting of the Grand Master, Deputy Grand Master and Grand Secretary, shall act in an advisory capacity in directing the policy of the paper as to its news and editorial matter. The official letters of the Grand Master shall be published in a conspicuous manner in the paper, the same to be read by Secretaries of lodges as official communications.

TIME.

Owing to the large initial expense which would be sustained by the Herald, it would be desired to enter into an agreement with the Grand Lodge to continue the Herald as an official paper for two years, the first issue being dated January 1, 1922, and the last issue dated December 1, 1923, unless continued by mutual agreement.

The membership on which the Grand Lodge would pay for the publication would be based on the membership of Illinois as shown by the reports on January 1, 1922. This membership would be the basis for the first six months. The membership on which the Grand Lodge would pay for the latter half of the year would be based on the membership as shown by the Semi-Annual Reports of July 1, 1922, the same plan being followed for the year 1923.

Editor and Publisher.

DOCUMENT NO. 26.

WHEREAS, There appears to have been an error in the report of Travelers Rest Lodge No. 220, in the report of December, 1870, wherein

it was stated that Joseph L. Cannon had been suspended, by which error or oversight the said Brother Joseph L. Cannon has been temporarily deprived of the honor of receiving a Fifty Year Jewel; therefore, be it

Resolved, That the Grand Secretary of this Grand Lodge be authorized and directed to issue to said Joseph L. Cannon, now a member of Chromo Lodge No. 612, a Fifty Year Jewel.

J. W. YANTIS.

Adopted.

A recess was ordered and Sister Bessie Foley was admitted, who thereupon addressed the Grand Lodge and, on behalf of the Cook County Picnic and Anniversary Association, presented it with the sum of \$800, of which \$500 is for the purpose of creating a neucles for a building fund of the Old Folks' Home, and \$150 each to the endowment funds of both Homes.

Brothers Lucas and Sayler responded to this presentation in terms of affectionate appreciation, whereupon, the Grand Lodge resumed its session and, on motion, the thanks of this Grand Lodge were expended to the donors of the above moneys.

Brother Crowder presented a check for \$2,960.80 and a note for \$3,000, being part proceeds of the estate of the late Brother Joseph Wilson, donated to the order for Home purposes.

The Grand Master appointed, with the consent of the Grand Lodge, Brother Ben Wisher, of No. 465, as official Flag Bearer, and asked that the brother's name be placed upon per diem list, which was agreed to.

Thereupon the closing ode was sung, the Grand Chaplain offered prayer and the Deputy Grand Master declared the Grand Lodge adjourned until 9 o'clock a. m. sharp, tomorrow, October 19th.

WEDNESDAY, OCTOBER 19, 1921

ILLINOIS STATE ARMORY, SPRINGFIELD,

October 19, 1921, 9 o'clock A. M.

THE GRAND LODGE met pursuant to adjournment, Grand Master Robbins in the chair.

Present—All Grand Officers and a quorum of Representatives.

The Grand Marshal, with his assistants, having examined the members present, reported all correct.

The Opening Ode was sung and the Grand Chaplain, offered prayer.

The Grand Lodge was then declared regularly opened for the transaction of business.

The Daily Journal of Tuesday was distributed by the Grand Marshal and his assistants.

The Grand Master announced the following appointments:

Assistant Grand Guardians—C. J. Evans, No. 718; C. L. Hawkins, No. 270.

Proof Reader—M. A. Sherman, No. 673.

Messenger to Grand Master—W. H. Pease, No. 80.

Grand Representative James Ewing Davis asked leave to make a statement which was granted.

BROTHER DAVIS: Several Brothers have come to me and have made inquiry relative to the Home Tax. They have said that there is a great deal of confusion in the Subordinate Lodges relative to this matter. They have asked me to make an explanation for the benefit of several of the Brothers. In 1916 the Capitation tax was \$1.20. Grand Master Arnold conceived the idea that if the Brothers would pay \$1.00 per year Home Tax, which money was to go to the Old Folks' Home and the Orphans' Home, that the Brothers would feel a personal interest in these Homes; in other words, they would see their money go directly to the support and maintenance of our old people and the

orphan children. He made the recommendation and it was enacted in 1916, and embodied in the Subordinate Lodge Constitution, and is as follows: In addition to the dues provided by the By-Laws of the lodge each member shall pay an additional sum of \$1.00 per annum payable quarterly, which shall be used for the maintenance, extension and repairs to the Orphans' Home and the Old Folks' Home. That year the capitation tax was reduced from \$1.20 to \$0.20 per member. Prior to that the \$1.20 came out of the lodge treasury. After that the Brother paid his dues directly to the Grand Lodge. That is, he paid it in the form of Home Tax and it went direct to the Grand Lodge for the purpose of maintaining the Home, and the Subordinate Lodge only had to pay \$0.20 per member per capitation tax instead of \$1.20.

Some seem to have confused this subject with the Soldiers' War and Relief matter. It has absolutely no connection. Some seem to have the idea that it is for the Endowment Fund. But every Brother in this State pays but \$1.00 for maintaining this Home. Let me say to you that in 1917 this Grand Lodge appropriated \$40,000.00 to be used for the relief of our soldiers and sailors. They paid \$0.40 that year to the capitation tax. In addition that year (1917) they paid \$0.20 per member plus the \$0.40 for the war and relief money, making \$0.60. There was also a resolution offered that year which empowered the Grand Lodge if necessary to levy \$0.60 additional but that was never levied because it was not necessary. We have left in the war and relief fund in bonds and cash approximately \$15,000.00. That has nothing to do with the Home tax. The Home tax has nothing to do with the Endowment Fund.

DOCUMENT NO. 27.

Believing that to assess each member to pay for a publication proposed in a resolution pending before the Grand Lodge would be a detriment instead of a benefit to the Order; therefore, be it

Resolved, That the representative of Atlas Lodge No. 261 be and is herein instructed by said lodge to vote and use his influence against the passage of such a resolution in the Grand Lodge.

PETER JOHNSON,

The above was adopted at a regular meeting of Atlas Lodge No. 261, held October the 12th, 1921.

DOCUMENT NO. 31.

Be It Resolved, That Section 1 of Article 6 of the Grand Lodge Constitution be amended by striking out the word "three" and inserting the word "five" in the fifth line thereof, so that said Section, when amended, will read as follows, to-wit:

STANDING COMMITTEES—Section 1. The Grand Master, at each annual session, shall, within twenty days after his installation as such, appoint the following committees to serve one year, viz.: (1) On Credentials, five members; (2) On State of the Order, fifteen members; (3) On Legislation, fifteen members; (4) On Finance, three members; (5) On Rebekah Degree, ten members; (6) On Mileage and Per Diem, fifteen members (said committee may appoint a clerk, who shall receive the compensation to which a Representative is entitled); (7) On Railroads, three members; (8) On Printing, three members. In the Order of Business, the reports of these Committees shall be called and have precedence in the order in which they are herein named. And within twenty days after the adoption of this amendment, the Grand Master shall appoint a Committee on Judiciary and Appeals, to consist of five members, one of whom shall be appointed for the term of one year, one for the term of two years, and one for the term of five years; and thereafter at each annual session the Grand Master, immediately after the installation of the Grand Officers, shall appoint one member of said Committee for the full term of five years; and shall, whenever a vacancy exists in the membership of said Committee, occasioned by death, resignation, removal or otherwise, fill such vacancy by appointment, and such appointee shall fill out the unexpired term of his predecessor.

DOCUMENT NO. 53.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

J. Johansen and Russell N. Smith, of Bentley Lodge No. 412 of Carthage, Ill., respectfully represent to this Grand Body that the present buildings at the Old Folks Home are inadequate to the needs of the Order; that at the present time there is a waiting list of at least twenty-five members of the Order, who have been accepted by the Board of Trustees and can not be admitted to the Home for lack of room.

We, therefore, offer the following:

Resolved, That there be and hereby is levied by this Grand Lodge a tax upon the lodges of this State to the amount of \$1.00 per member, to be known as the Building and Maintenance Fund Tax for the Old Folks' Home, which tax shall be due and payable as follows: Fifty cents on January 1, 1922, and fifty cents on July 1, 1922.

That said fund shall be used first for the erection and equipment of such additional building or buildings as may be determined upon by the Board of Trustees of said Home.

Third report of the Committee on Judiciary and Appeals.
To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Judiciary and Appeals, to whom was referred that part of the Grand Master's Report entitled, "Deputies of Rebekah Lodges Appointed by the President of Rebekah Assembly," would respectfully report as follows:

That we heartily concur in the proposition that it is desirable that the management of the Rebekah branch of the Order, as far as possible, be placed under the control of the Officers of the Rebekah State Assembly, thus enabling the Assembly Officers to keep in closer contact with affairs in that branch of the Order.

While under the present state of the law, it does not appear that the Grand Master possesses the power to delegate the appointment of Deputy Grand Masters for Rebekah Lodges to any other person, nevertheless we fully believe that the action of the Grand Master should be

concurred in as to the matter set forth in this part of his report, the same having been of great benefit to the Order.

We therefore recommend that the above mentioned part of the Grand Master's Report be approved by the Grand Lodge.

Respectfully submitted,

Such bond, before being presented to the Lodge, must have been submitted to and approved by a majority of the Trustees. He shall keep the funds, notes, and securities of the Lodge separate and apart from his own personal funds, notes and securities, and separate and

First report of Trustees Old Folks' Home.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee of Trustees of the Old Folks' Home, to whom was referred that part of the Grand Master's Report on page 43 of Grand Officers' Reports, referring to case of William B. McIntyre and including all subject matter in said reports found on pages 44, 45, 46, 47, 48, 49, 50, 51, 52, and on page 53 down to and including "Brothers Receiving Special Relief," beg to submit the following:

The Grand Master should be commended for his efforts in investigating the various cases referred to in the above pages, as should also the Brothers who aided in securing the information and the rendering of relief in these unfortunate cases.

Your Committee are of the opinion that under present conditions the best results are to be attained by following the same plan and by the co-operation of the Grand Master and the Subordinate Lodge in which the membership is held; and that a sufficient appropriation to the Special Relief Fund should be made for that purpose.

The Home has prospered to such a degree under its rules for admission that at the present time we believe it would not be to the best interest of the Order to make any changes. Your Committee therefore

respectfully report that the recommendations of the Grand Master for change in the rules be not adopted.

DOCUMENT NO. 71.

Springfield, Illinois, Oct. 19, 1921.

To the Officers and Members of the Grand Lodge of Illinois:

The following form for balloting was adopted by the Rebekah State Assembly, now in session, and the approval of the Grand Lodge is requested:

FORM FOR BALLOTING.

To the Officers and Members of the Rebekah Assembly of Illinois:

I have the honor of presenting the following report on the matter referred to me at the 1920 session of this Assembly.

I would recommend that Section 7 of Article 3 in the Rebekah Lodge Constitution which read as follows:

BALLOTING.

"When the report of the investigating committee has been received by the lodge, the candidate shall be balloted for as required by law,

after which the ballot box shall be passed by the warden to the vice-grand, who shall examine the ballot and inform the noble grand whether the same is favorable or unfavorable; the warden shall then pass the box to the noble grand, who shall inspect the ballot and announce the result, merely stating that the candidate is elected or rejected. If not more than two black balls appear the candidate shall be declared elected; but if three or more appear the candidate shall be declared rejected."

Shall be amended to read,

After the report of the investigating committee has been received and accepted by the lodge, the warden will prepare the ballot box. The warden will then hand the box to the noble grand for inspection, after which, the warden escorted by the conductor, will take it to the vice-grand for inspection, then placing it on a pedestal or table in the center of the floor.

The warden and conductor will step back four feet toward the vice grand's station, facing each other, with enough distance between them to permit one person to pass at a time.

The noble grand will then say, "officers and members you are about to ballot on the application of..... who wishes to become a member of this lodge by..... The committee have reported favorably (or unfavorably). Let me admonish you to permit no personal prejudice to control your actions. Let the law of the Golden Rule influence your decision, and by your ballot judge as you would wish yourself to be judged. Remember that the white balls elect and black balls reject. Look well to your ballot."

The noble grand will then call up the members. The line of march shall be led by the right and left supporters of the noble grand, who shall pass down their respective sides of the hall meeting in front of the vice grand's station. The vice grand will then take the lead, the members alternating in single file up the center of the floor to the ballot box, the conductor, warden and musician voting last, in the order named. The noble grand will then, leaving her station to be filled by her right supporter, step down and ballot. Then returning to her station she will declare the ballot closed. The warden, accompanied by the conductor, will then proceed to the vice grand for inspection of the ballot box. The vice grand will announce, "noble grand, I find the ballot favorable" (or unfavorable), as the case may be.

The warden, escorted by the conductor, will then take the ballot box to the noble grand, who will, after inspecting same, say: "finding the report of the vice grand correct, I declare..... (giving name) elected to become a member of this lodge by....."

(either initiation, card or reinstatement).” If unfavorable will declare the petitioner rejected.

The warden shall at all times, after handing the ballot box for inspection to either the vice grand or noble grand, face away from such officer until after the inspection is finished.

IDA E. G. SHERMAN, P.P.

Sixteenth report by Brother W. A. Hubbard, of No. 342.
To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on State of the Order would respectfully report as follows:

On Document No. 53, recommending that a building tax of \$1.00 per member for the ensuing year be levied on the lodges of the state to be known as the Building and Maintenance Tax for the Old Folks' Home, your Committee are of the opinion that it is not advisable for the Grand Lodge at this session to levy such a tax. We now have a special tax of \$1.00 per member for the support of the two houses, and the Sovereign Grand Lodge at its last session levied a special assessment of ten cents per member per year for five (5) years on all lodges in each Grand Jurisdiction to be used for constructing an Odd Fellows' building at Baltimore. Add to this an assessment of \$1.00 per member, as provided in this resolution, makes an assessment of \$2.10 per member in addition to the regular dues for the ensuing year.

Your Committee doubts the expediency of this body at this time levying such a tax without first submitting the matter to lodges of the state. Your Committee would recommend that the Grand Master be instructed to submit the resolution to a referendum vote of all the lodges of the state with instructions to report to the Grand Secretary on blanks supplied by him, the vote pro and con on this resolution; that such vote be tabulated by the Grand Secretary, the same to be a part of the Grand Master's Report for the next session of the Grand Lodge.

CASE NO. 492.

Midway Lodge No. 942, I. O. O. F.	} Before Committee on Judiciary and Appeals, August Session, 1921.
vs	
Ellis Pankey	

Opinion by Brother Thos. C. Stobbs, of No. 80.

This is an appeal by Brother Ellis Pankey, of Midway Lodge No. 942, from the action of the Lodge in expelling him from membership upon charges reading as follows:

"Charge (1) We charge Brother Ellis Pankey, of this Lodge with having used abusive language in the Lodge room on the night of April the 13th, 1921, during Lodge hours."

"Charge (2) We charge Brother Ellis Pankey of this Lodge with refusing to obey orders when called to order by the Noble Grand on the night of April 13th, 1921."

"Charge (3) We charge Brother Ellis Pankey of this Lodge with turning in a bill and collecting more money off of the Lodge for secretary service than was due him on the night of April 20th, 1921."

Upon these charges, which were presented by the committee, the Lodge then proceeded to the appointment of a commissioner who took evidence, and reported to the Lodge and upon the matter being voted upon, Brother Pankey was acquitted on charge No. 1 and found guilty upon charges Nos. 2 and 3, and upon further vote being taken, was expelled upon both charges 2 and 3 by a vote of 21 to 10.

There are so many reasons why this decision of Midway Lodge should be reversed that it would serve no good purpose to discuss all of them.

Firstly, the charges are insufficient, in that no specification is attached to either of them. The defendant was entitled to be advised of the particulars of the matters of which he was on trial in order that he might defend himself. Charge No. 2 should set out wherein the Brother refused to obey orders, and the charge No. 3 should specify the particular matters complained of. While this committee does not encourage the practice of resorting to technicalities, the law of the order must be upheld at least to the extent of following the regular procedure prescribed.

Furthermore, the record of the Lodge discloses the following: "The evidence was read to the Lodge, the counsel for the plaintiff and defendant was both ready to be heard. The Noble Grand arose and read law and addressed the Lodge pertaining to the said cause, this argument was also followed by the Deputy of said Lodge. This was objected to by counsel for the defendant. The committee then closed the argument." The Noble Grand is in effect the judge who is to pass upon evidence as to its admissibility, and for him to indulge in argument over the objection of the defendant and for the Deputy to do the same is calculated to unduly influence the membership, who stand in the position of a jury, and would certainly bear out the appeal of the defendant, wherein he states he did not have a fair and impartial trial.

While under our view of the case it is not necessary to discuss the sufficiency of the evidence, we cannot ignore the facts in the case altogether.

Upon charge No. 2, it appears from the testimony of the witnesses for the prosecution that at the time stated, Brother Pankey was addressing the Lodge, that the Noble Grand ordered him to be seated. That Brother Pankey appealed from the decision of the Noble Grand in (presumably) declaring him, Brother Pankey, out of order, and the Noble Grand again ordered him to be seated, whereupon Brother Pankey insisted upon his appeal. The Noble Grand did not, as required by the law, place the appeal before the Lodge for a vote. The Vice Grand then directed Brother Pankey to be seated, which direction of the Vice Grand was complied with. A brother has certain rights, among which is the right to address his Lodge under proper limitations. He has a right to appeal from a decision of the chair, and the Noble Grand should have placed the matter before the Lodge. It certainly appears that the merits as to this charge are with Brother Pankey, and he should have been acquitted upon this charge.

As to Charge No. 3, it appears from all the evidence that Brother Pankey filed his bill for services as Secretary with the Lodge in the sum of \$13.00, which bill was duly passed upon and ordered paid. Afterwards certain brothers testify that they checked up the records and found that he was entitled to only \$9.00.

No copy of the bill filed by Brother Pankey appears in the record, no copy of the Lodge records pertaining to the allowance of said bill, nor anything relative to compensation of the Secretary is embodied in the record. Neither does there appear any record of any request or demand upon Brother Pankey to return the overpayment, (if it was such overpayment), and there is absolutely no evidence tending to prove that Brother Pankey was guilty of trying to defraud the Lodge. The most that could be assumed from the evidence is that Brother Pankey thought the Lodge owed him \$13.00, and filed his claim in that amount, and that the Lodge by a vote and a regular meeting also considered the bill just and paid it. It would seem that the defendant was very harshly dealt with when the Lodge voted to expel him for an item of \$4.00, which was paid by the Lodge itself, and no request made for the refund thereof.

In accordance with the foregoing, the appeal of Brother Ellis Pankey is sustained, and the action of Midway Lodge No. 942 in finding him guilty on Charges No. 2 and 3 and in expelling him from membership, is reversed, and said Lodge is directed to restore the name of Brother Ellis Pankey to membership.

‡ Until 1845 inclusive, proxy representation in the Grand Lodge of the United States was permitted. In 1839 Past Grand Master Samuel Pryor, of Pennsylvania, was elected proxy Representative by the Grand Lodge of Illinois, but did not serve. At the adjourned session in April, 1840, Past Grand Master Augustus Mathiot, of Maryland, presented credentials as proxy Representative of Illinois, which were accepted, and he was also recognized in that capacity at the annual session in October following; but there is no record of his election or appointment. In 1842 and 1843, James Earnest, of New York, was elected and served as proxy Representative of Illinois. In 1844 Past Grand Master William S. Stewart, of Missouri, D.D.G.S., was requested to appoint a proxy Representative for the Grand Lodge of Illinois; but no such proxy was present at the session of that year, unless Stewart himself acted in that capacity. In 1845 no election for Representative was held.

NOTICES.

The next Annual Session of the Grand Lodge of the State of Illinois, I. O. O. F., will be held in the City of Springfield, on the third Tuesday of October, 1922, viz, the 17th day of the month, at 3 o'clock.

The special attention of Secretaries and others is directed to the following law of the Sovereign Grand Lodge:

Resolved, That Grand Scribes and Grand Secretaries are hereby prohibited from delivering or transmitting visiting or withdrawal cards to any person whatever, or to any Encampment or Lodge, excepting upon the order in writing of an Encampment or Lodge, signed by its Scribe (in the case of an Encampment) or by its Secretary (in the case of a Lodge), and authenticated by the official seal of the Encampment or the Lodge.

Also to this law of the Grand Lodge of Illinois:

Resolved, That the Grand Secretary be directed not to fill any orders for supplies, for Lodges or individuals, *unless the cash accompany such order*.

In ordering such supplies as are sent by express, give full instructions; state to what office or station, and in whose care they may be forwarded.

All communications intended for the Grand Lodge, or the Grand Secretary, must be addressed to the undersigned at Springfield. The Grand Secretary's office is in the Grand Lodge Building, 115 W. Monroe Street.

JOHN H. SIKES,

Grand Secretary.

Springfield, Ill., 1922.

THE FLAG CEREMONY.

The following has been adopted by the Grand Lodge and should be used by every Lodge prior to opening:

In order that there may be uniformity in the various lodges of the State a Flag Ceremony has been provided.

The Noble Grand calls the lodge to order and satisfies himself that all present are qualified to remain. Immediately following and before the lodge is opened he says:

"The Warden and the committee (previously designated by the Noble Grand, the Conductor may be one of the committee) will retire and present the Flag of our country."

They retire, without ceremony, in single file, the Warden in the center. On reaching the ante-room the Warden takes the Flag, which should be mounted on a staff, and with committee returns to the inner door. He gives an alarm to attract the attention of the inside guardian. The inside guardian says:

"Noble Grand, the Warden and Committee bearing the Flag are ready to enter."

N. G.: "You will admit them."

As they enter, without signal, the lodge rises and sings the first verse of "My Country, 'Tis of Thee."

They enter single file, the Warden, bearing the Flag, in the center. They proceed to the center of the room, facing the Noble Grand. As soon as they have reached the center and the singing is completed, the one on the right opens the Bible on the altar before them.

(The Bible should be kept on the altar in the center of the room at all times, except when degrees are being conferred.)

The Noble Grand says:

"Brothers, salute the Flag."

This is the regular military salute, bringing the open right hand to the right side of the forehead, then dropping it to the side.

The Warden and committee proceed in single file to the station of the Noble Grand and the Flag is presented to the Noble Grand, who places it in a socket at his right hand.

The Warden and committee then proceed to their places and the lodge is seated.

(The above is the law of the Grand Lodge and will be continued in lodges indefinitely.)
